Discover how to survive and thrive as a freelancer - without neglecting your mental health and wellbeing. THE CASE FOR FREELANCE LIFE The freelance dream is often portrayed as:

Earning good money doing the thing you love+working where you like+working how you like+working when you like Why does no one tell us just how relentless the business end of freelance life can be?! There are 2 million freelancers in the UK alone. Yet 20% of self-employed businesses don't make it through the first year, and 60% don't survive beyond five years. Those are scary stats! Yes, working alone can be damn hard. But going into self-employment with your eyes wide open gives you the best chance of success. Survival Skills for Freelancers shares an honest and realistic view of self-employment, to help you rock the socks off freelance life. ABOUT THE AUTHOR Sarah Townsend has spent the past 20 years as a freelance marketing copywriter. She built a successful freelance career with very little guidance - but you don't have to. In Survival Skills for Freelancers she shares the secrets and surprises she's learnt from self-employment: both the things that worked AND the things that didn't. She guides you through the highs and lows all freelancers face - from isolation, uncertainty and self-doubt to knowing what to charge, when to ask for help, and when to say no. These tried and tested strategies are based on her own experience, backed up by research, resources and quotes from the freelance community. WHAT PEOPLE ARE SAYING I've been freelancing for over 15 years and I wish I'd read this book on day one. Every page is packed with practical advice and hard-won wisdom. Get it! self-employment, spend your first few pounds on this book. It'll make every subsequent pound and hour better spent. Matthew Knight Founder, Leapers WHAT'S INCLUDED Survival Skills for Freelancers covers issues such as: the fundamentals of freelancing three strategies to deal with isolation knowing your worth - and what to charge trusting your instinct, and learning to say no achieving balance and avoiding burnout the importance of investing in your business the qualities that help you survive and thrive as a freelancer

Let's Swap for a Day Shu-Ti Liao, 2020-10 A girl and her dog decide to swap places for the day. She stays at home and naps and plays all morning. The dog goes to school and paints and learns with his classmates. Everything goes well until it's time to eat. The girl doesn't like the smell or taste of dog food, and the dog doesn't want people food. If that wasn't bad enough, they both have to go to the bathroom. Will the girl go outside in the bushes? Will the dog use the toilet? Or will this be their breaking point?

Hey, Let's Make a Band! 5 Seconds of Summer, 2014-10-14 Hi everyone, This book is pretty much our official story so far. It really does seem only like last week we played our first gig at the Annandale Hotel in Sydney. Since then we've been given the opportunity to turn into the people and musicians we wanted to be. The people who gave us the opportunity were the fans. So this book is like a thank-you. We want everyone to know the story of how four western Sydney teenagers picked up their instruments and dreamed of being one of the biggest bands in the world. There are also some embarrassing photos of us derping around and some facts that some of us didn't even know. So we hope you enjoy it! Love, cal, luke, ash, and mike x
