

Japanese

Takie Sugiyama Lebra

Kokoro Lafcadio Hearn, 2012-12-20 The 15 classic essays collected in *Kokoro* examine the inner spiritual life of Japan. The title itself can be translated as heart, spirit or inner meaning, and that's exactly what this collection teaches us about Japan. Sometimes touching and always compelling, the writings here tell the stories of the people and social codes that make Japan the unique place it is. *Kimiko* paints the portrait of a beautiful geisha; *By Force of Karma* tells the story of a Buddhist monk; and in *A Conservative*, we come to know the thoughts and actions of a Samurai. As an early interpreter of Japan to the West, Lafcadio Hearn was without parallel in his time. His numerous books about that country were read with a fascination that was a tribute to his keen powers of observation and the vividness of his descriptions. Today, even though Japan has changed greatly from what it was when he wrote about it, his writing is still valid, for it captures the essence of the country--an essence that has actually changed a good deal less than outward appearances might suggest. In a word, the Japanese character and the Japanese tradition are still fundamentally the same as Hearn found them to be, and for this reason, his books are still extremely revealing to readers in the West.

Being Japanese American Gil Asakawa, 2015-08-17 This entertaining compendium is a celebration of Japanese American history and heritage. While detailing favorite foods, customs, words, games, and holidays, it explores the painful history of immigration and WWII internment, with suggestions for connecting to your Japanese American community and passing on traditions across generations and into intermarried families. This revised edition has fresh interviews with Japanese Americans about their life experiences and explores contemporary Japanese pop culture like anime and J-pop, with information on traveling to visit your Japanese roots and lists of resources on the Web and social media. Gil Asakawa lives in Denver, Colorado, and is a nationally known journalist, editor, author, speaker, and blogger focusing on Japanese and Asian American issues.

Japanese Culture and Behavior Takie Sugiyama Lebra, William P. Lebra, 1986-08-01 Every chapter offers insights into one aspect or other of contemporary Japanese life. Newly included are discussions on such topics as dinner entertainment, skiing cross-culturally, male chauvinism as a manifestation of love in marriage, and domestic violence. Ten chapters have been retained from the first edition because they have achieved the status of classics.

Norwegian Wood Haruki Murakami, 2010-08-11 From the bestselling author of *Kafka on the Shore*: A magnificent coming-of-age story steeped in nostalgia, "a masterly novel" (The New York Times Book Review) blending the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love. Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, *Norwegian Wood* first propelled Haruki Murakami into the forefront of the literary scene.

Japanese Women Takie Sugiyama Lebra, 1985-08-01 Japan, a decade behind the United States, is now expressing its awareness of women as a major social issue. This awareness manifests itself in floods of publications, television coverage, the burgeoning of women's studies groups, court rulings interfering with sex discrimination, appointments of women to prominent positions thus far reserved exclusively for men, admission of women to such institutions as the Self Defense Forces, police, athletics, and so on.

Kafka on the Shore Haruki Murakami, 2005-01-18 NATIONAL BESTSELLER • From the New York Times bestselling author of *The Wind-Up Bird Chronicle* and one of the world's greatest storytellers comes an insistently metaphysical mind-bender" (The New Yorker) about a teenager on the run and an aging simpleton. Now with a new introduction by the author. Here we meet 15-year-old runaway Kafka Tamura and the elderly Nakata, who is drawn to Kafka for reasons that he cannot fathom. As their paths converge, acclaimed author Haruki Murakami enfolds readers in a world where cats talk, fish fall from the sky, and spirits slip out of their bodies to make love or commit murder, in what is a truly remarkable journey. "As powerful as *The Wind-Up Bird Chronicle*.... Reading Murakami ... is a

striking experience in consciousness expansion.” —The Chicago Tribune

The Chrysanthemum and the Sword Ruth Benedict, 2005 Essential reading for anyone interested in Japanese culture, this unsurpassed masterwork opens an intriguing window on Japan. Benedict's World War II-era study paints an illuminating contrast between the culture of Japan and that of the United States. *The Chrysanthemum and the Sword* is a revealing look at how and why our cultures differ, making it the perfect introduction to Japanese history and customs.

From Japs to Japanese Dennis M. Ogawa, 1971

Jews in the Japanese Mind David G. Goodman, Masanori Miyazawa, 2000 Why are the Japanese fascinated with the Jews? By showing that the modern attitude is the result of a process of accretion begun 200 years ago, this book describes the development behind Japanese ideas of Jews and how these images are reflected in their modern intellectual life

Japanese Knitting Stitches from Tokyo's Kazekobo Studio Yoko Hatta, 2019-08-20 This exciting new Japanese stitch dictionary is from popular designer Yoko Hatta--the founder and driving force behind the Kazekobo Studio. Though this is her first book in English, her work already has an extensive following in Western countries--more than 1,000 of her designs can be seen on Ravelry.com. Hatta is one of several Japanese knitters whose patterns and designs have sparked an explosion of interest in Japanese knitting techniques and aesthetics around the world. Her work in knitwear design spans more than thirty years, and knitters love her modern-yet-timeless, fun-yet-classy styles. This book presents her 200 favorite Kazekobo stitch patterns--a delightful selection of multipurpose knit-and-purl, lace, cable, Aran and rib & twist stitches in solids and motifs. Sample projects give knitters a chance to practice Hatta's techniques. These include: Mini mufflers using knit-and-purl stitches A cozy scallop-edged scarf using lace stitches A beautifully textured pair of mittens using cable and Aran stitches A stylish and sturdy pair of two-tone socks using rib and twist stitches Experienced knitters will find a wealth of unique patterns just waiting to be brought to life. A guide to the basic symbols shows how to knit the stitches, step-by-step. Originally published in Japanese by Nihon Vogue, whose books have brought the designs of artists such as Hitomi Shida, Keiko Okamoto and others to knitters around the world, this book will be a much-anticipated addition to every knitter's library.

The Phonetics of Japanese Language P M Suski, 2010-10-18 This book gives true characters of Japanese speech sounds in reference to European speech sounds. When it was first published in 1931, it was the first book of its kind. There are only 5 Japanese vowel elements as opposed to 18 in English, 13 in French and 8 in German. There are 15 Japanese consonants, 26 in English, 22 in French & 23 in German. Because of the lesser number of elements, it follows that the wider range in vowels and consonants is heard by Japanese ears, so this volume gives average sounds uttered by Japanese in the twentieth century in relation to the English sounds.

Japanese in America Elias Manchester Boddy, 1921 It is inconceivable that fewer than 100,000 Japanese, willing to work exceedingly long hours at the hardest of tasks for economic success, could create an international problem. Yet at the present time, such a problem seems to exist. It is the belief of the author that were the average American to know the exact facts of the Japanese American situation, there would be no problem. A full understanding by the public is not at all difficult to arrive at, providing the facts and not propaganda are furnished. A certain section of the American Press has singled out the Japanese for vilification, abuse and slander, for the sole purpose of increasing its circulation by sensational methods. We find the people of California constantly harassed by Anti-Japanese Propaganda, while the rest of the nation looks on, expressing only a nominal interest, and that more in the skill with which the propagandists have plied their art, than in the subject of their discussion. The purpose of the author in the present volume is to present as concisely as possible the history of the diplomatic, industrial, and social relations between Japan and the United States, to review the actual conditions in California, and to present as fully as possible an account of the various forces and interests vitally concerned with the campaign of propaganda which has been and is now being waged. The author is indebted to McMasters' History of the People of the United States, Harper's Encyclopedia of United States History, A History of the Japanese People, by Capt. F. Brinkley

(Encyclopedia Britannica); the Japanese Association of America, and Mr. K. Kanzaki.--Introduction.

Rediscovering America Peter Duus, Kenji Hasegawa, 2011-09-01 In this extraordinary collection of writings, covering the period from 1878 to 1989, a wide range of Japanese visitors to the United States offer their vivid, and sometimes surprising perspectives on Americans and American society. Peter Duus and Kenji Hasegawa have selected essays and articles by Japanese from many walks of life: writers and academics, bureaucrats and priests, politicians and journalists, businessmen, philanthropists, artists. Their views often reflect power relations between America and Japan, particularly during the wartime and postwar periods, but all of them dealt with common themes—America's origins, its ethnic diversity, its social conformity, its peculiar gender relations, its vast wealth, and its cultural arrogance—making clear that while Japanese observers often regarded the U.S. as a mentor, they rarely saw it as a role model.

Japanese Foodways, Past and Present Stephanie Assmann, Eric C. Rath, 2010 Spanning nearly six hundred years of Japanese food culture, *Japanese Foodways, Past and Present* considers the production, consumption, and circulation of Japanese foods from the mid-fifteenth century to the present day in contexts that are political, economic, cultural, social, and religious. Diverse contributors—including anthropologists, historians, sociologists, a tea master, and a chef—address a range of issues such as medieval banquet cuisine, the tea ceremony, table manners, cookbooks in modern times, food during the U.S. occupation period, eating and dining out during wartimes, the role of heirloom vegetables in the revitalization of rural areas, children's lunches, and the gentrification of blue-collar foods. Framed by two reoccurring themes—food in relation to place and food in relation to status—the collection considers the complicated relationships between the globalization of foodways and the integrity of national identity through eating habits. Focusing on the consumption of Western foods, heirloom foods, once-taboo foods, and contemporary Japanese cuisines, *Japanese Foodways, Past and Present* shows how Japanese concerns for and consumption of food has relevance and resonance with other foodways around the world. Contributors are Stephanie Assmann, Gary Soka Cadwallader, Katarzyna Cwiertka, Satomi Fukutomi, Shoko Higashiyotsuyanagi, Joseph R. Justice, Michael Kinski, Barak Kushner, Bridget Love, Joji Nozawa, Tomoko Onabe, Eric C. Rath, Akira Shimizu, George Solt, David E. Wells, and Miho Yasuhara.

100 Poems from the Japanese, 1955-06-17 It is remarkable that any Westerner—even so fine a poet as Kenneth Rexroth—could have captured in translation so much of the subtle essence of classic Japanese poetry: the depth of controlled passion, the austere elegance of style, the compressed richness of imagery. The poems are drawn chiefly from the traditional Manyōshū, Kokinshū and Hyakunin Isshū collections, but there are also examples of haiku and other later forms. The sound of the Japanese texts is reproduced in Romaji script and the names of the poets in the calligraphy of Ukai Uchiyama. The translator's introduction gives us basic background on the history and nature of Japanese poetry, which is supplemented by notes on the individual poets and an extensive bibliography.

Ikigai Héctor García, Francesc Miralles, 2017-08-29 INTERNATIONAL BESTSELLER • 1.5 MILLION+ COPIES SOLD WORLDWIDE “Workers looking for more fulfilling positions should start by identifying their ikigai.” —Business Insider “One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life.” —Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. “Only staying active will make you want to live a hundred years.” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world's longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you're good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It's the reason we get up in the morning. It's also the reason many Japanese never really retire (in fact there's no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they've found a real purpose in life—the happiness of always being busy. In researching this book, the

authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world's Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn't want to find happiness in every day?

Japanese Fairy Tales Yei Theodora Ozaki, 2023-07-19 This collection of Japanese fairy tales is the outcome of a suggestion made to me indirectly through a friend by Mr. Andrew Lang. They have been translated from the modern version written by Sadanami Sanjin. These stories are not literal translations, and though the Japanese story and all quaint Japanese expressions have been faithfully preserved, they have been told more with the view to interest young readers of the West than the technical student of folk-lore. Grateful acknowledgment is due to Mr. Y. Yasuoka, Miss Fusa Okamoto, my brother Nobumori Ozaki, Dr. Yoshihiro Takaki, and Miss Kameko Yamao, who have helped me with translations. The story which I have named "The Story of the Man who did not Wish to Die" is taken from a little book written a hundred years ago by one Shinsui Tamenaga. It is named Chosei Furo, or "Longevity." "The Bamboo-cutter and the Moon-child" is taken from the classic "Taketari Monogatari," and is NOT classed by the Japanese among their fairy tales, though it really belongs to this class of literature. The pictures were drawn by Mr. Kakuzo Fujiyama, a Tokio artist. In telling these stories in English I have followed my fancy in adding such touches of local color or description as they seemed to need or as pleased me, and in one or two instances I have gathered in an incident from another version. At all times, among my friends, both young and old, English or American, I have always found eager listeners to the beautiful legends and fairy tales of Japan, and in telling them I have also found that they were still unknown to the vast majority, and this has encouraged me to write them for the children of the West...FROM THE BOOKS.

Japanese Harriet Milles, 2013-01-17 This book looks at Japanese, and examines where it is spoken, who speaks it, what alphabet the language is written in, and other interesting facts. The book also includes introductions on how to say key phrases in Japanese, such as how to say hello and goodbye, or talk about your home, school, and family. A pronunciation guide at the back of the book explains how to pronounce the Japanese words used throughout the book.

Japanese for Professionals: Revised (Enhanced with Audio) AJALT, 2021-03-03 From the authors of the best-selling Japanese for Busy People series comes a must have for intermediate and advanced learners who want to focus on building business Japanese language skills. The Association for Japanese-Language Teaching (AJALT), renowned for its Japanese for Busy People series, has developed a comprehensive course for students who need to use Japanese in a real-life business environment. Almost a decade after its first edition, Japanese for Professionals has been revised and updated to reflect current business scenes. Moreover, learners can now practice their listening skills with the newly added audio for the dialogues and exercises from the text. Eight lessons introduce common business situations with the emphasis on how to communicate with Japanese colleagues and clients. Each lesson is consisted with two parts: Part 1 is set to observe the dialogue and Part 2 is set to further enhance comprehension of the dialogue with exercises. Precise definitions for all new vocabulary and lucid explanations of grammar, idioms, and cultural differences provide the reader with powerful communication tools for the office. Exercises and quizzes have been included to help students check their progress. Busy professionals will find the bilingual glossaries a useful reference even after completing all the lessons in this clear and extremely helpful textbook. Japanese for Professionals is specially designed for learners who are familiar with basic Japanese and ideally be at level N2 or N3 of JLPT, Japanese-Language Proficiency Test.

Teika Paul S. Atkins, 2017-02-28 Fujiwara no Teika (1162-1241) was born into an illustrious lineage of poets just as Japan's ancien régime was ceding authority to a new political order dominated by military power. Overcoming personal and political setbacks, Teika and his allies championed a new style of poetry that managed to innovate conceptually and linguistically within the narrow confines of the waka tradition and the limits of its thirty-one syllable form. Backed by powerful patrons, Teika

emerged finally as the supreme arbiter of poetry in his time, serving as co-compiler of the eighth imperial anthology of waka, Shin Kokinshū (ca. 1210) and as solo compiler of the ninth. This first book-length study of Teika in English covers the most important and intriguing aspects of Teika's achievements and career, seeking the reasons behind Teika's fame and offering distinctive arguments about his oeuvre. A documentary biography sets the stage with valuable context about his fascinating life and times, followed by an exploration of his "Bodhidharma style," as Teika's critics pejoratively termed the new style of poetry. His beliefs about poetry are systematically elaborated through a thorough overview of his writing about waka. Teika's understanding of classical Chinese history, literature, and language is the focus of a separate chapter that examines the selective use of kana, the Japanese phonetic syllabary, in Teika's diary, which was written mainly in kanbun, a Japanese version of classical Chinese. The final chapter surveys the reception history of Teika's biography and literary works, from his own time into the modern period. Sometimes venerated as demigod of poetry, other times denigrated as an arrogant, inscrutable poet, Teika seldom inspired lukewarm reactions in his readers. Courtier, waka poet, compiler, copyist, editor, diarist, and critic, Teika is recognized today as one of the most influential poets in the history of Japanese literature. His oeuvre includes over four thousand waka poems, his diary, Meigetsuki, which he kept for over fifty years, and a fictional tale set in Tang-dynasty China. Over fifteen years in the making, Teika is essential reading for anyone interested in Japanese poetry, the history of Japan, and traditional Japanese culture.

The Enigmatic Realm of **Japanese**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Japanese Introduction

Japanese Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Japanese Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Japanese : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, it's a popular resource for finding various publications. Internet Archive for Japanese : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Japanese Offers a diverse range of free eBooks across various genres. Japanese Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Japanese Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Japanese, especially related to Japanese, might be challenging as they're often artistic creations rather than practical blueprints.

However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Japanese. Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Japanese books or magazines might include. Look for these in online stores or libraries. Remember that while Japanese, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Japanese eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Japanese full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Japanese eBooks, including some popular titles.

FAQs About Japanese Books

What is a Japanese PDF? A PDF (Portable Document

Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Japanese PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Japanese PDF?**

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Japanese PDF to another file format?

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Japanese PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or

editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
