

**Jacob**

**Stephenie Hovland**

**The Books of Jacob** Olga Tokarczuk, 2023-01-31 A NEW YORKER “ESSENTIAL READ” “Just as awe-inspiring as the Nobel judges claimed.” – The Washington Post “Olga Tokarczuk is one of our greatest living fiction writers. . . This could well be a decade-defining book akin to Bolaño’s 2666.” –AV Club “Sophisticated and ribald and brimming with folk wit. . . The comedy in this novel blends, as it does in life, with genuine tragedy.” –Dwight Garner, The New York Times

LONGLISTED FOR THE 2022 NATIONAL BOOK AWARD NAMED A BEST BOOK OF THE YEAR BY THE NEW YORK TIMES, THE WALL STREET JOURNAL, TIME, THE NEW YORKER, AND NPR The Nobel Prize–winner’s richest, most sweeping and ambitious novel yet follows the comet-like rise and fall of a mysterious, messianic religious leader as he blazes his way across eighteenth-century Europe. In the mid-eighteenth century, as new ideas—and a new unrest—begin to sweep the Continent, a young Jew of mysterious origins arrives in a village in Poland. Before long, he has changed not only his name but his persona; visited by what seem to be ecstatic experiences, Jacob Frank casts a charismatic spell that attracts an increasingly fervent following. In the decade to come,

Frank will traverse the Hapsburg and Ottoman empires with throngs of disciples in his thrall as he reinvents himself again and again, converts to Islam and then Catholicism, is pilloried as a heretic and revered as the Messiah, and wreaks havoc on the conventional order, Jewish and Christian alike, with scandalous rumors of his sect's secret rituals and the spread of his increasingly iconoclastic beliefs. The story of Frank—a real historical figure around whom mystery and controversy swirl to this day—is the perfect canvas for the genius and unparalleled reach of Olga Tokarczuk. Narrated through the perspectives of his contemporaries—those who revere him, those who revile him, the friend who betrays him, the lone woman who sees him for what he is—*The Books of Jacob* captures a world on the cusp of precipitous change, searching for certainty and longing for transcendence. In a nod to books written in Hebrew, *The Books of Jacob* is paginated in reverse, beginning on p. 955 and ending on p. 1 – but read traditionally, front cover to back.

**Jacob's Way** Gilbert Morris, 2008-05-05 Fleeing a bloody pogrom that threatens their tiny Russian village, Reisa Dimitri and her grandfather, Jacob, sail the ocean to a new life in America. They are swiftly embraced by New York's Jewish community. But

God has other plans that will call them far from the familiar warmth and ways of their culture.--Back cover.

**The First Book of Moses, Called Genesis** ,1999 Hailed as the most radical repackaging of the Bible since Gutenberg, these Pocket Canons give an up-close look at each book of the Bible.

Defending Jacob William Landay,2012-01-31 NEW YORK TIMES BESTSELLER • “A legal thriller that’s comparable to classics such as Scott Turow’s Presumed Innocent . . . tragic and shocking.”—Associated Press NOW AN EMMY-NOMINATED ORIGINAL STREAMING SERIES • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly • Boston Globe • Kansas City Star Andy Barber has been an assistant district attorney for two decades. He is respected. Admired in the courtroom. Happy at home with the loves of his life: his wife, Laurie, and their teenage son, Jacob. Then Andy’s quiet suburb is stunned by a shocking crime: a young boy stabbed to death in a leafy park. And an even greater shock: The accused is Andy’s own son—shy, awkward, mysterious Jacob. Andy believes in Jacob’s innocence. Any parent would. But the pressure mounts. Damning evidence. Doubt. A faltering marriage. The neighbors’ contempt. A murder trial that threatens to obliterate Andy’s family. It is the

ultimate test for any parent: How far would you go to protect your child? It is a test of devotion. A test of how well a parent can know a child. For Andy Barber, a man with an iron will and a dark secret, it is a test of guilt and innocence in the deepest sense. How far would you go? Praise for *Defending Jacob* “A novel like this comes along maybe once a decade . . . a tour de force, a full-blooded legal thriller about a murder trial and the way it shatters a family. With its relentless suspense, its mesmerizing prose, and a shocking twist at the end, it’s every bit as good as Scott Turow’s great *Presumed Innocent*. But it’s also something more: an indelible domestic drama that calls to mind *Ordinary People* and *We Need to Talk About Kevin*. A spellbinding and unforgettable literary crime novel.”—Joseph Finder “*Defending Jacob* is smart, sophisticated, and suspenseful—capturing both the complexity and stunning fragility of family life.”—Lee Child “Powerful . . . leaves you gasping breathlessly at each shocking revelation.”—Lisa Gardner “Disturbing, complex, and gripping, *Defending Jacob* is impossible to put down. William Landay is a stunning talent.”—Carla Neggers “Riveting, suspenseful, and emotionally searing.”—Linwood Barclay

Jacob Have I Loved Katherine Paterson, 2009-10-06 Katherine

Paterson's remarkable Newbery Medal-winning classic about a painful sibling rivalry, and one sister's struggle to make her own way, is an honest and daring portrayal of adolescence and coming of age. A strong choice for independent reading, both for summer reading and homeschooling, as well as in the classroom, *Jacob Have I Loved* has been lauded as a cornerstone young adult novel and was ranked among the all-time best children's novels in a survey published by *School Library Journal*. *Jacob have I loved, but Esau have I hated . . .* With her grandmother's taunt, Louise knew that she, like the biblical Esau, was the despised elder twin. Caroline, her selfish younger sister, was the one everyone loved. Growing up on a tiny Chesapeake Bay island, angry Louise reveals how Caroline has robbed her of everything: her hopes for schooling, her friends, her mother, even her name. While everyone pampers Caroline, Wheeze (her sister's name for her) begins to learn the ways of the watermen and the secrets of the island, especially of old Captain Wallace, who has mysteriously returned after fifty years. The war unexpectedly gives this independent girl a chance to fulfill her dream to work on the water alongside her father. But the dream does not satisfy the woman she is becoming. Alone and unsure, Louise begins to fight her way to a place for

herself outside her sister's shadow. But in order to do that, she must first figure out who she is...

*Isaac and Jacob* George Rawlinson, 1890

**The Sleepwalker's Guide to Dancing** Mira Jacob, 2014-01-01 Of all the family gatherings in her childhood, one stands out in Amina's memory. It is 1979, in Salem India, when a visit to her grandmother's house escalates into an explosive encounter, pitching brother against brother, mother against son. In its aftermath, Amina's father Thomas rushes his family back to their new home in America. And while at first it seems that the intercontinental flight has taken them out of harm's way, his decision sets off a chain of events that will forever haunt Thomas and his wife Kamala; their intellectually furious son, Akhil and the watchful young Amina. Now, twenty years later, Amina receives a phone call from her mother. Thomas has been acting strangely and Kamala needs her daughter back. Amina returns to the New Mexico of her childhood, where her mother has always filled silences with food, only to discover that getting to the truth is not as easy as going home. Confronted with Thomas's unwillingness to talk, Kamala's Born Again convictions, and the suspicion that not everything is what it seems, Amina finds herself at the centre of a

mystery so tangled that to make any headway, she has to excavate her family's painful past. And in doing so she must lay her own ghosts to rest.

### **Jacob's Story as Christian Scripture Philip H. Kern, 2021-01-06**

Jacob is all too often underappreciated in works on biblical theology. He nevertheless stands squarely in the line of promise and is the man who becomes Israel. His blessings come not because he is virtuous but because God remains faithful. In this, his story contributes to the themes of Genesis and of the Pentateuch as a whole, and extends into the life of the church. Jacob's Story as Christian Scripture begins with a reading of Genesis 25 to 35, and then moves beyond the boundaries of Genesis to track the words he pronounces over his twelve sons. Jacob's blessings give shape to Balaam's oracles and ultimately to subsequent prophecies concerning the lion of the tribe of Judah. Prophetic appropriation of Jacob's story, presented here via a fresh investigation of OT passages from Jeremiah, Obadiah, Micah, and others, includes troubling elements of Jacob's character to indict the nation—in the hope that God's people, like the patriarch, will stop being Jacob and become Israel.

### **The Unthinkable Thoughts of Jacob Green Joshua**

Braff,2004-01-01 Jacob Green, a young Jewish boy growing up in 1970s suburban New Jersey, struggles to deal with his fear of disappointing and yearning to escape the demands and expectations of his tyrannical and narcissistic father, Abram. A first novel.

*Jacob* Yair Zakovitch,2012-10-30 DIV A powerful hero of the Bible, Jacob is also one of its most complex figures. Bible stories recounting his life often expose his deception, lies, and greed—then, puzzlingly, attempt to justify them. In this book, eminent biblical scholar Yair Zakovitch presents a complete view of the patriarch, first examining Jacob and his life story as presented in the Bible, then also reconstructing the stories that the Bible writers suppressed—tales that were well-known, perhaps, but incompatible with the image of Jacob they wanted to promote. Through a work of extraordinary “literary archaeology,” Zakovitch explores the recesses of literary history, reaching back even to the stage of oral storytelling, to identify sources of Jacob's story that preceded the work of the Genesis writers. The biblical writers were skilled mosaic-makers, Zakovitch shows, and their achievement was to reshape diverse pre-biblical representations of Jacob in support of their emerging new religion and identity. As the author

follows Jacob in his wanderings and revelations, his successes, disgraces, and disappointments, he also considers the religious and political environment in which the Bible was written, offering a powerful explication of early Judaism. /div

*Good Talk* Mira Jacob, 2019-03-26 NATIONAL BESTSELLER • A “beautiful and eye-opening” (Jacqueline Woodson), “hilarious and heart-rending” (Celeste Ng) graphic memoir about American identity, interracial families, and the realities that divide us, from the acclaimed author of *The Sleepwalker’s Guide to Dancing*. ONE OF THE TEN BEST BOOKS OF THE YEAR: Chicago Tribune, The New York Public Library, Publishers Weekly • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, Time, BuzzFeed, Esquire, Literary Journal, Kirkus Reviews “How brown is too brown?” “Can Indians be racist?” “What does real love between really different people look like?” Like many six-year-olds, Mira Jacob’s half-Jewish, half-Indian son, Z, has questions about everything. At first they are innocuous enough, but as tensions from the 2016 election spread from the media into his own family, they become much, much more complicated. Trying to answer him honestly, Mira has to think back to where she’s gotten her own answers: her most formative conversations about race, color,

sexuality, and, of course, love. Written with humor and vulnerability, this deeply relatable graphic memoir is a love letter to the art of conversation—and to the hope that hovers in our most difficult questions. **LONGLISTED FOR THE PEN/OPEN BOOK AWARD** “Jacob’s earnest recollections are often heartbreaking, but also infused with levity and humor. What stands out most is the fierce compassion with which she parses the complexities of family and love.”—Time “Good Talk uses a masterful mix of pictures and words to speak on life’s most uncomfortable conversations.”—io9 “Mira Jacob just made me toss everything I thought was possible in a book-as-art-object into the garbage. Her new book changes everything.”—Kiese Laymon, New York Times bestselling author of *Heavy*

Crazy Jacob Jim Ware, 2000 Andrew just wants his father back, but Jacob has been acting strange and violent. Will the Rabbi Jesus be able to cure him? Ages 8-12. Focus on the Family □

**Jacob Persinger ,**

**Isaac Blesses Jacob and Esau** Stephenie Hovland, 2011 The Arch Book series tells popular Bible stories through fun-to-read rhymes and bright illustrations. This well-loved series captures the

attention of children, telling scripturally sound stories that are enjoyable and easy to remember.

**Jacob's Sons** George Laurens Petrie, 1910

*Jacob's Hands* Christopher Isherwood, Aldous

Huxley, 2015-11-03 Jacob Ericson is a quiet, kind and somewhat simple man who works as a ranch hand for crotchety Professor Carter and his crippled daughter, Sharon, in California's Mojave Desert in the 1920s. Jacob is a good man, genuine, honorable, but hardly extraordinary—until he miraculously heals a dying calf with his hands. However, while he is content to cure the town's animals, it isn't long before he is persuaded to use his gift in other ways. When Sharon, whom he adores, begs him to heal her leg, he cannot deny her. His acquiescence causes them both to be exploited. Sharon runs away to Los Angeles to pursue her dreams of stardom. Jacob follows her, hopeful that they will meet again. And they do—as miserable performers in a seedy stage show. While they plan their escape from the dreary stage life, Jacob is asked to heal a self-absorbed young millionaire. And with his assent, Jacob's plans and all of his dreams begin to crumble. Written in tight, vivid, and seamlessly crafted prose, this previously unpublished tale by two of the greatest storytellers of the twentieth

century shows the dangers a magical gift holds for even the noblest of characters.

**Jacob's Journey** Noah BenShea,1991 A tale of wisdom and compassion that follows Jacob the Baker on a journey to restore inner peace ; sequel to Jacob the baker.

Explore the Bible: Genesis--The Life of Jacob - Bible Study Book Charles Kelley,2018-10 Explore the life of Jacob and discover ways God can use us, like Jacob, to accomplish His purpose in the world in spite of our sinfulness.

**Jacob Hunter and the Golden Compass** J.P. Lewis,2023-02-02 The second installment of The Jacob Hunter Series follows Jacob and his friends as they search for an ancient relic that has been missing for two thousand years. If they are unable to locate and retrieve it and the Grigori can find it, the world will suffer unspeakable evil. A bond is discovered when Jacob finds the second most direct descendant, a bond that is strong enough to save Jacob's life. In the process, Jacob learns his true power when he becomes one with his God. The descendants uncover a plan the Grigori are using to destroy them and take over the world. In the end, the world will see the true power of God.

**How to Think** Alan Jacobs,2017-10-17 Absolutely splendid . . .

essential for understanding why there is so much bad thinking in political life right now. —David Brooks, New York Times

*How to Think* is a contrarian treatise on why we're not as good at thinking as we assume—but how recovering this lost art can rescue our inner lives from the chaos of modern life. As a celebrated cultural critic and a writer for national publications like *The Atlantic* and *Harper's*, Alan Jacobs has spent his adult life belonging to communities that often clash in America's culture wars. And in his years of confronting the big issues that divide us—political, social, religious—Jacobs has learned that many of our fiercest disputes occur not because we're doomed to be divided, but because the people involved simply aren't thinking. Most of us don't want to think. Thinking is trouble. Thinking can force us out of familiar, comforting habits, and it can complicate our relationships with like-minded friends. Finally, thinking is slow, and that's a problem when our habits of consuming information (mostly online) leave us lost in the spin cycle of social media, partisan bickering, and confirmation bias. In this smart, endlessly entertaining book, Jacobs diagnoses the many forces that act on us to prevent thinking—forces that have only worsened in the age of Twitter, “alternative facts,” and information overload—and he also dispels the many myths we hold

about what it means to think well. (For example: It's impossible to "think for yourself.") Drawing on sources as far-flung as novelist Marilynne Robinson, basketball legend Wilt Chamberlain, British philosopher John Stuart Mill, and Christian theologian C.S. Lewis, Jacobs digs into the nuts and bolts of the cognitive process, offering hope that each of us can reclaim our mental lives from the impediments that plague us all. Because if we can learn to think together, maybe we can learn to live together, too.

This is likewise one of the factors by obtaining the soft documents of this **Jacob** by online. You might not require more time to spend to go to the ebook launch as capably as search for them. In some cases, you likewise pull off not discover the revelation Jacob that you are looking for. It will very squander the time.

However below, subsequent to you visit this web page, it will be suitably certainly easy to acquire as skillfully as download lead Jacob

It will not resign yourself to many time as we explain before. You
