**Paul J. Salamoff, Daniel Gete, William F.
Nolan, George Clayton Johnson**

Wolverine Brian K. Vaughan, 2009-04-29 Superstar artist Eduardo Risso joins critically acclaimed writer Brian K. Vaughan for a unique take on the man who's the best there is at what he does. Finally armed with long-lost memories from his past, Wolverine returns to one of his first battlefields to settle an old score in an all-new adventure with a shocking revelation about the man known as Logan. Logan (2008) #1-3.

Alpha Logan Bryant, Aurelia - I live a pretty normal and happy life. But nothing exciting ever seems to happen. I was getting restless. I wanted something new. I wanted an adventure. I don't even know why I picked Camp Okwaho'kenha to spend my summer. But something told me I needed to go there. But now that I'm here I'm starting to think I bit off more than I can chew. This isn't the adventure I thought I would get. I wasn't ready for all this. I wasn't ready for this danger. I wasn't ready for these secrets. And I certainly wasn't ready for him... for Alpha Logan. Logan - I am the Alpha of one of the largest packs in North America. I have proven many times over that I am a strong and capable Alpha. I don't need a Luna. I don't want one either. I loved once and ended up heartbroken. I will never love again. The moon goddess however has other plans. I came to Camp Okwaho'kenha to put an end to the poaching on my territory. I didn't expect to find my mate.

But when Logan meets and falls in love with Jessica, he begins to question the very system he swore to protect and soon they're both running for their lives. When Last Day comes, will you lie down and die... or run! Bluewater Comics proudly presents a new adaptation of William F. Nolan's masterpiece of dystopian future: Logan's Run.

Given a second chance, he's determined to put right what went wrong in the reality he knew: the night the villains joined forces and overcame the world's heroes, changing his life forever. Logan lost his friends and his purpose; all that was left was the Wasteland. Now he's back in the past, but Logan's bid to defy destiny is about to land him in trouble — deep trouble. If he can dig his way out, he'll face the Silent Order — a group of warrior monks so deadly he'll need Lady Deathstrike's help to have any chance against them! But as Logan struggles to change the future, his greatest adversary may prove to be his own past!
