*Phone & Spear* Miyarrka Media,2021-10-12 A visually striking intercultural exploration of the use of mobile phones in Aboriginal communities in Australia. Yuta is the Yolngu word for new. Phone & Spear: A Yuta Anthropology is a project inspired by the gloriously cheeky and deeply meaningful audiovisual media made with and circulated by mobile phones by an extended Aboriginal family in northern Australia. Building on a ten-year collaboration by the community-based arts collective Miyarrka Media, the project is an experiment in the anthropology of co-creation. It is a multivoiced portrait of an Indigenous society using mobile phones inventively to affirm connections to kin and country amid the difficult and often devastating circumstances of contemporary remote Aboriginal life. But this is not simply a book about Aboriginal art, mobile phones, and social renewal. If old anthropology understood its task as revealing one world to another, yuta anthropology is concerned with bringing different worlds into relationship. Following Yolngu social aesthetics—or what Miyarrka Media translate as “the law of feeling”—the book is a relational technology in its own right: an object that combines color, pattern, and story to bring once distant worlds into new sensuously mediated connections.

**The National Faith of Japan** Daniel Clarence Holtom,1995 This seminal work was the first comprehensive study of modern Shinto, the religion of Japan, in both its state and sect forms. It is of particular interest for its account of the evolution of Shinto into a vital political force in the period leading up to World War II.

*The Tara Tantra* Susan A. Landesman,2020-05-19 A groundbreaking English translation of a key tantric text in the history of Indo-Tibetan Buddhism. This volume contains an English translation of the “root text” of the Tara-mula-kalpa, a scripture-ritual compendium that captures an important Buddhist tantric tradition in mid-formation. In this regard it is utterly unique and unlike any other text in the Buddhist canon. Its contents document the emergence of the quintessential female Buddha Tara in seventh-century India. As her popularity grew, her cult spread throughout Southeast Asia, as well as Tibet, where she became revered as the “Mother” of the Tibetan people. Tara is worshiped for a variety of reasons, from health and long life, to wealth, protection from enemies, and ultimately, the mind of enlightenment. Her presence pervades the evolution of Buddhism in Tibet, including within royal circles, as well as mentor and guide to many important Buddhist scholars, practitioners, and lineage holders.

**National Faith Of Japan** Holtom,2012-11-12 This classic work, long out of print, was the first detailed study of modern Shinto, the religion of Japan, in both its state and sect forms, and is of particular interest for its account of the evolution of Shinto into a vital political force in the period leading up to World War II. After describing the early and medieval forms of Shinto, Holtom outlines the way in which traditional Shinto - unorganised and neglected at the time of the Meiji Restoration - was subsequently used by the new government as a force for reunifying the country through 'integrating the national mind and glorifying the national destiny'. Following the legal separation of state and sect Shinto in 1882, Holtom shows how state Shinto grew steadily with the growth of modern Japan, becoming in his words 'a factor that could not be safely overlooked in making an inventory of the important items involved in the extension of Japanese political control and cultural influence on the Asiatic Continent and elsewhere'. With Japan in the ascendant and Shinto enjoying a renewed prominence, this book is as important now as when it was written.

**Life Lessons** Don Reid,2021-09 LIFE LESSONS covers topics of the heart and mind, often with related stories from the Scriptures. Ninety concise and to-the-point chapters speak to everyday topics we all may experience on any given day from dawn to bedtime. In March of 2020, when the Covid pandemic began closing churches and keeping congregations close to home, Don Reid improvised an email lesson and sent it to each member of his Friendship Class on Saturday nights. From these weekly messages, this book was born and developed. There are stories that will transport you back to your youth and then bring you back to the present with a jolt or two of truth. The chapters cover feelings and insights from both secular and Biblical standpoints and often offer a humorous touch to subjects we all enjoy. Whether it is Remembering Dad or Just Like Oscar and Felix or It Was Palm Sunday in Syracuse, you'll find your favorite chapters and read them over and over again. A great book for discussion in any class or book club.

**Paul Lynde: A Biography - His Life, His Love(s) and His Laughter** Cathy (Fitzgibbon) Rudolph, This book will let you into the heart and soul of Paul Lynde. Best remembered for outrageous jokes on The Hollywood Squares, as Uncle Arthur from Bewitched, and as the frantic father in Bye Bye Birdie, Paul was never satisfied with his career - or his personal life. But even as he suffered through some of the cruelest of times, Paul continued to make us forget our troubles, and was forever gracious to his fans. This is the book those fans have been waiting for. Though he was one of the most original, hilarious, and private actor-comedians of all time, author Cathy Rudolph, his trusted friend, reveals her adventures with Paul - along with his turbulent life story. Here for the first time are interviews with his relatives, personal notes, and never-before-published photos. Also included are memories from his friends and peers including Cloris Leachman, Chita Rivera, Florence Henderson, Kaye Ballard, Peter Marshall, Les Roberts, Betty White, and many more.
