Listen Shannon Stocker,2022-04-12 * Schneider Family Book Award Winner * A gorgeous and empowering picture book biography about Evelyn Glennie, a deaf woman, who became the first full-time solo percussionist in the world. (Cover may vary) No. You can't, people said. But Evelyn knew she could. She had found her own way to listen. From the moment Evelyn Glennie heard her first note, music held her heart. She played the piano by ear at age eight, and the clarinet by age ten. But soon, the nerves in her ears began to deteriorate, and Evelyn was told that, as a deaf girl, she could never be a musician. What sounds Evelyn couldn't hear with her ears, though, she could feel resonate through her body as if she, herself, were a drum. And the music she created was extraordinary. Evelyn Glennie had learned how to listen in a new way. And soon, the world was listening too. Radiant. —Publishers Weekly Perfect for elementary school readers . . . Excellent. —SLJ Beautiful. —A Mighty Girl “Lyrical . . . Expressive . . . Vibrant.” —Booklist “An intriguing, loving biography.” —Kirkus Engaging [and] vibrant. —The Horn Book Fantastic. —Book Riot

With the End in Mind Kathryn Mannix,2018-01-16 For readers of Atul Gawande and Paul Kalanithi, a palliative care doctor's breathtaking stories from 30 years spent caring for the dying. Modern medical technology is allowing us to live longer and fuller lives than ever before. And for the most part, that is good news. But with changes in the way we understand medicine come changes in the way we understand death. Once a familiar, peaceful, and gentle -- if sorrowful -- transition, death has come to be something from which we shield our eyes, as we prefer to fight desperately against it rather than accept its inevitability. Dr. Kathryn Mannix has studied and practiced palliative care for thirty years. In *With the End in Mind*, she shares beautifully crafted stories from a lifetime of caring for the dying, and makes a compelling case for the therapeutic power of approaching death not with trepidation, but with openness, clarity, and understanding. Weaving the details of her own experiences as a caregiver through stories of her patients, their families, and their distinctive lives, Dr. Mannix reacquaints us with the universal, but deeply personal, process of dying. With insightful meditations on life, death, and the space between them, *With the End in Mind* describes the possibility of meeting death gently, with forethought and preparation, and shows the unexpected beauty, dignity, and profound humanity of life coming to an end.

Listen Gabi Snyder,2021-07-13 “A memorable experience.”—Kirkus Reviews (starred review) In the tradition of Tomie dePaola's *Quiet* and Scott Magoon's *Breathe* comes this lyrical, meditative picture book about listening and mindfulness. BEEP! WOOF! VROOM! Isn't the world a noisy place? But what if you stop, close your eyes, and LISTEN? Can you hear each sound? Can you listen past the noise and hear the quiet, too? Beautifully illustrated and poignant, this lovely picture book follows a girl through her school day as she listens to sounds across the city: caws of crows, shouts across the playground, and finally, the quiet beating of her heart and whispered goodnights.

Just Listen Mark Goulston,2015-03-04 Getting through to someone is a critical, fine art. Whether you are dealing with a harried colleague, a stressed-out client, or an insecure spouse, things will go from bad to worse if you can't break through emotional barricades and get your message thoroughly communicated and registered. Drawing on his experience as a psychiatrist, business consultant, and coach, author Mark Goulston combines his background with the latest scientific research to help you turn the “impossible” and “unreachable” people in their lives into allies, devoted customers, loyal colleagues, and lifetime friends. In *Just Listen*, Goulston provides simple yet powerful techniques you can use to really get through to people including how to: make a powerful and positive first impression; listen effectively; make even a total stranger (potential client) feel understood; talk an angry or aggressive person away from an instinctual, unproductive reaction and toward a more rational mindset; and achieve buy-in--the linchpin of all persuasion, negotiation, and sales. Whether they're coworkers, friends, strangers, or enemies, the first make-or-break step in persuading anyone to do anything is getting them to hear you out. The invaluable principles in *Just Listen* will get you through that first tough step with anyone. With this groundbreaking book, you will be able to master the fine but critical art of effective communication.
