**Lumi Finds Her Light** Sandy Parker,2016-06-16 Everyone at some time has felt a bit dim or like they didn't shine as bright as others. LUMI the lightening bug faced the same problem. She knew that she was made to light up but she didn't know how to do it. She looks for her answer in new ways and finds she can be happy just as she is right now! Even better, she discovers her light is uniquely bright. Discover what you can learn - and teach your children - about living light and shining bright with LUMI.

**Lumi** Pu Ling Lai,2015-02-24 Who am I? What do I want? What is the deeper purpose of my life on Earth? How to flow with our true nature so that we can live an effortless and fulfilled life? These are the questions that the author keeps asking herself every day. After long soul-searching and various experiences, one simple answer pierces through the fog of mind and sheds light on her heart: LOVE. Following the mystic dialogues between Lumi (a female voice) and Lux (a male voice), with a ray of light that travels through time and space, this book invites us on both a personal and collective journey of love between humans, animals, and nature, in which we might find answers of our own questions—or rather, more questions. For those who wish to learn to love oneself and others better, this book is delicious—simple yet deep with wisdom that readers aged from eighteen to eighty-eight can find resonance and insight in her/his own journey of awakening.

**Lumi's Spell** Ulana Dabbs,2021-02-11 'You found me.' Her voice was a whisper and I reached out to touch her face, but my fingers grasped at the air. 'Is this how it feels to be a human?' someone whispered, but Lumi's lips remained still. The voice came from somewhere deeper than the illusion. She looked into my eyes and the blue storm in hers woke again, pulling me deeper into her soul.Can you love someone who took everything from you? Your family, your friends, your whole life?
