Bon Jovi Margaret Olson,2013-06-20 In 1986, when Bon Jovi's third studio album, Slippery When Wet, was released, America had found its next superband. In *Bon Jovi: America's Ultimate Band*, Margaret Olson chronicles the history and music of the band from its inception to present day. She closely examines Bon Jovi's musical and social relevance to listeners past and present, exploring the remarkable ways the band has emerged as the expression and product of deep cultural needs and how, within a few years of commercial success, it has made a lasting impact on Generation X, the music business, and American culture. Through opportunities offered by cable television (particularly MTV), Hollywood, and corporate brands, Bon Jovi has been able to influence not only the music, film, and television industries but also the worlds of fashion, musical theater, art, philanthropy, and politics. Like any megaband, its members have struggled with addiction, the demands of fame, and a lack of critical respect. They have persevered, however, to become one of the United States' world's best-selling touring bands. Bon Jovi is a testament to the way modern culture and entertainment can become intertwined, and its success underscores the length of the band's career, the professionalism of its management, the recognition of what audiences want, and the unique way the music-more than anything else-both reflects and shapes the social and musical American landscape it inhabits. Titles in the Tempo series are ideal introductions to major pop and rock artists, the music they produce, and their cultural and musical impact on society. *Bon Jovi: America's Ultimate Band* should interest fans, students, and scholars alike.

The Fans Have Their Say #10 Bon Jovi Ian Carroll,2019-09 When I was growing up I initially came across Bon Jovi by pure accident. I had heard the name but managed to see them for the first time at the Cornwall Coliseum, which used to be in St. Austell in Cornwall, UK, when they supported KISS.I have seen them many times since, including several massive outdoor events in the UK.From their popular videos to the huge chart success, Bon Jovi are still a musical force to be reckoned with and over the pages of this Book you will see what they mean to fans from all over the world, as they talk about the gigs, the music and their love of Bon Jovi and in some cases the total adoration of their leader - Jon Bon Jovi.

Jovi Sandy Appleyard,2023-12-25 ***Don't worry! You DON'T have to read all the books in 'A Town without Pity' first to enjoy this series! I thought of everything!!*** An unforgiving past. A future on the chopping block. And a secret revealed days before Christmas, that can redeem or ruin everything they've been fighting for. The strike comes before I can stop it. Before I know it, my eyeball feels like it'll explode and Jovi is chasing the perpetrator out the door, not before the sheriff shows up and takes the dirtbag to jail. This is my life. I work in a bar with some great people. It's the drunks and juvenile delinquents that ruin it all. And it's Christmas. Y'all would think that my luck would change, but it hasn't. As if it couldn't get any worse, my car breaks down, and Jovi has to drive me home. The third strike of the night comes when the lock on my door is broken, and I have to get Jovi to help boost me up into my own bedroom window. You'd think my fate would change after that. But what I do next is something so stupid, so impulsive, but so life changing, that I don't know why I didn't do it sooner. *** Rickie is one of those women that is so strong and independent, I wouldn't dare tell her what I've been feeling for her, until she walks in on me doing something I was keeping secret from everyone. Somehow, I convince

her to do the same and change her life, despite the mistake that led to the decision. But that's in the past now. She's got her own past, which makes it easier for us to find common ground. But as we hear the sleighbells ringing, the sonogram pulsing, and the future calling, I find that I'm the one standing on solid ground, enough for the both of us. That is, until a final test, just days before Christmas, that sends us both in a tailspin. And I don't know which one of us is strong enough to wait for that final call with the answer to our prayers...is it too late for a Christmas miracle?
