**The Art of Alex Gross** Alex Gross,2007-03-08 This remarkable first monograph of acclaimed Pop Surrealist artist Alex Gross features striking, dreamlike imagery that transcends category. Gross paints a haunting mlange of fairytale, allegory, history, and pop culture, fusing eastern and western aesthetics in an ethereal world populated by kimono-clad Japanese women and lost Victorian dandies. In more than eighty exquisite color images, comprising all of Gross's gallery work, silk screens, etchings, and sketches, this volume illuminates his singular blend of realism and whimsy. Embraced and collected by art connoisseurs and lowbrow fans alike, Gross's work is both enigmatic and irresistible.

**Time Limited Interests in Land** Cornelius Van Der Merwe,Alain-Laurent Verbeke,2012-06-28 A comprehensive comparative treatment of six instances of time-limited interests in land as encountered in fourteen European jurisdictions. The survey explores the commercial or social origins of each legal institution concerned and highlights their enforceability against third parties, their

content and their role in land development. The commercial purpose of residential and agricultural leases is contrasted with the social aim of personal servitudes (and its common-law equivalent different) to provide sustenance for life to mostly family members making the latter an important estate planning device. Whereas the ingrained principles of leases and personal servitudes restrain the full exploitation of land, it is indicated that public authorities and private capital could combine to turn the old-fashioned time-limited institutions of hereditary building lease (superficies) and hereditary land lease (emphyteusis) into pivotal devices in alleviating the acute shortage of social housing and in promoting the fullest exploitation of pristine agricultural land.

The key feature of the corporation that makes it such an attractive form of human collaboration is its limited liability. *Clifford Kent Holdings Limited and Deans Food Group Limited* Great Britain: Competition Commission, 2007-06-05 This report investigates the completed merger of Clifford Kent Holdings Ltd, parent company of Stonegate Farmers Ltd, and Deans Food Group Ltd, through Noble Foods Ltd. Through the merger, Noble Foods gained control of 60 to 70 percent of the supply of shell eggs to retailers and over half of the supply of liquid eggs. This inquiry by the Competition Commission finds that the merger has led to a substantial lessening of competition and that the most practicable remedy is the divestiture of Stonegate.

**The Sunset Limited** Cormac McCarthy, 2010-08-11 From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road* • A startling encounter on a New York subway platform leads two strangers to a run-down tenement where a life or death decision must be made. In that small apartment, "Black" and "White," as the two men are known, begin a conversation that leads each back through his own history, mining the origins of two fundamentally opposing world views. White is a professor whose seemingly enviable existence of relative ease has left him nonetheless in despair. Black, an ex-con and ex-addict, is the more hopeful of the men—though he is just as desperate to convince White of the power of faith as White is desperate to deny it. Their aim is no less than this: to discover the meaning of life. Deft, spare, and full of artful tension, *The Sunset Limited* is a beautifully crafted, consistently thought-provoking, and deceptively intimate work by one of the most insightful writers of our time. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.
