DK Eyewitness

Japan Rising Kenneth Pyle,2009-04-27 Japan is on the verge of a sea change. After more than fifty years of national pacifism and isolation including the lost decade of the 1990s, Japan is quietly, stealthily awakening. As Japan prepares to become a major player in the strategic struggles of the 21st century, critical questions arise about its motivations. What are the driving forces that influence how Japan will act in the international system? Are there recurrent patterns that will help explain how Japan will respond to the emerging environment of world politics? American understanding of Japanese character and purpose has been tenuous at best. We have repeatedly underestimated Japan in the realm of foreign policy. Now as Japan shows signs of vitality and international engagement, it is more important than ever that we understand the forces that drive Japan. In *Japan Rising*, renowned expert Kenneth Pyle identifies the common threads that bind the divergent strategies of modern Japan, providing essential reading for anyone seeking to understand how Japan arrived at this moment—and what to expect in the future.

Lonely Planet Japan Lonely Planet,Chris Rowthorn,Craig McLachlan,2015-09-01 Lonely Planet: The world's leading travel guide publisher Lonely PlanetJapan is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Shop and dine in electric Tokyo, explore Kyoto's stunning temples and gardens, or hike the majestic Japan Alps; all with your trusted travel companion. Inside Lonely Planet's Japan Travel Guide: Colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - hours of operation, phone numbers, websites, transit tips, prices Honest reviews for all budgets - eating, sleeping, sight-seeing, going out, shopping, hidden gems that most guidebooks miss Cultural insights give you a richer, more rewarding travel experience - including history, art, architecture, literature, cuisine, sake, onsen (hot springs), customs and etiquette, language and more Free, convenient pull-out Tokyo map (included in print version), plus over 148 colour maps Covers Tokyo, Mt Fuji, Kyoto, Osaka, Kansai, the Japan Alps, Hokkaido, Northern Honshu (Tohoku), Okinawa & the Southwest Islands, Kyushu, Shikoku, and more The Perfect Choice: Lonely Planet Japan, our most comprehensive guide to Japan, is perfect for both exploring top sights and taking roads less travelled. Looking for just the highlights of Japan? Check out Lonely Planet's Discover Japan, a photo-rich guide to the country's most popular attractions. Looking for a guide focused on Tokyo or Kyoto? Check out Lonely Planet's Tokyo guide and Kyoto guide for a comprehensive look at what each of these cities has to offer; or Lonely Planet's Pocket Tokyo, a handy-sized guide focused on the can't-miss sights for a quick trip. Authors: Written and researched by Lonely Planet. About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves.

Beautiful World Japan Lonely Planet,2019-05-01 Delve inside the myriad landscapes of Japan with this stunning collection of photographs and discover the nation's extraordinary diversity of places, people and experiences - from moments in awe-inspiring cities to quiet escapes in remote, exotic corners. Beautiful World Japan is the perfect way to lose yourself in the country. Striking photos fill each page, while special gatefolds open to reveal magnificent panoramas. If you've been, retrace your steps and relive the time you spent there. If you haven't, this book is the perfect way to start planning an adventure. We've divided the contents into states and territories. Begin your journey in Hokkaido, Japan's northernmost island, a place of hot springs, wilderness, forests and volcanoes, before moving through the country to the southern island of Okinawa, home to amazing cuisine, unique traditions and turquoise waters. On this journey you'll find powdered ski resorts, snow-covered national parks, indigenous animals and birds, gorges and dramatic waterfalls. You'll then discover sprawling neon jungles, Tokyo in cherry blossom season, ancient temples of Kyoto, powerful memorials, lush rice fields and delectable cuisine. About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveller since 1973. Over the past four decades, we've printed over 145 million guidebooks and grown a dedicated, passionate global community of travellers. You'll also find our content online, on mobile, video and in 14 languages, 12 international magazines, armchair and lifestyle books, ebooks, and more. Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

Japan and North America: The postwar Ellis S. Krauss,Benjamin Nyblade,2004 This collection makes available key articles on the Japan-North American relationship from the Meiji era to the present. Volume one focuses on the necessity of Japanese modernization post-1868 and examines the build-up to the Japanese bombing of Pearl Harbour. Volume two looks at the post-war period, in which US forces occupied Japan and were instrumental in its rebuilding as an economic superpower. In the years following this Japan and North America enjoyed a close yet occasionally fraught relationship, as competitors and allies. Volume two also examines the cultural ramifications of the influence of North America on Japan, and vice versa. Titles also available in this series include, Japan and South East Asia: International Relations (2001, 2 volumes, 295) and the forthcoming title Japanese Linguistics (2005, 3 volumes, c.425).

A Beginner's Guide to Japan Pico Iyer,2019-09-03 “Arguably the greatest living travel writer” (Outside magazine), Pico Iyer has called Japan home for more than three decades. But, as he is the first to admit, the country remains an enigma even to its long-term residents. In *A Beginner's Guide to Japan*, Iyer draws on his years of experience—his travels, conversations, readings, and reflections—to craft a playful and profound book of surprising, brief, incisive glimpses into Japanese culture. He recounts his adventures and observations as he travels from a meditation hall to a love hotel, from West Point to Kyoto Station, and from dinner with Meryl Streep to an ill-fated call to the Apple service center in a series of provocations guaranteed to pique the interest and curiosity of those who don't know Japan—and to remind those who do of its myriad fascinations.

REIMAGINING JAPAN Brian Salsberg,Clay Chandler,Heang Chhor,2011-07-12 REIMAGINING JAPAN: Contributors to this volume include some of the world's most brilliant thinkers from fields as diverse as business, politics, academia, science and technology, journalism and art and design. In the aftermath of the earthquake, tsunami and nuclear crisis of March 2011, Japan has become a bigger part of the world's consciousness than it has been for years. But Japan also is grappling with other problems that, over the long run, pose a much greater challenge to its national well-being than the devastation in Tohoku.... How can the country compete with a rising China? Cope with a fast-aging society? Deal with its enormous debt? Rediscover its entrepreneurial verve? Regain its position as a leader in technology and innovation? In *Reimagining Japan*, McKinsey & Company, the world's top management consulting firm, asked more than 80 global leaders and experts to consider these questions. In essays brimming with insight, affection and occasional humor, the authors offer their assessments of Japan's past, present and --most important-- future. What sets *Reimagining Japan* apart is the breadth and diversity of its contributors. They range from Fortune 500 CEOs to acclaimed writers (including three Pulitzer Prize winners) to a star videogame creator, a soccer coach, a school principal and a manga artist. There has not been such a comprehensive book about Japan in the past generation - and perhaps ever. NOTABLE CONTRIBUTORS Bernard Arnault, Ian Buruma, Gerald Curtis, John Chambers, Steven Covey, John Dower, Bill Emmott, Victor Fung, Carlos Ghosn, Pico Iyer, Bob McDonald, Stephen Roach, Masahiro Sakane, Masayoshi Son, Howard Schultz, Klaus Schwab, Bobby Valentine, Steve Van Andel, Ezra Vogel, Robert Whiting, Tadashi Yanai and more than 50 others.

Multiethnic Japan John Lie,2009-07 Multiethnic Japan challenges the received view of Japanese society as ethnically homogeneous. Employing a wide array of arguments and evidence--historical and comparative, interviews and observations, high literature and popular culture--John Lie recasts modern Japan as a thoroughly multiethnic society. Lie casts light on a wide range of minority groups in modern Japanese society, including the Ainu, Burakumin (descendants of premodern outcasts), Chinese, Koreans, and Okinawans. In so doing, he depicts the trajectory of modern Japanese identity. Surprisingly, Lie argues that the belief in a monoethnic Japan is a post-World War II phenomenon, and he explores the formation of the monoethnic ideology. He also makes a general argument about the nature of national identity, delving into the mechanisms of

social classification, signification, and identification.

The Monocle Book of Japan Tyler Brûlé, Andrew Tuck, Joe Pickard, 2020 The Monocle team celebrates the endlessly fascinating and culturally rich country of Japan.

Japan, who Governs? Chalmers Johnson, 1995 The godfather of Japanese revisionism, author of MITI and the Japanese Miracle and president of the Japan Policy Research Institute explains how—and why—Japan has become a world power in the past 25 years. Johnson lucidly explains here how the Japanese economy will thrive as it moves from a producer-dominated economy to a consumer-oriented headquarters for all of East Asia.

New Directions in the Study of Meiji Japan Helen Hardacre, Adam Lewis Kern, 1997 These essays on Meiji Japan, written by scholars from nine nations, reflect a determination to destabilize existing paradigms in the social sciences and humanities, in favor of a multiplicity of perspectives that privilege subjectivity and the inclusion of non-elite groups.

Precarious Japan Anne Allison, 2014-02-04 In an era of irregular labor, nagging recession, nuclear contamination, and a shrinking population, Japan is facing precarious times. How the Japanese experience insecurity in their daily and social lives is the subject of Precarious Japan. Tacking between the structural conditions of socioeconomic life and the ways people are making do, or not, Anne Allison chronicles the loss of home affecting many Japanese, not only in the literal sense but also in the figurative sense of not belonging. Until the collapse of Japan's economic bubble in 1991, lifelong employment and a secure income were within reach of most Japanese men, enabling them to maintain their families in a comfortable middle-class lifestyle. Now, as fewer and fewer people are able to find full-time work, hope turns to hopelessness and security gives way to a pervasive unease. Yet some Japanese are getting by, partly by reconceiving notions of home, family, and togetherness.

The Rough Guide to Japan: Travel Guide eBook Rough Guides, 2024-02-01 This Japan guidebook is perfect for independent travellers planning a longer trip. It features all of the must-see sights and a wide range of off-the-beaten-track places. It also provides detailed practical information on preparing for a trip and what to do on the ground. Each guide includes expert-led insights into the world's most famous countries and cities, things to do and places to stay. Other books in the series include Eyewitness Tokyo and Eyewitness Croatia.

The US-Japan Alliance in the 21st Century Fumio Ota, 2021-11-22 The year 2004 marked the 150th anniversary of the signing of the first treaty of peace and amity (Treaty of Kanagawa) between the United States and Japan. The author offers a significant Japanese view of the alliance, explores the history, but also poses the question what the relationship will be for the next fifty years.

Japan in World History James L. Huffman, 2010-02-04 Japan in World History ranges from Japan's prehistoric interactions with Korea and China, to the Western challenge of the late 1500s, the partial isolation under the Tokugawa family (1600-1868), and the tumultuous interactions of more recent times, when Japan modernized ferociously, turned imperialist, lost a world war, then became the world's second largest economy—and its greatest foreign aid donor. Writing in a lively fashion, Huffman makes rich use of primary sources, illustrating events with comments by the people who lived through them: tellers of ancient myths, court women who dominated the early literary world, cynical priests who damned medieval materialism, travelers who marveled at indecent Western ballroom dancers in the mid-1800s, and the emperor who justified Pearl Harbor. Without ignoring standard political and military events, the book illuminates economic, social, and cultural factors; it also examines issues of gender as well as the roles of commoners, samurai, business leaders, novelists, and priests.

The Cambridge History of Japan John Whitney Hall, Donald H. Shively, 1988 This volume provides the most comprehensive treatment in Western literature of the Heian period, the Japanese imperial court's golden age.

Myths & Legends of Japan Frederick Hadland Davis, 1919

Japan Report , 1977

Japan Bobbie Kalman, 2008-09 A colorful and informative book on Japan's geographical characteristics as well as its customs and industries.

Shutting Out the Sun Michael Zielenziger, 2007-09-04 The world's second-wealthiest country, Japan once seemed poised to overtake America as the leading global economic powerhouse. But the country failed to recover from the staggering economic collapse of the early 1990s. Today it confronts an array of disturbing social trends, notably a population of more than one million hikikomori: the young men who shut themselves in their rooms, withdrawing from society. There is also a growing numbers of “parasite singles”: single women who refuse to leave home, marry, or bear children. In this trenchant investigation, Michael Zielenziger argues that Japan's tradition-steeped society, its aversion to change, and its distrust of individuality are stifling economic revival, political reform, and social evolution. Shutting Out the Sun is a bold explanation of Japan's stagnation and its implications for the rest of the world.

Getting the books **Japan** now is not type of challenging means. You could not abandoned going afterward books stock or library or borrowing from your links to gate them. Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Japan has opened up a world of possibilities. Downloading Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Japan Books

What is a Japan PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Japan PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Japan PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Japan PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Japan PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
