Hell in An Loc Quang Thi Lâm, 2009 Three days before Easter last spring, the North Vietnamese struck South Vietnam with a fury unknown to the Vietnam war since the Tet offensive four years earlier. They poured south across the DMZ, smashed into the central highland from Laos, crossed the border from Cambodia and, with an army of 36,000 men and 100 Russian-made tanks, raced toward Saigon, boasting that they'd be in the city by May 19, Ho Chi Minh's birthday. From one end of the country to the other, bases and villages fell before the savagery of their onslaught. By April 5, all that blocked them from Saigon was a ragtag band of 6,800 South Vietnamese regulars and militiamen and a handful of American advisors holed up in An Loc, a once-prosperous rubber-plantation town of 15,000 astride Highway 13, which led to the capital, 60 miles to the south ... In Thi's opinion, reporting the victory of An Loc would contradict the U.S. media's basic premise that the war could not be won because ARVN was a corrupt and ineffective force. Subsequent published studies of the conflict provide a wealth of details about the use of U.S. airpower and the role of the U.S. advisors, but they fail to provide equal coverage to the activities and performance of ARVN units participating in the siege. Thi believes that it is time to set the record straight. Without denying the tremendous contribution of the U.S. advisors and pilots to the success of An Loc, this book is written primarily to tell the South Vietnamese side of the story and, more importantly, to render justice to the South Vietnamese soldier who withstood ninety-four days of horror and prevailed--Publisher's website.

The Battle of An Loc James H. Willbanks, 2005 A firsthand account of a desperate battle fought during Hanoi's 1972 Easter Offensive.

Thiet Gap! The Battle Of An Loc, April 1972. [Illustrated Edition] Lt-Colonel James H. Willbanks, 2014-08-15 [Illustrated with 1 table, 7 maps, 1 figure and 13 Illustrations] The Battle of An Loc was one of the most important battles of the Vietnam War. It took place during the 1972 North Vietnamese Spring Offensive, after most U.S. combat troops had departed South Vietnam. The battle, which lasted over two months, resulted in the virtual destruction of three North Vietnamese divisions and blocked a Communist attack on Saigon. The sustained intensity of combat during this battle had not been previously seen in the Vietnam War. Although this battle occurred after the high point of American involvement in Vietnam, when U.S. forces were in the process of withdrawing from that country, Americans played a key role in the action. South Vietnamese ground forces and their U.S. Army advisers, working in close cooperation with U.S. Army and Air Force air support, proved a combination capable of resisting defeat and seizing victory. Because the Battle of An Loc did not involve large numbers of American troops, little has been written about the battle or American participation in it. Jim Willbanks' study focuses on the conduct of the battle and the role American combat advisers and U.S. air power played in defeating the North Vietnamese forces during the spring of 1972.

Promoting Cross-LoC Trade in Kashmir Moeed Yusuf, 2009 Introduction -- The Joint Chamber -- The lay of the land: the actors and their preferences -- Current cross-LoC trade -- The challenges ahead: looking beyond the current trade regime -- The way forward: making the Joint Chamber deliver -- Conclusion.

Kashmir Across Loc Debidatta Aurobinda Mahapatra, Seema Shekhawat, 2007-11-30 The book fulfills a need to have a fresh look at the hitherto neglected aspects of Kashmir conflict viz. the developments in Kashmir across LOC. Pakistan's policy towards POK is characterized by not only ambiguity and contradiction but also domination and exploitation. Its claim to support Kashmir's right to self-determination is contrasted by the ideology of POK's accession. Any final solution of Kashmir imbroglio must take into account the realities across the line of control.
