

Japanese

Dennis M. Ogawa

Japanese Culture and Behavior Takie Sugiyama Lebra, William P. Lebra, 1986-08-01 Every chapter offers insights into one aspect or other of contemporary Japanese life. Newly included are discussions on such topics as dinner entertainment, skiing cross-culturally, male chauvinism as a manifestation of love in marriage, and domestic violence. Ten chapters have been retained from the first edition because they have achieved the status of classics.

Being Japanese American Gil Asakawa, 2015-08-17 This entertaining compendium is a celebration of Japanese American history and heritage. While detailing favorite foods, customs, words, games, and holidays, it explores the painful history of immigration and WWII internment, with suggestions for connecting to your Japanese American community and passing on traditions across generations and into intermarried families. This revised edition has fresh interviews with Japanese Americans about their life experiences and explores contemporary Japanese pop culture like anime and J-pop, with information on traveling to visit your Japanese roots and lists of resources on the Web and social media. Gil Asakawa lives in Denver, Colorado, and is a nationally known journalist, editor, author, speaker, and blogger focusing on Japanese and Asian American issues.

From Japs to Japanese Dennis M. Ogawa, 1971

Japanese Women Takie Sugiyama Lebra, 1985-08-01 Japan, a decade behind the United States, is now expressing its awareness of women as a major social issue. This awareness manifests itself in floods of publications, television coverage, the burgeoning of women's studies groups, court rulings interfering with sex discrimination, appointments of women to prominent positions thus far reserved exclusively for men, admission of women to such institutions as the Self Defense Forces, police, athletics, and so on.

Japanese Foodways, Past and Present Eric C. Rath, Stephanie Assmann, 2010 Spanning nearly six hundred years of Japanese food culture, *Japanese Foodways, Past and Present* considers the production, consumption, and circulation of Japanese foods from the mid-fifteenth century to the present day in contexts that are political, economic, cultural, social, and religious. Diverse contributors—including anthropologists, historians, sociologists, a tea master, and a chef—address a range of issues such as medieval banquet cuisine, the tea ceremony, table manners, cookbooks in modern times, food during the U.S. occupation period, eating and dining out during wartimes, the role of heirloom vegetables in the revitalization of rural areas, children's lunches, and the gentrification of blue-collar foods. Framed by two reoccurring themes—food in relation to place and food in relation to status—the collection considers the complicated relationships between the globalization of foodways and the integrity of national identity through eating habits. Focusing on the consumption of Western foods, heirloom foods, once-taboo foods, and contemporary Japanese cuisines, *Japanese Foodways, Past and Present* shows how Japanese concerns for and consumption of food has relevance and resonance with other foodways around the world. Contributors are Stephanie Assmann, Gary Soka Cadwallader, Katarzyna Cwiertka, Satomi Fukutomi, Shoko Higashiyotsuyanagi, Joseph R. Justice, Michael Kinski, Barak Kushner, Bridget Love, Joji Nozawa, Tomoko Onabe, Eric C. Rath, Akira Shimizu, George Solt, David E. Wells, and Miho Yasuhara.

An English and Japanese and Japanese and English Vocabulary Walter Henry Medhurst, 1830

The Phonetics of Japanese Language P M Suski, 2010-10-18 This book gives true characters of Japanese speech sounds in reference to European speech sounds. When it was first published in 1931, it was the first book of its kind. There are only 5 Japanese vowel elements as opposed to 18 in English, 13 in French and 8 in German. There are 15 Japanese consonants, 26 in English, 22 in French & 23 in German. Because of the lesser number of elements, it follows that the wider range in vowels and consonants is heard by Japanese ears, so this volume gives average sounds uttered by Japanese in the twentieth century in relation to the English sounds.

Jews in the Japanese Mind David G. Goodman, Masanori Miyazawa, 2000 Why are the Japanese fascinated with the Jews? By showing that the modern attitude is the result of a process of accretion begun 200 years ago, this book describes the development behind Japanese ideas of Jews and how these images are reflected in their modern intellectual life

The Chrysanthemum and the Sword Ruth Benedict, 2005 Essential reading for anyone interested in Japanese culture, this unsurpassed masterwork opens an intriguing window on Japan. Benedict's World War II-era study paints an illuminating contrast between the culture of Japan and that of the United States. *The Chrysanthemum and the Sword* is a revealing look at how and why our cultures differ, making it the perfect introduction to Japanese history and customs.

Japanese in America Elias Manchester Boddy, 1921 It is inconceivable that fewer than 100,000 Japanese, willing to work exceedingly long hours at the hardest of tasks for economic success, could create an international problem. Yet at the present time, such a problem seems to exist. It is the belief of the author that were the average American to know the exact facts of the Japanese American situation, there would be no problem. A full understanding by the public is not at all difficult to arrive at, providing the facts and not propaganda are furnished. A certain section of the American Press has singled out the Japanese for vilification, abuse and slander, for the sole purpose of increasing its circulation by sensational methods. We find the people of California constantly harassed by Anti-Japanese Propaganda, while the rest of the nation looks on, expressing only a nominal interest, and that more in the skill with which the propagandists have plied their art, than in the subject of their discussion. The purpose of the author in the present volume is to present as concisely as possible the history of the diplomatic, industrial, and social relations between Japan and the United States, to review the actual conditions in California, and to present as fully as possible an account of the various forces and interests vitally concerned with the campaign of propaganda which has been and is now being waged. The author is indebted to McMasters' History of the People of the United States, Harper's Encyclopedia of United States History, A History of the Japanese People, by Capt. F. Brinkley (Encyclopedia Britannica); the Japanese Association of America, and Mr. K. Kanzaki.--Introduction.

Modern Japanese Grammar Workbook Naomi McGloin, M. Endo Hudson, Fumiko Nazikian, Tomomi Kakegawa, 2014-05-09 The Modern Japanese Grammar Workbook is an innovative book of exercises and language tasks for all learners of Japanese. The book is divided into two parts: Section A provides exercises based on essential grammatical structures Section B practises everyday functions (e.g. making introductions, apologizing, expressing needs). All sentences are written both in Romanization and in the Japanese script and a comprehensive answer key at the back enables the learner to check on their progress. Key features of the book include: Exercises graded on a 3-point scale according to their level of difficulty Cross-referencing to the related Modern Japanese Grammar Topical exercises drawn from realistic scenarios to help learners develop their vocabulary and practical communication skills Opportunities to practise both written and spoken Japanese. Modern Japanese Grammar Workbook is an ideal practice tool for learners of Japanese at all levels. No prior knowledge of grammatical terminology is assumed and it can be used both independently and alongside the Modern Japanese Grammar (ISBN 978-0-415-57201-9), which is also published by Routledge.

100 Poems from the Japanese, 1955-06-17 It is remarkable that any Westerner—even so fine a poet as Kenneth Rexroth—could have captured in translation so much of the subtle essence of classic Japanese poetry: the depth of controlled passion, the austere elegance of style, the compressed richness of imagery. The poems are drawn chiefly from the traditional Manyōshū, Kokinshū and Hyakunin Isshū collections, but there are also examples of haiku and other later forms. The sound of the Japanese texts is reproduced in Romaji script and the names of the poets in the calligraphy of Ukai Uchiyama. The translator's introduction gives us basic background on the history and nature of Japanese poetry, which is supplemented by notes on the individual poets and an extensive bibliography.

Rediscovering America Peter Duus, Kenji Hasegawa, 2011-09-01 In this extraordinary collection of writings, covering the period from 1878 to 1989, a wide range of Japanese visitors to the United States offer their vivid, and sometimes surprising perspectives on Americans and American society. Peter Duus and Kenji Hasegawa have selected essays and articles by Japanese from many walks of life: writers and academics, bureaucrats and priests, politicians and journalists, businessmen, philanthropists, artists. Their views often reflect power relations between America and Japan, particularly during the wartime and postwar periods, but all of them dealt with common themes—America's origins, its ethnic diversity, its social conformity, its peculiar gender relations, its vast wealth, and its cultural arrogance—making clear that while Japanese observers often regarded the U.S. as a mentor, they rarely saw it as a role model.

Norwegian Wood Haruki Murakami,2010-08-11 From the bestselling author of Kafka on the Shore: A magnificent coming-of-age story steeped in nostalgia, “a masterly novel” (The New York Times Book Review) blending the music, the mood, and the ethos that were the sixties with a young man’s hopeless and heroic first love. Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene.

A Text-book of Colloquial Japanese Rudolf Lange,1907

Ikigai Héctor García,Francesc Miralles,2017-08-29 INTERNATIONAL BESTSELLER • 2 MILLION+ COPIES SOLD WORLDWIDE “Workers looking for more fulfilling positions should start by identifying their ikigai.” —Business Insider “One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life.” —Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. “Only staying active will make you want to live a hundred years.” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world’s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you’re good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It’s the reason we get up in the morning. It’s also the reason many Japanese never really retire (in fact there’s no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they’ve found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world’s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn’t want to find happiness in every day?

An Introduction to Modern Japanese Richard Bowring,Haruko Uryū Laurie,1992 This is an extensive one-year introductory course in Japanese, also suitable for those who wish to work at a slower pace. Students who finish this course will have a firm grasp of how the language works and enough knowledge of the writing system to tackle everyday written material with no more than a dictionary. Particular attention is paid to questions of grammar which foreign learners often find difficult, so Book one can also serve as a reference grammar. An Introduction to Modern Japanese uses both spoken and written forms from the outset. There are word lists for each lesson, and a comprehensive vocabulary for the whole course. Book two comprises the exercises and word lists which accompany the fifty-two lessons in Book one. The excercises ensure that the student has understood the grammar explained in the relevant lessons and give further practice in reading and recognising characters. Book two also contains a full vocabulary, Japanese to English and English to Japanese.

Japanese for Professionals: Revised (Enhanced with Audio) AJALT,2021-03-03 From the authors of the best-selling Japanese for Busy People series comes a must have for intermediate and advanced learners who want to focus on building business Japanese language skills. The Association for Japanese-Language Teaching (AJALT), renowned for its Japanese for Busy People series, has developed a comprehensive course for students who need to use Japanese in a real-life business environment. Almost a decade after its first edition, Japanese for Professionals has been revised and updated to reflect current business scenes. Moreover, learners can now practice their listening skills with the newly added audio for the dialogues and exercises from the text. Eight lessons introduce common business situations with the emphasis on how to communicate with Japanese colleagues and clients. Each lesson is consisted with two parts: Part 1 is set to observe the dialogue and Part 2 is set to further enhance comprehension of the dialogue with exercises. Precise definitions for all new vocabulary and lucid explanations of grammar, idioms, and cultural differences provide the reader with powerful communication tools for the office. Exercises and quizzes have been included to help students check their progress. Busy professionals will find the bilingual glossaries a useful reference even after completing all the lessons in this clear and extremely helpful textbook. Japanese for Professionals is specially designed for learners who are familiar with basic Japanese and ideally be at level N2 or N3 of JLPT, Japanese-Language Proficiency Test.

Terry's Japanese Empire ,1914

The Cambridge History of Japanese Literature Haruo Shirane,Tomi Suzuki,David Lurie,2015-12-17 The Cambridge History of Japanese Literature provides, for the first time, a history of Japanese literature with comprehensive coverage of the premodern and modern eras in a single volume. The book is arranged topically in a series of short, accessible chapters for easy access and reference, giving insight into both canonical texts and many lesser known, popular genres, from centuries-old folk literature to the detective fiction of modern times. The various period introductions provide an overview of recurrent issues that span many decades, if not centuries. The book also places Japanese literature in a wider East Asian tradition of Sinitic writing and provides comprehensive coverage of women's literature as well as new popular literary forms, including manga (comic books). An extensive bibliography of works in English enables readers to continue to explore this rich tradition through translations and secondary reading.

Japanese Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Japanese PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords,

topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Japanese PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Japanese free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Japanese Books

What is a Japanese PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Japanese PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Japanese PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Japanese PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different

formats. **How do I password-protect a Japanese PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
