

# Island

David Hopen

*Island* Aldous Huxley,2014-01-01 While shipwrecked on the island of Pala, Will Farnaby, a disenchanted journalist, discovers a utopian society that has flourished for the past 120 years. Although he at first disregards the possibility of an ideal society, as Farnaby spends time with the people of Pala his ideas about humanity change. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Isla to Island Alexis Castellanos,2022-03-15 A wordless graphic novel in which twelve-year-old Marisol must adapt to a new life 1960s Brooklyn after her parents send her to the United States from Cuba to keep her safe during Castro's regime.--

**An Island** Karen Jennings,2023-06-13 NEW YORK TIMES EDITORS' CHOICE • LONGLISTED FOR THE BOOKER PRIZE • A "beautifully and sparingly constructed" (The New York Times) novel about a lighthouse keeper with a mysterious past, and the stranger who washes up on his shores—An Island is the American debut of a major voice in world literature. "An Island by Karen Jennings is quite simply a revelation—a ferocious, swift chess game of a novel."—Paul Yoon, author of Run Me to Earth ONE OF THE BEST BOOKS OF THE YEAR: Vulture Samuel has lived alone on an island off the coast of an unnamed African country for more than two decades. He tends to his garden, his lighthouse, and his chickens, content with a solitary life. Routinely, the nameless bodies of refugees wash ashore, but Samuel—who understands that the government only values certain lives, certain deaths—always buries them himself. One day, though, he finds that one of these bodies is still breathing. As he nurses the stranger back to life, Samuel—feeling strangely threatened—is soon swept up in memories of his former life as a political prisoner on the mainland. This was a life that saw his country exploited under colonial rule, followed by a period of revolution and a brief, hard-won independence—only for the cycle of suffering to continue under a cruel dictator. And he can't help but recall his own shameful role in that history. In this stranger's presence, he begins to consider, as he did in his youth: What does it mean to own land, or to belong to it? And what does it cost to have, and lose, a home? A timeless and gripping portrait of regret, terror, and the extraordinary stakes of companionship, An Island is a story as page-turning as it is profound.

**The Disappearing Islands of the Chesapeake** William B. Cronin,2005-06-17 An appendix documents the many small islands that have dropped entirely from view since the seventeenth century.

*No Man is an Island* Thomas Merton,2005 This volume is a stimulating series of spiritual reflections which will prove helpful for all struggling to find the meaning of human existence and to live the richest, fullest and noblest life. --Chicago Tribune

*Pumpkin Island* Arthur Geisert,2018 How does a small town in Iowa deal with an abundance of pumpkins, just as Halloween approaches?

**Island Book: The Infinite Land** Evan Dahm,2021-05-18 Set sail with Island Book: The Infinite Land, the second volume in an Evan Dahm's epic fantasy graphic novel trilogy rich with allegory and underlying themes. After their quest to find the Monster, Sola and her friends have gone down separate paths. Sola spends her days on the open seas while Hunder stays close to home as the chief of the unified Sun and Fortress Islands. And Wick? Well . . . it's almost as if he's become a ghost. Then their world is thrown into chaos when Alef, the captain of one of Hunder's ships, brings news of a massive island—a continent—that he says the Sun and Fortress islanders are destined to claim for their own. Alef and Hunder launch an expedition that threatens to bring death and destruction to any who stand in their way. Sola must make a choice—step aside and allow other islanders to die, or risk her own life in order to stop her friend.

*Island Book: The Rising Tide* Evan Dahm,2022-06-07 Set sail with Island Book: The Rising Tide, the third and final graphic novel in an epic fantasy trilogy. Alef has planted his flag on the Infinite Land and built an enormous citadel along the coastline—but it's not enough. He is preparing to venture inland and wage war against the Continent's native population. Hunder, now Chief in name only, doesn't have the courage to stop him. Suddenly, Wick returns from the sea with an urgent message: Sola, the cursed girl who was lost at sea, may still be alive! Hunder and Wick set sail on the Star once more in hopes of finding their old friend—and with her, the Continent's last chance for peace.

The Last Confessions of Sylvia P. Lee Kravetz,2022-03-08 "Lee Kravetz has created a bit of a miracle, a plot-driven literary puzzle box whose mystery lives in both its winding approach to history and its wonderous story. It's a book full of ideas about inspiration and a love for language that translates across borders, physical and generational."—Adam Johnson, Winner of the Pulitzer Prize for Fiction for *The Orphan Master's Son* Blending past and present, and told through three unique interwoven narratives that build on one another, a daring and brilliant debut novel that reimagines a chapter in the life of Sylvia Plath, telling the story behind the creation of her classic semi-autobiographical novel, *The Bell Jar*. A seductive literary mystery and multigenerational story inspired by true events, *The Last Confessions of Sylvia P.* imaginatively brings into focus the period of promise and tragedy that marked the writing of Sylvia Plath's modern classic *The Bell Jar*. Lee Kravetz uses a prismatic narrative formed from three distinct fictional perspectives to bring Plath to life—that of her psychiatrist, a rival poet, and years later, a curator of antiquities. Estee, a seasoned curator for a small Massachusetts auction house, makes an astonishing find: the original manuscript of Sylvia Plath's semi-autobiographical novel, *The Bell Jar*, written by hand in her journals fifty-five years earlier. Vetting the document, Estee will discover she's connected to Plath's legacy in an unexpected way. Plath's psychiatrist, Dr. Ruth Barnhouse, treats Plath during the dark days she spends at McLean Hospital following a suicide attempt, and eventually helps set the talented poet and writer on a path toward literary greatness. Poet Boston Rhodes, a malicious literary rival, pushes Plath to write about her experiences at McLean, tipping her into a fatal spiral of madness and ultimately forging her legacy. Like Michael Cunningham's *The Hours*, Paula McLain's *The Paris Wife*, and Theresa Anne Fowler's *Z: A Novel of Zelda Fitzgerald*, *The Last Confessions of Sylvia P.* bridges fact and fiction to imagine the life of a revered writer. Suspenseful and beautifully written, Kravetz's masterful literary novel is a hugely appealing read.

**The Orchard** David Hopen,2020-11-17 A NATIONAL JEWISH BOOK AWARD FINALIST A Recommended Book From: The New York Times \* Good Morning America \* Entertainment Weekly \* Electric Literature \* The New York Post \* Alma \* The Millions \* Book Riot A commanding debut and a poignant coming-of-age story about a devout Jewish high school student whose plunge into the secularized world threatens everything he knows of himself Ari Eden's life has always been governed by strict rules. In ultra-Orthodox Brooklyn, his days are dedicated to intense study and religious rituals, and adolescence feels profoundly lonely. So when his family announces that they are moving to a glitzy Miami suburb, Ari seizes his unexpected chance for reinvention. Enrolling in an opulent Jewish academy, Ari is stunned by his peers' dizzying wealth, ambition, and shameless pursuit of life's pleasures. When the academy's golden boy, Noah, takes Ari under his wing, Ari finds himself entangled in the school's most exclusive and wayward group. These friends are magnetic and defiant—especially Evan, the brooding genius of the bunch, still living in the shadow of his mother's death. Influenced by their charismatic rabbi, the group begins testing their religion in unconventional ways. Soon Ari and his friends are pushing moral boundaries and careening toward a perilous future—one in which the traditions of their faith are repurposed to mysterious, tragic ends. Mesmerizing and playful, heartrending and darkly romantic, *The Orchard* probes the conflicting forces that determine who we become: the heady relationships of youth, the allure of greatness, the doctrines we inherit, and our concealed desires.

**Gallant** V. E. Schwab,2022-03-01 AN INSTANT #1 NEW YORK TIMES BESTSELLER A USA TODAY BESTSELLER A NATIONAL INDIE BESTSELLER "A bone-chilling standalone . . . which fuses Shirley Jackson's gothic horror sensibilities with the warmth and

dark whimsy of Neil Gaiman.”—Publishers Weekly, starred review “Gripping worldbuilding, well-rounded characters, and fantastic horror.”—Kirkus Reviews, starred review “Unsettling and intriguing.”—Bulletin of the Center for Children's Books, starred review Everything casts a shadow. Even the world we live in. And as with every shadow, there is a place where it must touch. A seam, where the shadow meets its source. #1 New York Times–bestselling author V. E. Schwab weaves a dark and original tale about the place where the world meets its shadow, and the young woman beckoned by both sides. The Secret Garden meets Crimson Peak in this stand-alone novel perfect for readers of Holly Black and Neil Gaiman. Olivia Prior has grown up in Merilance School for Girls, and all she has of her past is her mother’s journal—which seems to unravel into madness. Then, a letter invites Olivia to come home to Gallant. Yet when Olivia arrives, no one is expecting her. But Olivia is not about to leave the first place that feels like home; it doesn’t matter if her cousin Matthew is hostile, or if she sees half-formed ghouls haunting the hallways. Olivia knows that Gallant is hiding secrets, and she is determined to uncover them. When she crosses a ruined wall at just the right moment, Olivia finds herself in a place that is Gallant—but not. The manor is crumbling, the ghouls are solid, and a mysterious figure rules over all. Now Olivia sees what has unraveled generations of her family, and where her father may have come from. Olivia has always wanted to belong somewhere, but will she take her place as a Prior, protecting our world against the Master of the House? Or will she take her place beside him? New York Times–bestselling author V. E. Schwab crafts a vivid and lush novel that grapples with the demons that are often locked behind closed doors. An eerie, stand-alone saga about life, death, and the young woman beckoned by both. Readers of Neil Gaiman, Holly Black, Melissa Albert, and Garth Nix will quickly lose themselves in this novel with crossover appeal for all ages.

*Fog Island* Tomi Ungerer, 2013-04-16 Top 10 Children’s Book 2013 – New York Times Book Review A Publishers Weekly Best Children’s Book of 2013 A New York Times Best Illustrated Children’s Book of 2013 Tomi Ungerer has created another masterpiece. – Eric Carle In this imaginative tale from master storyteller Tomi Ungerer, two young siblings find themselves cast away on mysterious Fog Island. No one has ever returned from the island’s murky shores, but when the children begin to explore, they discover things are not quite as they expected. Ungerer’s captivating drawings evoke the eerie beauty and magic surrounding this timeless adventure. Selected by both The New York Times and Publishers Weekly as one of the year’s best children’s books, *Fog Island* is destined to become a modern classic.

*Awake Island* Margaret Murphy, 2016-11-06 A young woman searching for a connection with her late father returns to his island estate on the chain of lakes in Waupaca, Wisconsin where he led summer retreats for a host of new-age philosophers, mystics, religious academics and spiritual seekers. Digging through local history, childhood memories, and unusual dreams she finds evidence of something extraordinary. Locals call it Island Magic, but as she unravels the clues that range from ancient and mythical symbols to modern day conspiracies, she falls in love with the local lake watchman. Together they discover the powerful allure of the island and harness the secrets it holds deep within to solve the mysterious disappearance of her father and confront a destructive force that threatens the island.

**On the Island** Tracey Garvis Graves, 2012-07-10 In this runaway New York Times bestseller, a harrowing near-death experience brings together an English teacher and her student as they struggle to survive on a desert island. Sixteen-year-old T.J. Callahan has no desire to go anywhere. With his cancer in remission, all he wants is to get back to his normal life. But his parents insist that he spend the summer catching up on the school he missed while he was sick. Anna Emerson is a thirty-year-old English teacher who has been worn down by the cold Chicago winters and a relationship that’s going nowhere. To break up the monotony of everyday life, she jumps at the chance to spend the summer on a tropical island tutoring T.J. Anna and T.J. board a private plane headed to the Callahans’ summer home, but as they fly over the Maldives’ twelve hundred islands, the unthinkable happens: their plane crashes in shark-infested waters. They make it to shore, but soon discover they’re stranded on an uninhabited island. At first, their only thought is survival. But as the days turn to weeks, and then months, and as birthdays pass, the castaways must brave violent tropical storms, the many dangers lurking in the sea, and the worst threat of all—the possibility that T.J.’s cancer could return. With only each other for love and support, these two lost souls must come to terms with their situation and find companionship in one another in the moments they need it most.

**Read Island** Nicole Magistro, 2021-09-14 Join a very brave girl and her furry friends on an adventure to Read Island! Through the power of imagination and the pleasure of reading, this curious trio set sail for a magical island made of books. On their way they discover a joyful collection of animals converging by sea and land, just in time for an unforgettable story hour. A rhyming celebration of nature, books and the importance of stories, Read Island invites you to experience the diversity and wonder of a hidden and wild place. In the company of sea wolves, humpback whales and spirit bears, readers will discover simple meditations that summon a magical destination - one filled with beloved friends, safe spaces and stories to be revisited again and again. For make-believe though it may look, There is an island made of books. This world of stories, safe and true, Is always here to welcome you.

**Energy Island** Allan Drummond, 2011-03 Tells how the people of Danish island of Samsø decided to use wind energy to power their lives and became the Energy Island.

*Maria's Island* Victoria Hislop, 2022-07 A dramatic and moving story set in the same world as the international bestseller *The Island* from the celebrated novelist Victoria Hislop. The absorbing story of the Cretan village of Plaka and the tiny, deserted island of Spinalonga - Greece's former leper colony - is told to us by Maria Petrakis, one of the children in the original version of *The Island*. She tells us of the ancient and misunderstood disease of leprosy, exploring the themes of stigma, shame and the treatment of those who are different, which are as relevant for children as adults. Gill Smith's rich, full-colour illustrations will transport the reader to the timeless and beautiful Greek landscape and Mediterranean seascape.

*Dog Island* Philippe Claudel, 2021-08-10 When three bodies wash up on the beach of a remote island, the locals must decide whether they should uncover the truth or let the mystery die with the victims. Nestled in an overlooked part of the Mediterranean, Dog Island is home to a quiet and untouched community that has long lived off its fishing, its vines, and its olive trees, far away from the turmoil its neighbors. But when the bodies of three unidentified men wash up on the beach, the witnesses are faced with an impossible decision: report the discovery and open up the island to grisly inquiries, or conceal the terrible truth? Resolving to preserve their way of life, the mayor and a small group of conspirators resolve on a cover-up. But after they dispose of the evidence, their act of deception continues to haunt them, bringing waves of suspicion and misfortune to the island. A detective arrives from the mainland, making their secret even harder to keep and threatening to destroy the very community they tried so hard to protect. With the blend of suspense, keen observation, and wit that has made Philippe Claudel’s books international bestsellers, *Dog Island* challenges our deepest assumptions about ourselves and offers a fierce and tragic fable for our times.

*Island Geographies* Elaine Stratford, 2016-11-03 Islands and their environs - aerial, terrestrial, aquatic - may be understood as intensifiers, their particular and distinctive geographies enabling concentrated study of many kinds of challenges and opportunities. This edited collection brings together several emerging and established academics with expertise in island studies, as well as interest in geopolitics, governance, adaptive capacity, justice, equity, self-determination, environmental care and protection, and land management. Individually and together, their perspectives provide theoretically useful, empirically grounded evidence of the contributions human geographers can make to knowledge and understanding of island places and the place of islands. Nine chapters engage with the themes, issues, and ideas that characterise the borderlands between island studies and human geography and allied fields, and are contributed by authors for whom matters of place, space, environment, and scale are key, and for whom islands hold an

abiding fascination. The penultimate chapter is rather more experimental – a conversation among these authors and the editor – while the last chapter offers timely reflections upon island geographies’ past and future, penned by the first named professor of island geography, Stephen Royle.

*New Year Island* Paul Draker,2013-10 Ten strangers are recruited to join a new edgy reality show and are marooned on an abandoned island overrun by wildlife. After one of them dies in an accident, the other nine learn they were past survivors, and each one holds a hidden secret. As each of the strangers are picked off one by one, the remaining survivors must learn why they were chosen to be on the island before there is no one left.

Reviewing **Island**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Island**," an enthralling opus penned by a highly acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
