The Gospel According to John ,1999

Holy Bible (NIV) Various Authors,2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Revelation ,1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

John Derian Picture Book John Derian,2016-10-04 New York Times Bestseller Named one of the Best Gift Books of the Year by Entertainment Weekly, InStyle, House Beautiful, T: The New York Times Style Magazine, Better Homes & Gardens, Luxe Interiors + Design, People StyleWatch, Garden & Gun, The Los Angeles Times, The Chicago Tribune, New York Magazine, and more John Derian's home goods empire reaches far and wide—in addition to the four John Derian stores he owns in New York and Massachusetts, his products are sold by more than 600 retailers worldwide, including Neiman Marcus, ABC, and Gump's in the United States; Conran and Liberty in the UK; and Astier de Villatte in Paris. It all started with his now-iconic collectible plates decoupaged with 19th-century artwork sourced from old and rare books, a process that credited him with elevating the decoupage technique into fine art. Over the past 25 years, the brand has expanded greatly to include home and general design gifts and products. Now, for the first time ever, comes the book John Derian fans have been waiting for. Culled from the thousands of images that have appeared in his biannual collections, here is an astoundingly beautiful assortment of nearly 300 full-bleed images in their original form. From intensely colored flowers and birds to curious portraits, hand-drawn letters, and breathtaking landscapes, the best of John Derian is here. The result is an oversized object of desire, a work of art in and of itself, that brilliantly walks the line between commerce and art, and that is destined to become the gift book of the season.

The Book of John John T. Long,2019-05-03 Through his personal experiences John shows how he ultimately reached that place of peace and understanding that the world can neither give nor take away. Rather than meditating in a cave for twenty years, John has taken life head on in outrageous and sometimes unbelievable experiences that led to his awakening. This book reads like Hunter S. Thompson, Wayne Dyer and Jesus debating the meaning of life while bungee jumping blindfolded out of an Apache helicopter backwards and eating sushi together. The reader will be shocked, crying and then laughing uncontrollably over his strange and wonderful life full of hardship, supernatural experiences and spiritual epiphanies. The story moves along at a good pace, and just when the reader thinks that he/she knows what is going to happen next, something out of the blue occurs. Lots of suspense and surprise and wonder. John tells the story in the present tense. That gives it a sense of immediacy. The humorous touches throughout are great! They balance out the sad stories in a yin-yang kind of way. John's voice in the prose is clear and persuasive. The reader can hear him saying these words sitting as if right next to them. Too many writers try to generate an "authorial" voice and end up sounding contrived. This book, on the other hand, clearly comes from the heart. It peels back layers of mystery yet never goes so far afield that the reader cannot follow. It is a journey the reader will love taking! This book will kick off the reader's year in the right direction, leaving them feeling uplifted, lighter, and exploding into a million pieces of joy! • Identify subconscious programs running in the background of your mind. • Delete those programs. • Install a new operating system.

The Book of John Lin Johnson,2006-11-12 No other book in the Bible presents Jesus Christ and his ministry more clearly than the Book of John. No other guide makes his ministry more understandable than The Smart Guide to the Bible: The Book of John. Walk with Jesus as he recruits the twelve disciples. Sit down on the hillside and listen as he teaches the parables. Watch as Jesus performs miracle after miracle. And at every step along the way, understand the critical concepts and life-changing lessons Jesus wants you to learn. The Smart Guide to the Bible is a series of simplified

commentaries designed to uncomplicate God's word for everyday Bible readers. Every page contains handy features or learning aids like these: cross-references to other Scriptures brief commentaries from experts points to ponder the big picture of how passages fit with the entire Bible practical tips for applying biblical truths to life simple definitions of key words and concepts interesting maps, charts, and illustrations wrap-ups of each biblical passage study questions Whether you're new to the Bible, a long-time student of Scripture, or somewhere in between, you'll appreciate the many ways The Smart Guide to the Bible: The Book of John goes far beyond your typical Bible study tool. The practical, relevant helps on each page lead you to get the most out of God's word.

John John F. MacArthur, 2006-06 The Mac Arthur Study Guide Series provides a twelve week, verse-by-verse examination of the books of the New Testament. This revised and updated series continues to be one of the best-selling study guides currently available for individuals or small groups.

Expository Thoughts on the Gospels ... St. Mark John Charles Ryle, 1866

Iron John Robert Bly, 2004-07-28 In this deeply learned book, poet and translator Robert Bly offers nothing less than a new vision of what it is to be a man. Bly's vision is based on his ongoing work with men and reflections on his own life. He addresses the devastating effects of remote fathers and mourns the disappearance of male initiation rites in our culture. Finding rich meaning in ancient stories and legends, Bly uses the Grimm fairy tale Iron John, in which the narrator, or Wild Man, guides a young man through eight stages of male growth, to remind us of archetypes long forgotten-images of vigorous masculinity, both protective and emotionally centered. Simultaneously poetic and down-to-earth, combining the grandeur of myth with the practical and often painful lessons of our own histories, Iron John is a rare work that will continue to guide and inspire men-and women-for years to come.

1-3 John Robert W. Yarbrough, 2008-11 A respected New Testament scholar offers a substantive commentary on the letters of John in the award-winning BECNT series.

John Cynthia Lennon, 2012-02-16 Cynthia and John Lennon's relationship spanned ten crucial years of the Beatles phenomenon. But as well as new insight into the Beatles years, Cynthia has a compelling personal story of marriage, motherhood and the man who was to become the most idolised and admired of all the Beatles. Cynthia is candid about the cruel and the loving sides of John. She tells of the end of their marriage and the beginning of his relationship with Yoko Ono in more detail than ever before, and reveals the many difficulties estrangement from John - and then his death - brought for herself and Julian. Cynthia is a remarkable survivor and this is her extraordinary story and unique insight into a man loved and idolised all over the world.

Smart Guide to the Bible Larry Richards, 2006-11-12 The Smart Guide to the Bible is an easy-to-understand Bible guide that takes you through all 66 books of the Old and New Testaments to help you see both the big picture and the Divine details of the Bible. In his practical and user-friendly style, Larry Richards uncomplicates the process of hearing the Divine voice, giving you knowledge, confidence, and clarification about God's words to you. Every page contains handy features or learning aids like these: cross-references to other Scriptures brief commentaries from experts points to ponder the big picture of how passages fit with the entire Bible practical tips for applying biblical truths to life simple definitions of key words and concepts interesting maps, charts, and illustrations wrap-ups of each biblical passage study questions Whether you're new to the Bible, a long-time student of Scripture, or somewhere in between, you'll appreciate the many ways The Smart Guide to the Bible goes beyond your typical Bible study tool. The practical, relevant helps on each page lead you to get the most out of God's word.

John 11-21 Joel C. Elowsky, Thomas C. Oden, 2007-04-27 The Gospel of John was beloved by the early church for its spiritual insight and clear declaration of Jesus' divinity. In addition to the homilies of John Chrysostom, readers of this ACCS volume will find selections from Origen, Cyril of Alexandria, and Augustine, supplemented with homiletic material, liturgical selections, and doctrinal material from scores of other church fathers.

The Priority of John John A. T. Robinson, 2011-03-01 It has been the fate of many books on John to be left unfinished, for its interpretation naturally forms the crowning of a lifetime. I have myself been

intending to write a book on the Fourth Gospel since the 'fifties, before I broke off (reluctantly) to be Bishop of Woolwich, though I am grateful now that I did not produce it prematurely at that time. It means however that I shall be compelled to refer to and often recapitulate material directly or indirectly related to the Johannine literature, which I have written over the years (some of it indeed while I was bishop). Many scholars in fact, if not most now, think that the author of the Gospel himself never lived to finish it and have seen the work as the product of numerous hands and redactors. As will become clear, I prefer to believe that the ancient testimony of the church is correct that John wrote it 'while still in the body' and that its roughnesses, self-corrections and failures of connection, real or imagined, are the result of its not having been smoothly or finally edited. If so I am in good company. At any rate who could wish for a better last testimony from his friends than that 'his witness is true' (John 21.24)? In other words, he got it right--historically and theologically. --from the Introduction

At the time of his death in December 1983, John Robinson had completed the text of the book on which his 1984 Bampton lectures were to be based, so that it is possible to see the full details of his extremely controversial argument that the Gospel of John was the first Gospel to be written. Dr. Robinson himself once described the dawning of his conviction that this was the case as a 'Damascus Road experience', and his presentation of the evidence is made with all the customary vigor with which he would argue for something in which he deeply believed. The objections which need to be overcome to stand on its head what has long been one of the fundamental assumptions of New Testament scholarship are substantial, but here once again Dr. Robinson shows that so much of what is taken as established fact in that area is no more than preference and presumption. Certainly he will provoke rethinking on a whole series of topics, from the chronology of Jesus' ministry to the nature of his teaching. As The Listener said of the equally controversial Redating the New Testament: The greatest pleasure Dr. Robinson gives is purely intellectual. His book is a prodigious virtuoso exercise in inductive reasoning and an object lesson in the nature of historical argument and historical knowledge. This sequel equals, if not excels, its predecessor in those respects and is a fitting tribute to a brilliant New Testament scholar. The manuscript was prepared for publication by Dr. Chip Coakley, Dr Robinson's pupil, now Lecturer in Religious Studies in the University of Lancaster.

Me Elton John, 2019-10-15 In his first and only official autobiography, music icon Elton John reveals the truth about his extraordinary life. Me is the joyously funny, honest and moving story of the most enduringly successful singer/songwriter of all time. The Sunday Times bestseller with a new chapter bringing the story up to date. 'The rock memoir of the decade' – Daily Mail 'The rock star's gloriously entertaining and candid memoir is a gift to the reader' – Sunday Times

Christened Reginald Dwight was a shy boy with Buddy Holly glasses who grew up in the London suburb of Pinner and dreamed of becoming a pop star. By the age of twenty-three, he was performing his first gig in America, facing an astonished audience in his bright yellow dungarees, a star-spangled T-shirt and boots with wings. Elton John had arrived and the music world would never be the same again. His life has been full of drama, from the early rejection of his work with songwriting partner Bernie Taupin to spinning out of control as a chart-topping superstar; from half-heartedly trying to drown himself in his LA swimming pool to disco-dancing with the Queen; from friendships with John Lennon, Freddie Mercury and George Michael to setting up his AIDS Foundation. All the while, Elton was hiding a drug addiction that would grip him for over a decade. In Me Elton also writes powerfully about getting clean and changing his life, about finding love with David Furnish and becoming a father. In a voice that is warm, humble and open, this is Elton on his music and his relationships, his passions and his mistakes. This is a story that will stay with you, by a living legend.

'Self-deprecating, funny . . . You cannot help but enjoy his company throughout, temper tantrums and all' – The Times 'Racy, pacy and crammed with scurrilous anecdotes - what more could you ask from the rocket man' – Guardian (Book of the Week) 'Chatty, gossipy, amusing and at times brutally candid' – Telegraph

The Epistles of S. John Alfred Plummer, 1896

John, Jesus, and the Renewal of Israel Richard Horsley, Tom Thatcher, 2013-11-11 In this book Richard Horsley and Tom Thatcher trace the Gospel of John's portrayal of Jesus as a prophet of renewal by reading the text against a double backdrop -- the social history of Roman Palestine and the media world of John. This innovative study is the first to consider the Gospel of John as story in the ancient media context of oral communication and oral performance. Horsley and Thatcher creatively combine concerns from the fields of Jesus studies and ancient media studies in their analysis. Taking the main conflict evident in John's story of Jesus as the key to its plot, they discern how this Gospel -- usually read as spiritual -- portrays Jesus engaged in a concrete program of renewal and resistance.

Revelation 1-22 MacArthur New Testament Commentary Two Volume Set John F.

MacArthur, 1999-04-15 This package includes the complete two-volume set of the Book of Revelation from the MacArthur New Testament Commentary series: Revelation 1-11 and Revelation 12-22. The MacArthur New Testament Commentary series continues to be one of today's top-selling commentary series. These commentaries from respected Bible scholar and preacher John MacArthur give a verse-by-verse analysis in context and provide points of application for passages, illuminating the biblical text in practical and relevant ways. Revelation 1:3 says, Blessed is the one who reads the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near. That blessing may be hard to receive with the Book's shrouded prophecy and eschatological mysteries confusing scholar and lay-reader alike. MacArthur pulls back the veil and reveals more of what God's Word has to say to us in Revelation, covering volatile topics as: The rapture, the millennial kingdom, and the Anti-Christ. These volumes will open your eyes to receive the blessing promised in Revelation's opening verses.
