Ghost Lights: A Novel Lydia Millet,2011-10-24 Suspecting his wife, Susan, is cheating on him with a younger coworker, Hal drunkenly volunteers to search for their missing boss who vanished in a tropical jungle in Belize, in this new novel from the author of *How the Dead Dream*. 13,000 first printing.

Southern Lights Danielle Steel,2009-10-20 Danielle Steel sweeps us from a Manhattan courtroom to the Deep South in her powerful new novel—at once a behind-closed-doors look into the heart of a family and a tale of crime and punishment. Eleven years have passed since Alexa Hamilton left the South behind, fleeing the pain of her ex-husband's betrayal and the cruelty of his prominent Charleston family. Now an assistant D.A. in Manhattan, Alexa has finally put her demons to rest, making a name for herself as a top prosecutor, handling the city's toughest cases while juggling her role as devoted single mom to a teenage daughter. But everything changes when Alexa is handed her latest case: the trial of accused serial killer Luke Quentin. Sifting through mountains of forensic evidence, Alexa prepares for a high-stakes trial...until threatening letters throw her private life into turmoil. The letters are addressed to her beautiful seventeen-year-old daughter, Savannah, whom Alexa has been raising alone since her divorce. Alexa is certain that Quentin is behind the letters—and that they are too dangerous to ignore. Suddenly she must make the toughest choice of all—and send her daughter back to the very place she swore she would never return to: the place where her marriage ended in heartbreak...her ex-husband's world of southern tradition, memories of betrayal, and the antebellum charm of Charleston. Now, while Alexa's trial builds to a climax in New York, her daughter is settling into southern life, discovering a part of her family history and a father she barely knows—from the ice-cold stepmother who stole him away to a fascinating ancestry and a half-sister and half-brothers she comes to love. As secrets are exposed and old wounds are healed, Alexa and Savannah, after a season in different worlds, will come together again—strengthened by the challenges they have faced, changed by the mysteries they have unraveled, and with Savannah now at home in the southern world her mother fled. In this masterfully told tale, Danielle Steel creates a stunning array of contrasts: from the gritty chaos of Manhattan's criminal court system to the seductive gentility of the South, from the rage of a hardened criminal to the tender bond between a mother and daughter—and a loving father who has welcomed Savannah home at last. A novel that will catch you off guard at every turn, *Southern Lights* is Danielle Steel at her electrifying best.

City of Light Lauren Belfer,2010-09-01 A NEW YORK TIMES NOTABLE BOOK It is 1901 and Buffalo, New York, stands at the center of the nation's attention as a place of immense wealth and sophistication. The massive hydroelectric power development at nearby Niagara Falls and the grand Pan-American Exposition promise to bring the Great Lakes "city of light" even more repute. Against this rich historical backdrop lives Louisa Barrett, the attractive, articulate headmistress of the Macaulay School for Girls. Protected by its powerful all-male board, "Miss Barrett" is treated as an equal by the men who control the life of the city. Lulled by her unique relationship with these titans of business, Louisa feels secure in her position, until a mysterious death at the power plant triggers a sequence of events that forces her to return to a past she has struggled to conceal, and to question everything and everyone she holds dear. Both observer and participant, Louisa Barrett guides the reader through the culture and conflicts of a time and place where immigrant factory workers and nature conservationists protest violently against industrialists, where presidents broker politics, where wealthy "Negroes" fight for recognition and equality, and where women struggle to thrive in a system that allows them little freedom. Wrought with remarkable depth and intelligence, *City of Light* remains a work completely of its own era, and of ours as well. A stirring literary accomplishment, Lauren Belfer's first novel marks the debut of a fresh voice for the new millennium and heralds a major publishing event.

Porch Lights Dorothea Benton Frank, 2012-06-12 New York Times bestselling author Dorothea Benton Frank is back home in the Carolina lowcountry, spinning a tale that brims with the warmth, charm, heart, and humor that has become her trademark. *Porch Lights* is a stirring, emotionally rich multigenerational story—a poignant tale of life, love, and transformation—as a nurse, returning to Sullivan's Island from the Afghanistan War, finds her life has been irrevocably altered by tragedy...and now must rediscover love and purpose with the help of her son and aging mother. An evocative visit to enchanting Sullivan's Island with its unique pluff mud beaches, palmetto trees, and colorful local lore—a novel filled with unforgettable characters, and enlivened by tales of the notorious Blackbeard and his bloodthirsty pirate crew and eerie Edgar Allan Poe stories—*Porch Lights* stands tall among the very best works of not only Dottie Frank, but Anne Rivers Siddons, Rebecca Wells, Pat Conroy, and other masters of the modern Southern novel as well.

Eight Chanukah Lights Annie Auerbach, 2004 Happy Chanukah! Count up from one to eight as lights appear with each turn of the page! Watch as different families light their menorahs on every spread, and learn new words and facts about Chanukah traditions! Features real working lights.

Under the Lights Abbi Glines, 2016-08-23 In the follow-up to Abbi Glines's #1 New York Times bestseller *Until Friday Night*—which bestselling author Kami Garcia called “tender, honest, and achingly real”—three teens from a small southern town are caught in a dramatic love triangle. Willa can't erase the bad decisions of her past that led her down the path she's on now. But she can fight for forgiveness from her family. And she can protect herself by refusing to let anyone else get close to her. High school quarterback and town golden boy Brady used to be the best of friends with Willa—she even had a crush on him when they were kids. But that's all changed now: her life choices have made her a different person from the girl he used to know. Gunner used to be friends with Willa and Brady, too. He too is larger than life and a high school football star—not to mention that his family basically owns the town of Lawton. He loves his life, and doesn't care about anyone except himself. But Willa is the exception—and he understands the girl she's become in a way no one else can. As secrets come to light and hearts are broken, these former childhood friends must face the truth about growing up and falling in love...even if it means losing each other forever.

Carnival Lights Chris Stark, 2021 Minnesota Book Awards 2022 -- Finalist in Novel & Short Story Fluid in time and place, *Carnival Lights* flows between one past and another, offering a heartbreaking portrait of multigenerational trauma in the lives of one Ojibwe family. This tapestry of stories is beautifully woven and gut-wrenching in its effect. Read it, and it may change you forever. -- William Kent Krueger, New York Times Bestselling author Blending fiction and fact, *Carnival Lights* ranges from reverie to nightmare and back again in a lyrical yet unflinching story of an Ojibwe family's struggle to hold onto their land, their culture, and each other. *Carnival Lights* is a timely book for a country in need of deep healing. In August 1969, two teenage Ojibwe cousins, Sher and Kris, leave their northern Minnesota reservation for the lights of Minneapolis. The girls arrive in the city with only \$12, their grandfather's WWII pack, two stainless steel cups, some face makeup, gum, and a lighter. But it's the ancestral connections they are also carrying - to the land and trees, to their family and culture, to love and loss - that shapes their journey most. As they search for work, they cross paths with a gay Jewish boy, homeless white and Indian women, and men on the prowl for runaways. Making their way to the Minnesota State Fair, the Indian girls try to escape a fate set in motion centuries earlier. Set in a summer of hippie Vietnam War protests and the moon landing, *Carnival Lights* also spans settler arrival in the 1800s, the creation of the reservation system, and decades of cultural suppression, connecting everything from lumber barons' mansions to Nazi V-2 rockets to smuggler's tunnels in creating a narrative history of Minnesota. Fluid in time and place, *Carnival Lights* flows between one past and another, offering a heartbreaking portrait of multigenerational trauma in the lives of one Ojibwe family, this tapestry of stories is beautifully woven and gut-wrenching in its effect. Read it, and it may change you forever. -- William Kent Krueger, New York Times Best Selling Author Chris Stark's newest novel explores the evolution of violence experienced by Native women.

Simultaneously graphic and gentle, *Carnival Lights* takes the reader on a daunting journey through generations of trauma, crafting characters that are both vulnerable and resilient. -- Sarah Deer, (Mvskoke), Distinguished Professor, University of Kansas, MacArthur Genius Award Recipient

Carnival Lights is a heartbreaking wonder of gorgeous prose and urgent story. It propels the reader at a breathless pace as history crashes down on the readers as much as it does on the book's vivid characters. The author's brilliant heart restores their dignity and via the realm of imagination, brings them home. -- Mona Susan Power, author of *The Grass Dancer*, a PEN/Hemingway Winner

It's not every day that one is given an inimitable gift of truth. *Carnival Lights* is that gift. The history books that we've all read throughout time were purposely devoid of the realities of decades of Native genocide, attempts to eradicate our culture, and the horrendous effects of the boarding school era-trauma that continues to permeate the American Indian communities today. *Carnival Lights* is an opportune story of how two young girls navigate these lived experiences and provides a veracity that will reach deep into your heart, creating a newfound reflection of the actualities of this historical trauma. Chris Stark, a skilled narrative artist, once again engenders storytelling that ingeniously weaves multi-generational authenticities for not only the Native communities, but also as reflected for so many others. It's time for all of us to embrace this gift of truth. -- Deb Foster, Anishinaabe, MS-MFT Executive Director for the Ain Dah Yung Center, a meeting place for American Indian homeless youth and families

There are so many moods and story currents running through this wonder of a novel that I can attribute to individual women whose lives experiences run parallel to Stark's many characters. The two female adolescences in this novel take us to high and low heights, just like a carnival ride. It's overwhelming, irrational and dangerous, and there is no one to help, just as it has been for Indigenous people from the moment colonizers stepped foot on this continent of Turtle Island. *Carnival Lights* is powerful storytelling. Indigenous ancestors are persistently returning, so as not to be forgotten in death and memory, and Stark puts the reader right in the center of their pain and struggles. -- Mary K. Kunesh, Minnesota Senator, Standing Rock Lakota descendant, chair of Minnesota Missing and Murdered Indigenous Women taskforce

Carnival Lights is a powerful story of resilience, an emotional rollercoaster ride and an expression of the raw truth of multigenerational trauma. Sher, a lesbian and protector, or what we call 'two-spirit, ' is particularly connected with the old ways. -- Lenny Hayes, Sisseton-Wahpeton Oyate, and Two-Spirit activist

Chris Stark weaves Native spirituality throughout *Carnival Lights* from the 1960s, before the Religious Freedom Act of 1978. We will lay under a fern, waiting for a drop of water to fall from the tip of the leaf with Em, feel the freedom of fleeing abuse with Kris and get to know the protector Sher who watches over Kris like a wolf. *Carnival Lights* reminds us that we are not alone, and we are watched over by ones we would have never known or seen if it were not for this desperate moment we are in right now. Chris Stark reminds us how important our teachings are, how our memories can comfort us in our darkest hour when we need it the most. Chris draws us into the inspiration and comfort provided to the characters at times guiding their next move. -- Babette Sandman, Ojibwe elder, White Earth Nation enrolled citizen living in Duluth

Chris Stark has done a beautiful job of incorporating this story of cousins; Sher and Kristin, within a historical and cultural narrative. The trauma that they experience is a familiar tale for many of us. I did not just read this story.... I felt this story and I journeyed with Sher and Kristin in all directions, and through many emotions. The connection to the story of Native women today is clear and brilliantly written. Chi miigwetch, Chris! -- Nicole Matthews, ED of Minnesota Indian Women's Sexual Assault Coalition, White Earth Anishinaabe

Matches S. D. Chrostowska, 2019-04-10 It takes any number of forms. Epigrams. Aphorisms. Fragments. Sayings. Dicta. Sententiae. Facetiae. Pearls of wisdom. Fractions of truth. Maxims. Definitions. Jottings. Miscellaneous musings. Meditations. Ricordi. Pensées. Ephemera. Miniatures. Sketches. Vignettes. Denkbilder. Capriccios. Tiny 'fires without flames' ... In returning to these genres, *Matches* goes back to the drawing board of modern critique. It sets out to rekindle short-form literary-philosophical reflection, with roots in the Antiquity of Heraclitus and Hippocrates, apogee in the French moralistes (La Rochefoucauld, Pascal, Chamfort ...), and late splendour in German letters (Nietzsche, Kraus, Jünger ...). Moving from art and aesthetics to philosophies past and present, through natural and technological landscapes, beneath the constellations of politics, history and ethics, along the byways of contemporary literary culture--the slow reader with a little spare time will not fail to be struck. Here are pages to peruse and mistrust, texts to think with, a book to put down and ponder, to ponder and put down. A tome to keep handy, handle often, and strike repeatedly against the rough patches of the mind.

The Black Lights Thomas Hauser, 1991

Greenlights Matthew McConaughey, 2023-07-06 From the Academy Award®-winning actor, an unconventional memoir filled with raucous stories, outlaw wisdom, and lessons learned the hard way about living with greater satisfaction. I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges - how to get relative with the inevitable - you can enjoy a state of success I call 'catching greenlights.' So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights-and to realising that the yellows and reds eventually turn green too. Good luck.
