Interview with an Exorcist Fr. José Antonio Fortea, 2014-06-26 In today's culture of scientific enlightenment, many consider belief in demonic possession and exorcism to be superstitious remnants of the Dark Ages. Even many Christians, contrary to the clear words of Jesus in the Gospel, scoff at the notion that the Devil and demons really exist. Is demonic possession real? Are believers really in any danger from Satan and his crafty minions? What is the truth about exorcism? In this captivating book, you will find answers to these questions and many more. Written by one of the Church's foremost experts on the topic, *Interview with an Exorcist* is based on Fr. Jose Antonio Fortea's years of working as an exorcist, his extensive investigations of cases of suspected possessions, and his attendance at hundreds of exorcisms. You will learn: ● What really happens at an exorcism. ● The signs that show when possession is present. ● Why the number of possessions has been increasing in recent times. ● Why the permission of the local bishop is required for an exorcism to occur. ● Why some within the Church disparage this essential apostolic ministry And much more. ● The

difference between demonic possession, obsession, and infestation. ● How to tell the difference between psychological problems and demonic influence. ● Why consulting mediums, dabbling in witchcraft, or having recourse to other occult practices is an open invitation to demonic spirits.
