The Kingdom Emmanuel Carrère, 2017-03-07 A ... fictional account of the early Christians, whose unlikely beliefs conquered the world ... Shouldering biblical scholarship like a camcorder, Carraere re-creates the climate of the New Testament with the acumen of a ... storyteller, intertwining his own account of reckoning with the central tenets of the faith with the lives of the first Christians--

Story Behind the Book “When my six kids’ eyes glossed over during a reading from the Bible, I paused to explain the significance of redemption to a sin-sick soul. I was rewarded with patronizing elephant nods and more blank stares. Shortly thereafter, I awoke in the middle of the night with a medieval story enveloping

my mind. I wrote it down and later read it to my children. Their waning attention transformed into complete anticipation. I was amazed and disappointed. Why did it take a fictional story, not a Bible passage, to get that response? Then I realized—that is how Jesus taught! Parables are powerful! I penned the Kingdom series to help young people get excited about the supremely significant story of Jesus Christ and His mission to save mankind.” — Chuck Black
