Church of Jesus Christ of Latter-Day Saints

Book of Commandments, for the Government of the Church of Christ Church of Jesus Christ of Latter-Day Saints,1884

The Next Mormons Jana Riess,2019-02-01 American Millennials--the generation born in the 1980s and 1990s--have been leaving organized religion in unprecedented numbers. For a long time, the Church of Jesus Christ of Latter-day Saints was an exception: nearly three-quarters of people who grew up Mormon stayed that way into adulthood. In *The Next Mormons*, Jana Riess demonstrates that things are starting to change. Drawing on a large-scale national study of four generations of current and former Mormons as well as dozens of in-depth personal interviews, Riess explores the religious beliefs and behaviors of young adult Mormons, finding that while their levels of belief remain strong, their institutional loyalties are less certain than their parents' and grandparents'. For a growing number of Millennials, the tensions between the Church's conservative ideals and their generation's commitment to individualism and pluralism prove too high, causing them to leave the faith--often experiencing deep personal anguish in the process. Those who remain within the fold are attempting to carefully balance the Church's strong emphasis on the traditional family with their generation's more inclusive definition that celebrates same-sex couples and women's equality. Mormon families are changing too. More Mormons are remaining single, parents are having fewer children, and more women are working outside the home than a generation ago. *The Next Mormons* offers a portrait of a generation navigating between traditional religion and a rapidly changing culture.

The Mormon Quest for Glory Melvyn Hammarberg,2013-06-03 The Church of Jesus Christ of Latter-day Saints has 6 million members in the United States today (and 13 million worldwide). Yet, while there has been extensive study of Mormon history, comparatively little scholarly attention has been paid to contemporary Mormons. The best sociological study of Mormon life, Thomas O'Dea's *The Mormons*, is now over fifty years old. What is it like to be a Mormon in America today? Melvyn Hammarberg attempts to answer this question by offering an ethnography of contemporary Mormons. In *The Mormon Quest for Glory*, Hammarberg examines Mormon history, rituals, social organization, family connections, gender roles, artistic traditions, use of media, and missionary work. He writes as a sympathetic outsider who has studied Mormon life for decades, and strives to explain the religious world of the Latter-day Saints through the lens of their own spiritual understanding. Drawing on a survey, participant observation, interviews, focus groups, attendance at religious gatherings, diaries, church periodicals, lesson manuals, and other church literature, Hammarberg aims to present a comprehensive picture of the religious world of the Latter-day Saints.

Under the Banner of Heaven Jon Krakauer,2004-06-08 NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on HULU. “Fantastic.... Right up there with *In Cold Blood* and *The Executioner's Song*.” —San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

Mormonism and Evolution William Evenson,Duane E. Jeffery,2006-01-01 The Church of Jesus Christ of Latter-day Saints (the Mormon Church) has generally been viewed by the public as anti-evolutionary in its doctrine and teachings. But official statements on the subject by the Church's highest governing quorum and/or president have been considerably more open and diverse than is popularly believed. This book compiles in full all known authoritative statements (either authored or formally approved for publication) by the Church's highest leaders on the topics of evolution and the origin of human beings. The editors provide historical context for these statements that allows the reader to see what stimulated the issuing of each particular document and how they stand in relation to one another.

A Different Jesus? Robert L. Millet,2005-04-14 Drawing on both Christian and Latter-day Saint documents, Robert Millet clearly explains the many beliefs that Mormons hold in common with traditional Christians and also highlights differences where they exist.

I Love Mormons David L. Rowe,2005-08-01 David L. Rowe asserts that many Mormons view Christian witnessing as Bible bashing. What Christians need to understand, he suggests, is that Latter-day Saints are an entirely separate ethnic group with their own history, values, and customs. Evangelizing Mormons can be so much more effective if Christians first know, understand, and respect Mormon heritage. With helpful illustrations and discussions of Mormon values and theology, Rowe calls Christians away from confrontational evangelism and instead suggests active listening and respect as a way to bridge Christian beliefs and Mormon culture. A glossary in the back of the book and discussion questions at the end of each chapter will help readers apply these concepts in their own witnessing experiences. In the end, Christians will be more approachable representatives of Christ.

The LDS Worldview Bruce R. Josephson,2001 Offers a sympathetic explanation of the worldview of The Church of Jesus Christ of Latter-day Saints (LDS) and gives some understanding of how the LDS worldview acts as a new way of interpreting Christianity by challenging Christian orthodoxy. Presents the church's worldview in its own terms, looking at sources, the LDS conception of time and the stages of humanity, the LDS worldview's implicit critique of Catholics and Protestants, and the concept of cyclical history. There is also material on church offices and organization, family life, and blacks and the priesthood. Author information is not given. c. Book News Inc.

Teachings of Presidents of the Church: Brigham Young The Church of Jesus Christ of Latter-day Saints,2000 The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the “doctrine of life and salvation for all the honest-in-heart” (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened “within them a desire to know and understand the things of God more than they ever did before in their lives” and will begin to “inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness” (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—“Teachings of Brigham Young” and “Suggestions for Study.” The first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should

prayerfully read and study President Young’s teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young’s teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the “Lion of the Lord” (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

Exhibiting Mormonism Reid Neilson,2011-03-01 The 1893 Columbian Exposition, also known as the Chicago World's Fair, presented the Latter-day Saints with their first opportunity to exhibit the best of Mormonism for a national and an international audience after the abolishment of polygamy in 1890. The Columbian Exposition also marked the dramatic reengagement of the LDS Church with the non-Mormon world after decades of seclusion in the Great Basin. Between May and October 1893, over seven thousand Latter-day Saints from Utah attended the international spectacle popularly described as the "White City." While many traveled as tourists, oblivious to the opportunities to "exhibit" Mormonism, others actively participated to improve their church's public image. Hundreds of congregants helped create, manage, and staff their territory's impressive exhibit hall; most believed their besieged religion would benefit from Utah's increased national profile. Moreover, a good number of Latter-day Saint women represented the female interests and achievements of both Utah and its dominant religion. These women hoped to use the Chicago World's Fair as a platform to improve the social status of their gender and their religion. Additionally, two hundred and fifty of the Mormon Tabernacle Choir's best singers competed in a Welsh eiseddfodd, a musical competition held in conjunction with the Chicago World's Fair, and Mormon apologist Brigham H. Roberts sought to gain LDS representation at the affiliated Parliament of Religions. In the first study ever written of Mormon participation at the Chicago World's Fair, Reid L. Neilson explores how Latter-day Saints attempted to "exhibit" themselves to the outside world before, during, and after the Columbian Exposition, arguing that their participation in the Exposition was a crucial moment in the Mormon migration to the American mainstream and its leadership's discovery of public relations efforts. After 1893, Mormon leaders sought to exhibit their faith rather than be exhibited by others.

The Mormon Faith of Mitt Romney Andrew Jackson,2012-01-18 In this timely book, the author uncovers the history, teachings and practices of the Latter-day Saints, compares them to evangelical Christian beliefs and challenges former Massachusetts governor and presidential candidate Mitt Romney to be open and transparent about his beliefs and its implications if he is elected president.

The Religion of the Latter-day Saints Lowell L. Bennion,1940 A course to help students gain an understanding of the religion of the Latter-day Saints.

The Articles of Faith: The Principal Doctrines of the Church of Jesus Christ of Latter-Day Saints James E. Talmage,2020-12-17 The Articles of Faith: A Series of Lectures on the Principal Doctrines of the Church of Jesus Christ of Latter-day Saints is book by James E. Talmage about doctrines of The Church of Jesus Christ of Latter-day Saints (LDS Church). The name of the book is taken from the LDS Church's Articles of Faith, an 1842 creed written by Joseph Smith. Talmage decided to use Smith's Articles of Faith as an outline of his work. He first delivered the material that he would organize into a book in a series of lectures delivered in 1893 at Latter-day Saints' University in Salt Lake City, Utah, which Talmage was the president of at the time. Articles of Faith is a Mormon classic and, for many years, it was among the few non-scriptural works that full-time LDS Church missionaries were asked to study.

The Articles of Faith James E. Talmage,2022-09-15 The lectures herewith presented have been prepared in accordance with the request and appointment of the First Presidency of the Church. The greater number of the addresses were delivered before the Theology Class of the Church University; and, after the close of the class sessions, the lectures were continued before other Church organizations engaged in the study of theology. To meet the desire expressed by the Church authorities,—that the lectures be published for use in the various educational institutions of the Church,—the matter has been revised, and is now presented in this form. In anticipation of probable question or criticism regarding the disparity of length of the several lectures, it may be stated that each of the addresses occupied two or more class sessions, and that the present arrangement of the matter in separate lectures is rather one of compilation than of original presentation.

Saints: The Story of the Church of Jesus Christ in the Latter Days The Church of Jesus Christ of Latter-day Saints,2018-09-04 In 1820, a young farm boy in search of truth has a vision of God the Father and Jesus Christ. Three years later, an angel guides him to an ancient record buried in a hill near his home. With God’s help, he translates the record and organizes the Savior’s church in the latter days. Soon others join him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. The women and men who join the church must choose whether or not they will stay true to their covenants, establish Zion, and proclaim the gospel to a troubled world. The Standard of Truth is the first book in Saints, a new, four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord’s call to write history “for the good of the church, and for the rising generations” (Doctrine and Covenants 69:8).

Mormons and the Bible Philip L. Barlow,2013-06-11 Philip L. Barlow offers an in-depth analysis of the approaches taken to the Bible by major Mormon leaders, from its beginnings to the present. He shows that Mormon attitudes toward the Bible comprise an extraordinary mix of conservative, liberal, and radical ingredients: an almost fundamentalist adherence to the King James Version co-exists with belief in the possibility of new revelation and surprising ideas about the limits of human language. Barlow's exploration takes important steps toward unraveling the mystery of this quintessential American religious phenomenon. This updated edition of Mormons and the Bible includes an extended bibliography and a new preface, casting Joseph Smith's mission into a new frame and treating evolutions in Mormonism's biblical usage in recent decades.

History of the Church of Jesus Christ of Latter Day Saints: 1873-1890 Joseph Smith (Jr.),1903

A Book of Mormons Emily W. Jensen,Tracy McKay-Lamb,2015 A Book of Mormons not only provides a fascinating glimpse into a religion that has taken center stage in the last presidential election, but will prompt insights into what living an encompassing religion means both individually and for the community trying to understand exactly What does it mean to be a Mormon today? Mormonism is at a crossroads, having been under the microscopic lens of the media for the past five years, even as Mormons young and old grapple with the openness and accessibility of The Information Age. Both the institutional church and its lay members are working to better define the faith for outsiders as well as within. This collection of essays from a broad swath of Mormons -- some who live their faith quietly, others who wrestle with how it colors their professional endeavors -- is an attempt to broaden perspectives about Mormons and demystifying stereotypes.

Mormon History Ronald Warren Walker,David J. Whittaker,James B. Allen,2001

The Mormon Experience Leonard J. Arrington, Davis Bitton, 1992 The best history of the Latter-Day Saints addressed to a general audience now includes a new preface, an epilogue, and a bibliographical afterword. This is without a doubt the definitive Mormon history.--Library Journal.

LDS: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year.

The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail.

LDS : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

LDS Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free LDS PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free LDS PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of LDS free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About LDS Books

1. Where can I buy LDS books? **Bookstores:** Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. **Online Retailers:** Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? **Hardcover:** Sturdy and durable, usually more expensive. **Paperback:** Cheaper, lighter, and more portable than hardcovers. **E-books:** Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a LDS book to read? **Genres:** Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). **Recommendations:** Ask friends, join book clubs, or explore online reviews and recommendations. **Author:** If you like a particular author, you might enjoy more of their work.
4. How do I take care of LDS books? **Storage:** Keep them away from direct sunlight and in a dry environment. **Handling:** Avoid folding pages, use bookmarks, and handle them with clean hands. **Cleaning:** Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? **Public Libraries:** Local libraries offer a wide range of books for borrowing. **Book Swaps:** Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? **Book Tracking Apps:** Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. **Spreadsheets:** You can create your own spreadsheet to track books read, ratings, and other details.
7. What are LDS audiobooks, and where can I find them? **Audiobooks:** Audio recordings of books, perfect for listening while commuting or multitasking. **Platforms:** Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? **Buy Books:** Purchase books from authors or independent bookstores. **Reviews:** Leave reviews on platforms like Goodreads or Amazon. **Promotion:** Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? **Local Clubs:** Check for local book clubs in libraries or community centers. **Online Communities:** Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read LDS books for free? **Public Domain Books:** Many classic books are available for free as they're in the public domain. **Free E-books:** Some websites offer free e-books legally, like Project Gutenberg or Open Library.
