Kris Jenner . . . And All Things Kardashian Kris Jenner,2012-09-04 Everybody's favorite momager, the businesswoman behind the Kardashian empire, shares her never-before-told story.

Waiting for Kassie X Kris J. King,2011-06-24 Imagine setting out on a journey of self-discovery with the idea of being alone and unknown. Then, imagine having a serendipitous encounter with someone who makes you feel more recognized than ever before and subsequently indirectly falling in love with that person. What does one do now with such an unexpected phenomenon? This is the challenge that awaited Kris as he set out backpacking through Canada to—at least for a moment—steer away from the land where popularity and likeness and having a job with a pension often overshadows substance and meaning. As Kris put it, “All my success and adulation, past or present that I’ve received, of it all, there was simply nothing I could hang my ‘happy hat’ on. It just didn’t feel true anymore.” So, with the intent of finally facing his destiny, the inevitable prerequisite of facing loneliness and solitude in order to “get the signal clear,” Kris decides to travel into unfamiliar territory, during which he faces shocking realizations about himself. All of his hardships inevitably cycle back to a tireless effort to seek out that one special someone that he’d had his chance encounter with: Kassie. The problem is, he never got any contact information; not even a last name. Yes, the journey back to love can sometimes be direct and indirect simultaneously, while never really knowing the true target.

Kris Kringle Maria Ciampi,2008-07 Hello, my name's Ricky and I honestly thought I knew what I was doing. I thought life went from A to Z. And as it may, it turns out other things do to. Once upon a day I was an average young man with an average life. That is, until my friend Bobby found a lamp that he claimed to be a time machine. Time machine . . . if only. We didn't have the slightest idea what we were dealing with, nor could we have possibly known what was to come. The lamp sent us on an adventure of many adventures, and in turn we've become altered in ways we'll never be able to undo. It's too late for us, that's obvious. You, on the other hand, are the beneficiary. Lucky you. So, with all the formalities out of the way, I'll just say this: If you think your life can be a bitch . . . try and take my shoes for a stroll.

Dragons for Kris Galand A. Nuchols,2005-08-10 Fearing to make a sound that would attract attention and perhaps prevent his escape, Kris sits in the dark on the edge of his perfectly made bed. It is 4:25 AM. His most precious possessions have been secretly stored down the street with friends. Grandpa finally arrived yesterday, driving King Arthur, an eighteen-wheeler truck. What will he tell Grandpa? Will Grandpa believe Kris's own uncle means him harm? Will Kris's secret plan to leave his uncle's home and live with his grandparents, work? These agonizing questions swirl in Kris's head until he hears a soft sound in the hall and then watches the doorknob slowly, silently turn. Who is coming into his room? Is it his grandpa or his uncle? Is it too late?

Kris Longknife Mike Shepherd,2017-11 Admiral Kris Longknife should have known the job offer was too good. Really, she knew by now that what was too good to be true really, really isn't. Still, she jumped at the chance to be the first human emissary to the Iteeche Empire. Only when she got there and met the Emperor, a teenage kid swamped by his throne, did Kris find out that there was a little civil war going on in the Iteeche Empire. The loyal forces were losing, and they needed the best fighting admiral they could get. So they got Kris Longknife. Now Kris is sweating out collecting a fighting force -- that won't make her their first target. Now she's trying to figure out how to fight ships identical to hers, that outnumber her four to one or worse. Oh, and she's got to keep the merchant princes in her embassy from making a mess of everything. A whole lot of people are hoping this Longknife can pull a grizzly bear out of her hat. A whole lot of other Iteeche are hoping the bear takes off her arm. This continuation of the Longknife Saga is 112,000 words of battle, intrigue and assassinations including a few wrong turns on Kris's part. Enjoy!

Kris: The Elephant at Sea Dr. Alex Kodiath, 2014-05 Kris: The Elephant at Sea is the second adventure of Kris the Elephant. The first adventure is illustrated in the book Elephant Escapes to an Island. This adventure at sea starts with a journey of students who were travelling abroad in a ship. The ship was heading toward the United States, though there were several planned stops, one being Denis Island. Kris was transported to this island to lead a centenary celebration while the students had an educational visit to learn about the culture and tradition of the island. During this trip, Kris and his caretakers Jojo and George are able to attend some English language lessons with some international students. The book also depicts some of the cultural celebrations of southern India. While everybody enjoys the students' demonstrations of their understanding of the culture and traditions in dramatic play, the Somali pirates take control of the ship and take hostage all American students and teachers. In this chaotic situation, Kris runs wild and falls into the sea. What happens to the students, teachers, and crew? For the rest of the story, please read Kris: The Elephant at Sea.
