Lowell L. Bennion

**The Next Mormons** Jana Riess, 2019-02-01 American Millennials--the generation born in the 1980s and 1990s--have been leaving organized religion in unprecedented numbers. For a long time, the Church of Jesus Christ of Latter-day Saints was an exception: nearly three-quarters of people who grew up Mormon stayed that way into adulthood. In *The Next Mormons*, Jana Riess demonstrates that things are starting to change. Drawing on a large-scale national study of four generations of current and former Mormons as well as dozens of in-depth personal interviews, Riess explores the religious beliefs and behaviors of young adult Mormons, finding that while their levels of belief remain strong, their institutional loyalties are less certain than their parents' and grandparents'. For a growing number of Millennials, the tensions between the Church's conservative ideals and their generation's commitment to individualism and pluralism prove too high, causing them to leave the faith--often experiencing deep personal anguish in the process. Those who remain within the fold are attempting to carefully balance the Church's strong emphasis on the traditional family with their generation's more inclusive definition that celebrates same-sex couples and women's equality. Mormon families are changing too. More Mormons are remaining single, parents are having fewer children, and more women are working outside the home than a generation ago. *The Next Mormons* offers a portrait of a generation navigating between traditional religion and a rapidly changing culture.

*The Mormon Quest for Glory* Melvyn Hammarberg, 2013-06-03 The Church of Jesus Christ of Latter-day Saints has 6 million members in the United States today (and 13 million worldwide). Yet, while there has been extensive study of Mormon history, comparatively little scholarly attention has been paid to contemporary Mormons. The best sociological study of Mormon life, Thomas O'Dea's *The Mormons*, is now over fifty years old. What is it like to be a Mormon in America today? Melvyn Hammarberg attempts to answer this question by offering an ethnography of contemporary Mormons. In *The Mormon Quest for Glory*, Hammarberg examines Mormon history, rituals, social organization, family connections, gender roles, artistic traditions, use of media, and missionary work. He writes as a sympathetic outsider who has studied Mormon life for decades, and strives to explain the religious world of the Latter-day Saints through the lens of their own spiritual understanding. Drawing on a survey, participant observation, interviews, focus groups, attendance at religious gatherings, diaries, church periodicals, lesson manuals, and other church literature, Hammarberg aims to present a comprehensive picture of the religious world of the Latter-day Saints.

*Mormonism and Evolution* William Evenson, Duane E. Jeffery, 2006-01-01 The Church of Jesus

Christ of Latter-day Saints (the Mormon Church) has generally been viewed by the public as anti-evolutionary in its doctrine and teachings. But official statements on the subject by the Church's highest governing quorum and/or president have been considerably more open and diverse than is popularly believed. This book compiles in full all known authoritative statements (either authored or formally approved for publication) by the Church's highest leaders on the topics of evolution and the origin of human beings. The editors provide historical context for these statements that allows the reader to see what stimulated the issuing of each particular document and how they stand in relation to one another.

Book of Commandments, for the Government of the Church of Christ Church of Jesus Christ of Latter-Day Saints, 1884

**I Love Mormons** David L. Rowe, 2005-08-01 David L. Rowe asserts that many Mormons view Christian witnessing as Bible bashing. What Christians need to understand, he suggests, is that Latter-day Saints are an entirely separate ethnic group with their own history, values, and customs. Evangelizing Mormons can be so much more effective if Christians first know, understand, and respect Mormon heritage. With helpful illustrations and discussions of Mormon values and theology, Rowe calls Christians away from confrontational evangelism and instead suggests active listening and respect as a way to bridge Christian beliefs and Mormon culture. A glossary in the back of the book and discussion questions at the end of each chapter will help readers apply these concepts in their own witnessing experiences. In the end, Christians will be more approachable representatives of Christ.

**The Religion of the Latter-day Saints** Lowell L. Bennion, 1940 A course to help students gain an understanding of the religion of the Latter-day Saints.

**The Articles of Faith** James E. Talmage, 2022-09-15 The lectures herewith presented have been prepared in accordance with the request and appointment of the First Presidency of the Church. The greater number of the addresses were delivered before the Theology Class of the Church University; and, after the close of the class sessions, the lectures were continued before other Church organizations engaged in the study of theology. To meet the desire expressed by the Church authorities,—that the lectures be published for use in the various educational institutions of the Church,—the matter has been revised, and is now presented in this form. In anticipation of probable question or criticism regarding the disparity of length of the several lectures, it may be stated that each of the addresses occupied two or more class sessions, and that the present arrangement of the matter

in separate lectures is rather one of compilation than of original presentation.

**Mormons and the Bible** Philip L. Barlow,2013-06-27 Philip L. Barlow analyzes the approaches taken to the Bible by key Mormon leaders, from founder Joseph Smith up to the present day. This edition includes an updated preface and bibliography.

Exhibiting Mormonism Reid Neilson,2011-03-01 The 1893 Columbian Exposition, also known as the Chicago World's Fair, presented the Latter-day Saints with their first opportunity to exhibit the best of Mormonism for a national and an international audience after the abolishment of polygamy in 1890. The Columbian Exposition also marked the dramatic reengagement of the LDS Church with the non-Mormon world after decades of seclusion in the Great Basin. Between May and October 1893, over seven thousand Latter-day Saints from Utah attended the international spectacle popularly described as the "White City." While many traveled as tourists, oblivious to the opportunities to "exhibit" Mormonism, others actively participated to improve their church's public image. Hundreds of congregants helped create, manage, and staff their territory's impressive exhibit hall; most believed their besieged religion would benefit from Utah's increased national profile. Moreover, a good number of Latter-day Saint women represented the female interests and achievements of both Utah and its dominant religion. These women hoped to use the Chicago World's Fair as a platform to improve the social status of their gender and their religion. Additionally, two hundred and fifty of the Mormon Tabernacle Choir's best singers competed in a Welsh eisteddfodd, a musical competition held in conjunction with the Chicago World's Fair, and Mormon apologist Brigham H. Roberts sought to gain LDS representation at the affiliated Parliament of Religions. In the first study ever written of Mormon participation at the Chicago World's Fair, Reid L. Neilson explores how Latter-day Saints attempted to "exhibit" themselves to the outside world before, during, and after the Columbian Exposition, arguing that their participation in the Exposition was a crucial moment in the Mormon migration to the American mainstream and its leadership's discovery of public relations efforts. After 1893, Mormon leaders sought to exhibit their faith rather than be exhibited by others.

*The Mormon Faith of Mitt Romney* Andrew Jackson,2012-01-18 In this timely book, the author uncovers the history, teachings and practices of the Latter-day Saints, compares them to evangelical Christian beliefs and challenges former Massachusetts governor and presidential candidate Mitt Romney to be open and transparent about his beliefs and its implications if he is elected president.

**History of the Church of Jesus Christ of Latter Day Saints: 1873-1890** Joseph Smith (Jr.),1903

**The Articles of Faith a Series of Lectures on the Principal Doctrines of The Church of Jesus Christ**

**of Latter-Day Saints** James E. Talmage,2024-02-02 James E. Talmage delivers a series of insightful lectures on the principal doctrines of the Church of Jesus Christ of Latter-Day Saints in *The Articles of Faith*. *The Articles of Faith A Series of Lectures on the Principal Doctrines of the Church of Jesus Christ of Latter-Day Saints* by James E. Talmage: Deepen your understanding of the doctrines of the Church of Jesus Christ of Latter-Day Saints with *The Articles of Faith* by James E. Talmage. In this series of lectures, Talmage provides a comprehensive exploration of the fundamental principles that underpin the beliefs of the Latter-Day Saints. Why This Book? James E. Talmage's *The Articles of Faith* offers a clear and insightful exposition of the core doctrines of the Latter-Day Saints. This book serves as an invaluable resource for those seeking a deeper understanding of the beliefs and teachings of this religious tradition. James E. Talmage, a respected religious scholar and leader, leaves a lasting legacy with his profound exploration of faith and doctrine in *The Articles of Faith*.

*A Comprehensive History of the Church of Jesus Christ of Latter-day Saints* Brigham Henry Roberts,1930

*The Latter-day Saints' Millennial Star* ,1869

*History of the Church of Jesus Christ of Latter Day Saints, 1805-1890* Joseph Smith (III),Heman Conoman Smith,1911

*Mormonism and the Emotions* Mauro Properzi,2015-05-21 *Mormonism and the Emotions* provides the construction of an introductory Latter-day Saint (LDS) theology of emotion that is both canonically based and scientifically informed.

*The Complete Idiot's Guide to Understanding Mormonism* Drew Williams,2003-06-03 From its founding in pioneer times to the present day, the Church of Jesus Christ of Latter-Day Saints has been both mysterious and misunderstood—with some Protestant faiths not even recognizing the Mormons as Christians. This fascinating guide debunks the myths of Mormonism and reveals its history, faith, and culture.

*Bright Lights in the Desert* Fred E Woods,2023-02-14 *Bright Lights in the Desert* explores the history of how members of the Church of Jesus Christ of Latter-day Saints in Las Vegas have improved the regions' neighborhoods, inspired educational institutions, brought integrity to the marketplace, and provided wholesome entertainment and cultural refinement. The LDS influence has helped shape the metropolitan city because of its members' focus on family values and community service. Woods discusses how, through their beliefs and work ethics, they have impacted the growth of the area from the time of their first efforts to establish a mission in 1855 through the present day.

Bright Lights in the Desert reveals Las Vegas as more than just a tourist destination and shows the LDS community's commitment to making it a place of deep religious faith and devotion to family.

**Introducing Christianity to Mormons** Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it. When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints, it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ. For every believer who prays for loved ones in the LDS Church—or loved ones who gave up on religion after leaving Mormonism—Introducing Christianity to Mormons is the guidebook you need to witness to them. Inside, you'll find real-life conversations that give you helpful ideas for what to say in your discussions contrast points between Mormonism and Christianity that illuminate God's truth biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church Get ready to present the case for Christianity with confidence and grace. This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community.

**Saints: The Story of the Church of Jesus Christ in the Latter Days** The Church of Jesus Christ of Latter-day Saints, 2018-09-04 In 1820, a young farm boy in search of truth has a vision of God the Father and Jesus Christ. Three years later, an angel guides him to an ancient record buried in a hill near his home. With God's help, he translates the record and organizes the Savior's church in the latter days. Soon others join him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. The women and men who join the church must choose whether or not they will stay true to their covenants, establish Zion, and proclaim the gospel to a troubled world. The Standard of Truth is the first book in Saints, a new, four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write history "for the good of the church, and for the rising generations" (Doctrine and Covenants 69:8).

Delve into the emotional tapestry woven by Emotional Journey with in Experience **LDS** . This ebook, available for download in a PDF format ( PDF Size: \*), is more than just words on a page; it is a journey of connection and profound emotion. Immerse yourself in narratives that tug at your heartstrings. Download now to experience the pulse of each page and let your emotions run wild.
