**J.T.** Jane Wagner,1969 J.T. begins to change when he discovers there is more satisfaction in caring for an injured cat than in listening to a stolen transistor radio. Illustrated with black and white photographs.

J. T. Jane Wagner,1987-06

J.T. John Nicholas Iannuzzi,2014-02-04 He had what every lawyer needs: the killer instinct He was the hottest new item in the legal profession: America's first media attorney; the lawyer who bullied his way into Washington and got his face on every TV in the nation; the restless, ruthless ferret of a man who wheeled and dealt his way into the chandeliered sanctums of Palm Beach and the cushioned backseats of limousines. The silver-tongued advocate who would have the daily headlines no matter what the price. Suicides and broken hearts meant nothing to a man so insatiable for fame and power. J. T. Wright wanted it all . . . and God help the people who stood in his way.

*J.T.* Jane Wagner,1972-07-15 To the guys on the block, J.T. is the kid who stole the radio out of the red convertible before they could get to it. His neighbor, Mrs. Morris, declares him a first-class nuisance. His mother is bewildered -- He's just gone bad, that's all.... Stealin' and lyin' and I don't know what all. But all the sensitivity, responsibility, and care of which ten-year-old J.T. Gamble is capable emerges when he finds an old, one-eyed, badly hurt alley cat. J.T. takes on a new dimension as he lavishes all the love he is unable to express to people around him on the battered cat he has found in the junk-filled empty lot.

**The Hand of the Sun King** J.T. Greathouse, 2021-08-05 “An original fantasy filled with magic and culture, the story of a character torn between two names, two loyalties, and two definitions of good and evil.”—Kevin J. Anderson, New York Times bestselling author of *Spine of the Dragon* Wen Alder was born into two worlds. On his father’s side, a legacy of proud loyalty and service to the god-like Sienese Emperor spanning generations. And it is expected that Alder, too, will follow this tradition by passing the Imperial exams, learning the accepted ways of magic and, if he serves with honor, enhancing his family’s prominence by rising to take a most powerful position in Sien—the Hand of the Emperor. But from his mother he has inherited defiance from the Empire, a history of wild gods and magic unlike anything the Imperial sorcerers could yet control. It began when his spirited, rebellious grandmother took Alder into the woods and introduced him to her ways—ways he has never been able to forget. Now, on the verge of taking the steps that will forge the path of his life, Alder discovers that the conflict between the Empire and the resistance is only the beginning of a war that will engulf both heaven and earth, gods and man—and he may be the key to final victory for whichever side can claim him as their own... “Sublime prose and pin-sharp characterisation combine to produce a captivating epic of conflicted loyalties and dangerous ambition.” —Anthony Ryan, New York Times bestselling author “The Hand of the Sun King is not the gentle story of a boy’s rise to power; instead, it digs its fingernails into the layers of an empire that would consume and erase half that boy’s identity. Brilliantly told and immediately engrossing, filled with magic, mistakes and their merciless consequences.” —Andrea Stewart, author of *The Bone Shard Daughter* “The Hand of the Sun King is an outstanding debut novel with very well-conceived world building and an excellent, original magic system, and twists that will keep you reading late into the night and guessing until the very end. The thing that really makes it shine is the main character—I really loved

his development throughout the story. Alder is a character I look forward to following for multiple books to come.” —Michael Mammay, author of the Planetside series “A great coming of age story about a foolish boy who seeks to unravel the secrets of magic and maybe do something good in the process. I absolutely loved it.” —Nick Martell, author of Kingdom of Liars “Well written, thought provoking and enjoyable, *The Hand of the Sun King* is an impressive debut novel that left me eager for more.” —Lisbeth Campbell, author of *The Vanished Queen* “A great debut novel.” —SFFWorld “A spellbinding debut with terrific characterisations, immersive world-building, and prose that swept me away ... hands down the best debut of the year. Scratch that; this is one of the best debuts I’ve ever read.” —Novel Notions “Exquisite ... Greathouse’s characterisation, his prose, and worldbuilding are an absolute triumph.” —The Fantasy Hive “An excellent mix of classic and modern fantasy with a grimdark undertone of despair.” —Grimdark Magazine “*The Hand of the Sun King* is an enjoyable novel that pays great homage to the traditions and mythologies it borrows from.” —Quill to Live “Teeming with culture, doused in war, political intrigue ... but strikes out its own path in the genre.” —FanFiAddict “Set in a fantastical world of magic with a rich history, this novel fits beautifully into its genre while also addressing some failings of the genre by turning them on their head.” —Dawn Vogel, *History That Never Was*

**The Political Trajectory of J.T. Murphy** Ralph Darlington, 1998-01-01 J. T. Murphy was one of the most important worker-intellectual figures of early twentieth-century British labor history. Using completely new and previously unpublished material (from the British Communist Party’s archives and the Russian Centre for the Preservation and Study of Recent History in Moscow), this book not only tells the fascinating story of Murphy’s political trajectory, but also provides a critical re-examination of the historical and social significance of the early British revolutionary movement in

which he played such a prominent role. Darlington adeptly details the formation and intricacies of Murphy's political thought... and rightly acknowledges Murphy's contribution to the British Labour movement.--Labour History Review

*Jeep Wrangler JL and Gladiator JT* Don Alexander, 2021-12-06 Learn your modification options for the most modern and exciting Jeeps! Going back to World War II, Jeeps have had a special place in America's heart. The utility vehicle that helped win the war transitioned into the civilian Jeep, or CJ, and the Jeep brand has had several owners over the years. While still remaining wildly popular, it has evolved. The Wrangler version of the Jeep was transformed with the release of the JK for the 2007 model year. With a more practical 4-door version, this Wrangler became a popular vehicle for year-round use, which appealed to off-roaders as well as soccer moms. For the 2017 model year, Jeep seriously upgraded the Wrangler, which is now dubbed the JL, and added an exciting new model, the Gladiator, or JT, which is essentially a pickup version of the Wrangler. In *Jeep Wrangler JL and Gladiator JT: Performance Modifications*, Jeep experts Don Alexander and Quinn Thomas introduce you to these new models and walk you through the capabilities and options for all of the trim levels. Then, they examine how to make these things better, system by system. Suspension, steering, and brakes are covered, as they are the heart of any off-road rig. Also examined are modification options for axles, driveshafts, and differentials as well as bumpers, armor, and protection. Of course, off-roaders need a quality winch, recovery gear, and upgraded electrics, so options are explored here as well. Wheels and tires are also very important for those leaving paved roads, and upgrade options for all of the trim levels and lift levels are covered thoroughly. Whether you want to build a JL or JT to be a serious rock crawler or simply look like you are going off-road, all

of your options are thoroughly explained in this book. Add a copy to your Jeep reference library.

In *No Bad Days*, JT details the incredible story of how he overcame what seemed like insurmountable odds and shares the many invaluable lessons he has learned throughout his life in the hope that others might reach their full potential. Party Like a Rockstar J.T. Harding, 2022-02-22 This fun and fast-paced rock-and-roll memoir from hit singer-songwriter J.T. Harding shows what it takes to go from South Detroit to the top of the Nashville charts. In PARTY LIKE A ROCKSTAR, J.T. Harding charts his life from a kid growing up in Michigan to a chart-topping songwriter living in Nashville and working with country music stars like Keith Urban and Kenny Chesney. As a kid playing rock n' roll in his parents' garage, Harding's was a world in which every taste of new music—from KISS to Prince and everyone in between—was a revelation. **The J.T. McIntosh Bundle** J.T. McIntosh, 2016-05-23 Includes One in Three Hundred: McIntosh's best work and one of the most human science fiction stories by anyone. ~Anthony Boucher Flight from Rebirth: In this world, no one can hide for two hours. Benny Rice has been hiding for twenty years. For billions of people, the Rebirth Institute holds the key to eternal life. But only a tiny minority--less than 1 percent--are selected for rebirth. Benny Rice isn't one of them. True, he's got all the necessary traits: compassion, health, energy, potential for creativity. But intelligence tests show he's a moron--automatically disqualifying him. And then, in the midst of a crisis that threatens more than Benny's life, his intelligence scores must be reexamined... And he's not exactly who he says he is. Transmigration: One man's terrifying journey out of his mind--and into many others! Fletcher was dying. But it wasn't that simple. His mind refused to follow his body; instead, it moved from brain to brain: young, old, healthy, ill, men, women. But now he found himself in the brain of Charles Searle, the twisted scientist who had altered Fletcher's mind, leaving him a disembodied personality. Fletcher now shared his brain. And Searle was dying. One in Three Hundred: He held their lives in his hands. Earth was doomed. Only ten people of every 3,000 would be taken to Mars to begin a new colony. For the rest, there awaited only death. Bill Easson was a nice, pleasant, straightforward guy. But as one of the pilots for the Mars expedition, he had to handpick the ten who would accompany him. Mobs surged through the streets, murder and mayhem was rampant...and the names on Easson's list changed again and again. He had to stay alive, get out of the city with his passengers, and get them to Mars on an untested ship. And the authorities had given him only a 60 percent chance. Noman's Way: Some win. Some lose. Some die. To keep the planet's population figures stable, Noman authorities devised the Sports--each a test of nerves, skill, and physical fitness. Those found proficient receive medals. Those found wanting, die. Sixty million

Nomans died each year in the Sports. Now a human telepath has been sent to Noman by the Universal Order Force. His assignment: Find out who's rigging the games. Before it's too late.
