Her Troubled Life Linda Moore,2015-01-22 For some reason or another, author Linda Moore always ended up with bad people throughout her journey. She had a strange, unexplainable resistance to anything good that came her way. In *Her Troubled Life*, she shares her story of living a wild and tormented life. In this memoir, she candidly and honestly tells in flashbacks how being abused by her father at tender age set a dark tone for the rest of her life. Moore narrates how rapes, attempted suicides, abuse, character assassinations, infidelity, want, misery, and pain were some of her closest companions. *Her Troubled Life* details how Moore was blessed with musical talent, but for many years she did not take advantage of her opportunities. She met a Swiss man who helped turn her life around. A story that could be a study of humanity, *Her Troubled Life* discusses how one woman's lifelong development was affected by an anguished childhood. It reveals Moore fully?a real woman who bears the effect of what others have done to her and what she has done to herself.

Evvie Drake Starts Over Linda Holmes, 2022-03-29
NEW YORK TIMES BESTSELLER • Read with Jenna Book Club Pick as Featured on Today • “Everything a romantic comedy should be: witty, relatable, and a little complicated.”—People A heartfelt debut about the unlikely relationship between a young woman who’s lost her husband and a major league pitcher who’s lost his game. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR In a sleepy seaside town in Maine, recently widowed Eveleth “Evvie” Drake rarely leaves her large, painfully empty house nearly a year after her husband’s death in a car crash. Everyone in town, even her best friend, Andy, thinks grief keeps her locked inside, and Evvie doesn’t correct them. Meanwhile, in New York City, Dean Tenney, former Major League pitcher and Andy’s childhood best friend, is wrestling with what miserable athletes living out their worst nightmares call the “yips”: he can’t throw

straight anymore, and, even worse, he can't figure out why. As the media storm heats up, an invitation from Andy to stay in Maine seems like the perfect chance to hit the reset button on Dean's future. When he moves into an apartment at the back of Evvie's house, the two make a deal: Dean won't ask about Evvie's late husband, and Evvie won't ask about Dean's baseball career. Rules, though, have a funny way of being broken—and what starts as an unexpected friendship soon turns into something more. To move forward, Evvie and Dean will have to reckon with their pasts—the friendships they've damaged, the secrets they've kept—but in life, as in baseball, there's always a chance—up until the last out. A joyful, hilarious, and hope-filled debut, *Evvie Drake Starts Over* will have you cheering for the two most unlikely comebacks of the year—and will leave you wanting more from Linda Holmes. Praise for *Evvie Drake Starts Over* "A quirky, sweet, and splendid story of a woman coming into her own."—Taylor Jenkins Reid, *New York Times* bestselling author of *Daisy Jones & The Six* "Effortlessly enjoyable . . . [a] pitch-perfect . . . adult love story that is as romantic as it is real."—USA Today "Charming, hopeful, and gently romantic . . . Evvie Drake is great company."—Rainbow Rowell, #1 *New York Times* bestselling author of *Eleanor & Park*

With this book, you will discover: • The power of resilience and overcoming adversity • The strength to forgive and find peace • How to make the most of your life, no matter the circumstances
In March 1969, Linda learned of her vivacious mother's death, her right temple blown out by a bullet from her father's pistol. Was it suicide or homicide? father marries Hollywood hostess Denise Minnelli, stepmother to Liza Minnelli. This book includes Linda's vivid account of her life, her father's decision to leave the family fortune to Denise Minnelli, and her own journey to forgiveness. It also includes her recollections of the family's 10,000-acre ranch, hunting trips to Africa and Alaska, and high society vignettes of a fourth-generation San Francisco family. With this book, you will find the power of resilience in overcoming adversity that brings life-transforming peace. My Life With An Enigma Linda Paul, 2019-11-29
From England to Wyoming via Germany and New York. Yramiris Paul Tracy rebelled against traditional norms to forge the life she wanted to live--life on a ranch in the west. As she told her NYC lawyer in 1957, My children will know the sky, the sunshine, the mountains, the prairie sage! My children will play on the back of a horse, not in a grimy alley. Yry was not just a unique individual, she was elusive. And she was a study in contrasts: a romantic dreamer, yet hard-headed and tough as nails when confronted with obstacles that would have pulled others up short. Her flair for the dramatic, paired with a fear of intimacy and exposure, resulted in a wake of similar, but never-matching stories of her past. Her complex

nature drew people to shake their heads in wonder and sometimes in disapproval, but to love her just the same. This book is the author's attempt to unravel the enigma that was her mother and to share Yry's uniqueness beyond the scope of her friends and family.

A Life Unexpected Linda Cristal, Jordan Wexler, 2019-02-13 Despite childhood poverty and the death of her brother and both parents at the age of thirteen, actress Linda Cristal escapes certain death in Argentina by stowing away on a ship to eventually become one of the most beautiful, successful, and well-known actresses in the world. *A Life Unexpected* is a book about her perseverance, her constant battles with naysayers, and her strength to move forward despite numerous obstacles. There has never been a story like this nor could there be as it wouldn't be believed. Yet it's true. This book details –the men in her life (Cary Grant, Jimmy Stewart, Dana Andrews, John Wayne, Charles Bronson, and even billionaire Howard Hughes); –the emotions throughout her life (fear, isolation, passion, sadness, joy, and a longing for real love); –the experiences in her life, such as reckless stunts, heartbreaking romances, and breaking all the rules, even flying to the edge of the atmosphere with an astronaut; and –finally, her unstoppable goal to become one of the most famous actresses in the world in an effort to make her mom proud. *A Life Unexpected* is a mixture of vignettes and short stories of her travels in the film lands of the world, her interactions with amazing people, and a lot of laughs sprinkled with salty tears for good

measure.

Dusty Angels and Old Diaries Linda

Meikle,2006-05 Everyone has a story to tell. Most are lucky if they find one person who will listen. This book shares over 40 years of personal diaries that give birth to the unusual story of my life.

When I was three years old, my mother wrote a goodbye note and disappeared without a trace. Her four small children were placed in the custody of the State of New York. Separated from our older brother and sister, my sister and I grew up fleeing from child protective service workers who only saw a glimpse of the conditions in which our grandmother was raising us after she illegally took us from the orphanage. This book tells my story based on a lifetime of my old diaries that relive the abuse and pain suffered at the hands of an unbridled, angry woman; the slow death of a turbulent marriage; the birth and blessings of two wonderful sons; and the lifelong search for my lost siblings. It describes the agonizing search for my mother - and the pivotal moment when I found her, almost forty years later! This autobiography is not about the ancestry of the Brantley family, the Mascunana family, or the Cash family. It is about innocence and power. It is about weakness and strength. It is about those who helped create the paths I took. I must write this so that my children will know the journey that I traveled before they were born, so my brothers and sisters will know who I am, and so my mother will understand why I can forgive her. It is a gift to myself and to you, the reader. It serves as my legacy for the future! Put on your soft slippers and walk with me a while.

Linda Linda Leven,2014-11-06

Gone Linda K. Olson,2020-10-27 Linda Olson and her husband, Dave Hodgins, were young doctors whose story had all the makings of a fairy tale. But then, while they were vacationing in Germany, a train hit their van, shattering their lives—and Linda's body. When Linda saw Dave for the first time after losing her right arm and both of her legs, she told him she would understand if he left. His response: "I didn't marry your arms or your legs. If you can do it, I can do it." In order to protect their loved ones, they decided to hide the truth about what really happened on those train tracks, and they kept their secret for thirty-five years. As a triple amputee, Linda learned to walk with prostheses and change diapers and insert IVs with one hand. She finished her residency while pregnant and living on her own. And she and Dave went on to pursue their dream careers, raise two children, and travel the world. Inspiring and deeply moving, *Gone* asks readers to find not only courage but also laughter in the unexpected challenges we all face. The day of the accident, no one envied Linda and Dave. Today, many do.
