Liar Liar Philadelphia Liars Club,The Philadelphia Liars Club,Keith DeCandido,Gregory Frost,Merry Bloch Jones,Solomon Jones,2011-08-01 Lying is essential to good story-telling. Daily, we writers sit at their computers--or Underwoods or legal pads--and write down a bunch of untruths, piling

one on top of another, page after page. We compound them, massage them, edit them, spin them, until we're satisfied that, despite how outlandish or other-worldly these lies are, you the reader will swallow them. (From Sandra Brown's introduction to LIAR LIAR) This gripping new anthology offers a baker's dozen tales of deceit by some of the finest liars in the business. The stories vary in setting, genre, style and tone, but they share a common theme: Each is based on a lie. Even better: Part of the proceeds from sales of this anthology will go to literacy organizations. And that's no lie.

Liar Janine Amos, 2007 Good behavior makes life pleasant for everyone. The six titles in the Good & Bad series show examples of good and bad behavior in a variety of situations, illustrating the difference between the right and wrong way to behave and the consequences it can have on other people and their feelings. Each title consists of three stories, through which all children will be able to identify with the characters, as well as adults welcoming the sound moral and psychological sense that each story provides. Each story concludes with a summary section, focusing on the main points of good and bad behavior. Liar tells the stories of Kerry, Ben and Ruth, as each child experiences what it is like to lie.

Liar, Liar Judi Curry, 2019-10-24 Liar, Liar: A Non-Fiction Account of Online Dating Experiences By: Judi Curry Judi is a retired educator that lost her husband in 2009 to lung cancer after 46 years of marriage. Married at seventeen, she had never lived on her own and after the pangs of loss numbed, she decided that she would like to find a full-time companion to spend the rest of her life with. The only problem was where would a 60+ year-old female go to find such companionship? Online dating seemed a viable answer, so she signed up with online dating services to meet that companion. Liar, Liar is a word for word accounting of the men she talked to over a period of four years. The wording of the communications has not been edited, nor changed, for to do so would have changed the communication drastically between them. Although each of the chapters are about the "scammers" she met, she did meet several men that were sincere and their stories are not part of the book because of that sincerity. At this point she is still looking for a companion, but not online.

The Liar in Your Life Robert Feldman,2009-08-03 In *The Liar in Your Life*, psychology professor Robert Feldman, one of the world's leading authorities on deception, draws on his immense body of knowledge to give fresh insights into how and why we lie, how our culture has become increasingly tolerant of deception, the cost it exacts on us, and what to do about it. His work is at once surprising and sobering, full of corrections for common myths and explanations of pervasive oversimplifications. Feldman examines marital infidelity, little white lies, career-driven resumé lies, and how we teach children to lie. Along the way, he reveals-despite our beliefs to the contrary- how it is nearly impossible to spot a liar (studies have shown no relationship between nervousness, lack of eye contact, or a trembling voice, and acts of deception). He also provides startling evidence of just how integral lying is to our culture; indeed, his research shows that two people, meeting for the first time, will lie to each other an average of three times in the first ten minutes of a conversation. Feldman uses this discussion of deception to explore ways we can cope with infidelity, betrayal, and mistrust, in our friends and family. He also describes the lies we tell ourselves: Sometimes, the liar in your life is the person you see in the mirror. With incisive clarity and wry wit, Feldman has written a truthful book for anyone whose life has been touched by deception.

The Liar David Ives,2011 *THE STORY*: Paris, 1643. Dorante is a charming young man newly arrived in the capital, and he has but a single flaw: He cannot tell the truth. In quick succession he meets Cliton, a manservant who cannot tell a lie, and falls in love with Clarice, a

The Liar Ayelet Gundar-Goshen,2019-09-24 This brilliant novel, an Elle Magazine Best Book of the Year about lying and the lure of fame (Joan Siber, National Book Critics Circle and PEN/Faulkner award-winning author), reveals how one mistake can have a thousand consequences. Nofar is an average teenage girl -- so average, in fact, that she's almost invisible. Serving customers ice cream all summer long, she is desperate for some kind of escape. One afternoon, a terrible lie slips from her tongue. And suddenly everyone wants to talk to her: the press, her schoolmates, and even the boy upstairs. He is the only one who knows the truth, and he is demanding a price for his silence. Then Nofar meets Raymonde, an elderly immigrant whose best friend has just died. Raymonde keeps her friend alive the only way she knows how, by inhabiting her stories. But soon, Raymonde's lies take on a life of their own. Written with propulsive energy, dark humor, and deep insight, *The Liar* reveals the far-reaching consequences of even our smallest choices, and explores the hidden corners of human nature to reveal the liar, and the truth-teller, in all of us.

The Liar Stephen Fry,2003-07-01 An “outrageously hilarious” novel about a young man who has trouble with the truth (*The Boston Globe*). Adrian Healey loves to lie. He does it all the time. Every minute, every moment. And worse, he does it wonderfully, imaginatively, brilliantly. He lies to buck the system, to express his contempt for convention, but mostly because he just plain likes to. It’s fun. He invents a lost pornographic novel by Charles Dickens, and, for himself, a career as a Piccadilly rent boy, hireable by the hour. But Adrian’s lies eventually bring true danger, as he finds himself caught up in the machinations of a shadowy network that puts his own life at risk, in this “clever and entertaining novel that will appeal to Anglophiles with a twisted sense of humor” (*Library Journal*).

The Artful Liar Cynthia Leeds Friedlander, 2018-02-14 THE ARTFUL LIAR is a fictionalized memoir about disloyalty and duplicity written in the third-person as a series of stand-alone vignettes based on the author's imagination and experiences. At the end of each vignette are five meaningful learning messages, gleaned through the life tests of that story. THE ARTFUL LIAR presents an examined life to the reader. It tells one woman's journey and her reflections on surviving deception and betrayal. It's meant to be a gift to women of all ages everywhere who struggle with dishonesty, cheating, infidelity and relationship loss. It's a call to every woman to be strong, to pay attention, to listen to her gut, to rid herself of betrayers and deceivers, and to claim what she wants. Reviews for THE ARTFUL LIAR: "In THE ARTFUL LIAR, Cynthia Friedlander has given us the compelling story of a decade-long relationship between a charming sociopathic liar and the successful, talented and intelligent woman who loves him. When she at last discovers - and can no longer explain away or deny - the extent of his lies, she must learn to fight to regain her self-respect, self-esteem, and her very existence. THE ARTFUL LIAR ultimately becomes a heart-wrenching cautionary tale for modern, urban women of all ages." -Pat Carr, author of ONE PAGE AT A TIME "Cynthia Friedlander's THE ARTFUL LIAR delves into the story of a betrayed woman with such depth and honesty, one can almost feel her pain as she becomes aware of the extent of her betrayer's lies. She must come to terms with the knowledge that a man she loved and shared her life with had deceived her for years, and Friedlander pours her soul into her writing of the woman's pain and, eventual healing. Friedlander provides a service to the many people who will find comfort in seeing themselves and their stories reflected in this book." -Ellen Schnier, LCSW, Psychotherapist "What a beautiful and graceful telling of an extraordinary story. I could not stop turning the pages and anticipating what would happen next - what great storytelling is all about. Surely this book is going to touch many lives. So many of us have been deceived by one(s) we loved; this retelling of how the author overcame, regained her confidence, and moved on was what really made the book for me. I am also very impressed with the guiding messages. Such a gift for anyone who is in the valley and trying to climb back up the mountain." -Elise Davis-McFarland, PhD, former VP, Trident Technical College, Certified Speech-Language Pathologist "Thank you for giving us THE ARTFUL LIAR. This book stirred my emotions and interest at all times. I could feel pain and anger. What a strong and courageous woman. THE ARTFUL LIAR will help many women who have found themselves in a deceptive relationship." -Florence Schmelzer, Native New Yorker, Relationship Survivor, Former Manager, New York Convention and Visitors Bureau

The Liar John P Murphy, 2016-04 Greg Kellogg is pretty honest for a liar. He's lived in Versailles, New Hampshire (population: yes) for his whole adult life, working as a handyman and telling little lies, the kind that mend rakes and chill beer and keep his lights on even when the power's out. Pastor Julie is new in town, and she and Greg seem to keep bumping into each other. Greg likes it that way. But when she brings him a job one crisp fall morning, they get drawn into a town mystery: an old lie and a string of deaths that might catch up to Julie's troublesome daughter. Greg's a damn good liar, but this job might call for some hard truths instead. The Liar was a finalist for the Nebula Award for Best Novella.
