

Icons

Micaela Heekin

Icons Margaret Stohl, 2013-05-07 Ro murmurs into my ear. Don't be afraid, Dol. They're not coming for us. Still, he slips his arm around me and we wait until the sky is clear. Because he doesn't know. Not really. Everything changed on The Day. The day the Icon appeared in Los Angeles. The day the power stopped. The day Dol's family dropped dead. The day Earth lost a war it didn't know it was fighting. Since then, Dol has lived a simple life in the countryside with fellow survivor Ro-safe from the shadow of the Icon and its terrifying power. Hiding from the one truth she can't avoid. They're different. They survived. Why? When the government discovers their secret, they are forced to join faint-hearted Tima and charismatic Lucas in captivity. Called the Icon Children, the four are the only humans on Earth immune to the power of the Icons. Torn between brooding Ro and her evolving feelings for Lucas, between a past and a future, Dol's heart has never been more vulnerable. And as tensions escalate, the Icon Children discover that their explosive emotions-which they've always thought to be their greatest weaknesses-may actually be their greatest strengths. Bestselling author Margaret Stohl delivers a thrilling novel set in a haunting new world where four teens must piece together the mysteries of their pasts-in order to save their future.

Icons Micaela Heekin, 2020-02-25 Icons features colorful portraits of 50 of the most admired women in the fields of music, politics, human rights, and film. This diverse and inclusive collection features the world's most inspiring women, including Michelle Obama, Beyonce, Aretha Franklin, Dolly Parton, Ruth Bader Ginsburg, Yayoi Kusama and so many more. From singers to writers, activists to artists, politicians to filmmakers, Icons is a celebration of the strength of women. Illustrated by Monica Ahanonu, each portrait is accompanied by a short biography about what makes each woman a force to be reckoned with. • Share it with other women in your life: mom-to-daughter, daughter-to-mom, friend-to-friend • Read about the lives and accomplishments of each woman, or simply enjoy the enigmatic portraits. Ahanonu's illustrated portraits are both easily recognizable and also an artistic take on each featured woman's likeness and identity. • A smart and empowering collection of female role models • Perfect for those who loved In the Company of Women: Inspiration and Advice from over 100 Makers, Artists, and Entrepreneurs by Grace Bonney and Bygone Badass BROADS: 52 Forgotten Women Who Changed the World by Mackenzi Lee

The Meaning of Icons Léonide Ouspensky, Vladimir Lossky, 1982 The nature of the icon cannot be grasped by means of pure art criticism, nor by the adoption of a sentimental point of view. Its forms are based on the wisdom contained in the theological and liturgical writings of the Eastern Orthodox Church and are intimately bound up with the experience of the contemplative life. The present work is the first of its kind to give a reliable introduction to the spiritual background of this art. The introduction into the meaning and language of the icons by Ouspensky imparts to us in an admirable way the spiritual conceptions of the Eastern Orthodox Church which are often so foreign to us, but without the knowledge of which we cannot possibly understand the world of the icon. -- Back cover.

Icon and Devotion Oleg Tarasov, 2004-01-03 Icon and Devotion offers the first extensive presentation in English of the making and meaning of Russian icons. The craft of icon-making is set into the context of forms of worship that emerged in the Russian Orthodox Church in the mid-seventeenth century. Oleg Tarasov shows how icons have held a special place in Russian consciousness because they represented idealized images of Holy Russia. He also looks closely at how and why icons were made. Wonder-working saints and the leaders of such religious schisms as the Old Believers appear in these pages, which are illustrated with miniature paintings, lithographs and engravings never before published in the English-speaking world. By tracing the artistic vocabulary, techniques and working methods of icon painters, Tarasov shows how icons have been integral to the history of Russian art, influenced by folk and mainstream currents alike. As well as articulating the specifically Russian piety they invoke, he analyzes the significance of icons in the cultural life of modern Russia in the context of popular prints and poster design.

The Hidden Icon Jillian Kuhlmann, 2015-09-01 An enthralling Arabian Nights-style fantasy perfect for fans of Bradley Beaulieu and N. K. Jemisin. Eiren, the youngest daughter of the Aleynian royal family, has been living in exile in the deep desert of their kingdom. When the invading force from Ambar captures her family and demands that Eiren alone return with the Ambarians to their distant, mountainous lands, she agrees for the sake of her people. Gentle, perceptive, and able to sense the thoughts and feelings of those around her, Eiren is a storyteller—and unsure why the Ambarians have chosen her instead of her more brazen siblings. As she grows closer to the masked and enigmatic Gannet, one of her captors, on the journey to Ambar, Eiren learns that her special gifts mark her as an icon—the rare, living embodiment of a god. Gannet, too, is an icon, and when he awakens more abilities within her, Eiren discovers a bitter truth: She is host to Theba, the goddess of destruction. A dark and dangerous force, Theba awakens similar appetites in Eiren. But there's more the Ambarians aren't telling her, and secrets Eiren has to uncover for herself. To know the truth of why she was taken from her home, Eiren must become one of the monsters from her stories, whether she wants to or not.

The Russian Icon Nikodim Pavlovich Kondakov, 1927

Icons Nikodim Pavlovich Kondakov, 2023-12-28 Icon painting has reached its zenith in Ukraine between the 11th and 18th centuries. This art is appealing because of its great openness to other influences – the obedience to the rules of Orthodox Christianity in its early stages, the borrowing from Roman heritage or later to the Western breakthroughs – combined with a never compromised assertion of a distinctly Slavic soul and identity. This book presents a handpicked and representative selection of works from the 11th century to the late Baroque period.

Icons and Saints of the Eastern Orthodox Church Alfredo Tradigo, 2006 Catalogues the heritage of images according to type and subject, from the ancient at the Monastery of Saint Catherine in the Sinai to those from Greece, Constantinople, and Russia. This book includes chapters such as role of icons in the Orthodox liturgy and on common iconic subjects, including the fathers and saints of the Eastern Church.

The Mystical Language of Icons Solrunn Nes, 2005 This lavishly illustrated guide to iconography explains through words and pictures the history, meaning, and purpose of Christian icons as well as the traditional methods that religious painters use to create these luminous, spiritually enlivened works of art. Solrunn Nes, one of Europe's most admired iconographers, illuminates the world of Christian icons, explaining the motifs, gestures, and colors common to these profound symbols of faith. Nes explores in depth a number of famous icons, including those of the Greater Feasts, the Mother of God, and a number of the better-known saints, enriching her discussion with references to Scripture, early Christian writings, and liturgy. She also leads readers through the process and techniques of icon painting, showing each step with photographs, and includes more than fifty of her own original works of art. Deeply inspiring and utterly unique, *The Mystical Language of Icons* will inform both those who are familiar with the rich tradition of religious art and those who are not. It also serves as a powerful devotional

resource in its own right, one that Christians everywhere can turn to again and again. Book jacket.

God's Human Face Christoph Schoenborn, 2011-03-30 The principal editor of the Catechism of the Catholic Church, presents the sources of meditation on the mystery of God's human face from the great Masters of early Christianity. Artists and theologians have meditated upon the mystery of God's human countenance and tried to express it. This book seeks to present the great sources of this meditation--sources which today are widely unknown, or have become foreign or obscure. These sources are above all the great masters of early Christianity. In their meditation upon Christ, Bishop Schonborn seeks the sources of the art on the Icon. The reader will find not only an engaging introduction to the meaning and beauty of Icons, but an invitation to draw closer to the One who inspired these Masters of theological expression and holy art. Includes beautiful color Icon illustrations.

ICONS. , 2024

Black Icons in Herstory Darian Symoné Harvin, 2022-06 Black Icons in Herstory features bold, colorfully illustrated portraits of 50 of the most admired women in the fields of music, film, literature, politics, human rights, and more. This second book in our Icons series focuses exclusively on remarkable Black women, celebrating their achievements, legacy, and continued inspiration. From Harriet Tubman to Kamala Harris; from Nina Simone to Beyoncé; from Michelle Obama to Amanda Gorman; this curated list of role models is significant. Each striking portrait illustrated by Monica Ahanonu is accompanied by a biography of each woman, highlighting her contributions to our culture and her lasting influence on herstory.

Icons of America Ray Broadus Browne, Marshall William Fishwick, 1978 In a democracy, Uncle Sam's icons are of, by, and for everyone. Included in this examination of icons are essays by such scholars as Michael T. Marsden, Earl F. Bargainnier, Edith Mayo, Valerie Carnes, David Skaggs, Fred E. H. Schroeder, Ray Browne, and others. The examined range from symbols of people (George Washington, the Beatles) to places (historic sites, schoolhouses) to things (CB radio, the pinball machine).

Behold the Beauty of the Lord Henri J. M. Nouwen, 1987 Full-color fold-outs of four superb Russian icons combine with reflections to offer the reader a unique way to pray with sacred images as much as with words--and hopefully see something of the beauty of God.

Thinking in Icons Felix Sockwell, 2017-09-01 Icons shape the way we see the world around us in business, communication, entertainment, and much more. Now is your chance to learn to speak the textless language of icons with Thinking in Icons. From the most refined corporate visual systems to the ubiquitous emoji, icons have become an international language of symbols as well as a way to make a wholly unique statement. Without even realizing it, billions of people interpret the language of icons each day, this is the designer's guide to creating the next great statement. In Thinking in Icons, artist and designer Felix Sockwell--logo developer for Apple and other high-profile companies, as well as GUI creator for the New York Times app--takes you through the process of creating an effective icon. You will cover many styles and visual approaches to this deceptively complex art. Sockwell also offers examples of his collaborations with Stefan Sagmeister, Debbie Millman, and other luminary designers. Thinking in Icons also features the work Sockwell has done with an impressive roster of blue-chip international brands, including Facebook, Google, Hasbro, Sony and Yahoo.

A Brush with God Peter Pearson, 2005-10-01 Step-by-step instructions for painting icons, from original drawings through finished product. For more than a thousand years, Eastern Christians have used their hands and hearts to create icons, proclaiming God's reality in a visible--and breathtakingly beautiful--way. This ancient art is enjoying a renewed interest in the West, as people of faith create icons and use them to meditate on mysteries for which there are no words. A Brush with God is a guide to painting icons and using them in prayer. Written with warmth and energy, it describes the history of icons and examines why they've been a spiritual tool for so many centuries. Written from a uniquely Western perspective, the book guides artists--from novices to professionals--through the process of icon painting, using traditional techniques but employing contemporary materials. Included are eight full-color plates of the artist's icons.

Icons of Space Jelena Bogdanović, 2021-07-26 Icons of Space: Advances in Hierotopy brings together important scholars of Byzantine religion, art, and architecture, to honour the work of renowned art historian Alexei Lidov. As well as his numerous publications, Lidov is well known for developing the concept of hierotopy, an innovative approach for studying the creation of sacred spaces. Hierotopy and the related concepts of 'spatial icons' and 'image-paradigms' emphasize fundamental questions about icons, including what defines them as structures, spaces, and experiences. Chapters in this volume engage with the overarching theme of icons of space by employing, contrasting, and complementing methods of hierotopy with more traditional approaches such as iconography. Examinations of icons have traditionally been positioned within strictly historical, theological, socio-economic, political, and art history domains, but this volume poses epistemological questions about the creation of sacred spaces that are instead inclusive of multi-layered iconic ideas and the lived experiences of the creators and beholders of such spaces. This book contributes to image theory and theories of architecture and sacred space. Simultaneously, it moves beyond colonial studies that predominantly focus on questions of religion and politics as expressions of privileged knowledge and power. This book will appeal to scholars and students of Byzantine history, as well as those interested in hierotopy and art history.

Icons Robin Cormack, 2007 Byzantine and Russian Orthodox icons are perhaps the most enduring form of religious art ever developed--and one of the most mysterious. This book provides an accessible guide to their story and power. Illustrated mostly with Cretan, Greek, and Russian examples from the British Museum, which houses Britain's most important collection, the book examines icons in the context of the history of Christianity, as well as within the perspective of art history.

Festival Icons for the Christian Year John Baggley, 2000-01-01 This text provides the general reader with an insight into the most important icons of the Church's year, in their setting. It discusses the season of the year and the festival in which they figure and provides the words of prayer and liturgy which are used with them.

The Glenstal Book of Icons Gregory Collins, 2002 From the same Irish monastery that gave us the best-selling The Glenstal Book of Prayer, with over 150, -000 copies sold worldwide! The Glenstal Book of Icons presents meditations and prayers on a selection of icons from the Glenstal Abbey Icon Chapel. The process is that of lectio divina, where the icon itself is the text to be read and considered, leading to a meditation on the text - or icon - which in turn leads to prayer. Each icon is reproduced in full color. A substantial introduction places the icon in its context in Eastern Christianity, looks at the theology of icons and then at the Eastern approach to praying with icons. Special emphasis is given to The Jesus Prayer which is then used in various forms throughout the meditations which follow. Gregory Collins, OSB, is a monk of Glenstal Abbey, Ireland.

In a world inundated with monitors and the cacophony of fast connection, the profound energy and mental resonance of verbal art frequently disappear in to obscurity, eclipsed by the continuous barrage of sound and distractions. However, located within the musical pages of **Icons**, a fascinating function of literary beauty that impulses with raw thoughts, lies an wonderful journey waiting to be embarked upon. Composed by a virtuoso wordsmith, that interesting opus instructions visitors on an emotional odyssey, delicately revealing the latent potential and profound influence stuck within the complex internet of language. Within the heart-wrenching expanse with this evocative evaluation, we shall embark upon an introspective exploration of the book is key themes, dissect its interesting writing fashion, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

Icons Introduction

In the digital age, access to information has become easier than ever before. The ability to download Icons has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Icons has opened up a world of possibilities. Downloading Icons provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Icons has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal

opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Icons. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Icons. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Icons, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Icons has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Icons Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader?

Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Icons is one of the best book in our library for free trial. We provide copy of Icons in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Icons. Where to download Icons online for free? Are you looking for Icons PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Icons. This method for see exactly what may be included and adopt these ideas to your book.
