L. Ann Marie

Mc: Pres L. Ann Marie,2015-05-09 Ben James was groomed to become a new kind of MC President. He understands the way people think and stays a step ahead in the ever changing world his MC is building. Maintaining the 'clean' community they're building for their families is not easy. Every Club and gang wants either a piece of their businesses or to sell within their town. When things start moving in the right direction his wife leaves him for a more exciting life of Club mayhem and destruction. She misses the way it used to be. Ben raises his son with the help of his Brothers but misses sharing his life with a partner. Danny has become one of his closest Brothers, he has an idea and puts a plan in motion to get the one thing he's missing in his life, a partner. His relationship with Kate is solid but they both want more. Pres is just the kind of guy that can handle Danny's unassuming but charismatic nature and match him in honor, respect and loyalty. Adding a partner to an established couple isn't easy. Jealousy, expectations and the potential to ruin what's already in place is the price adding that partner comes with. Danny is willing to do whatever it takes to make and keep Kate happy, even if it's pulling the plug on Pres and the idea of a third in the bedroom and in their life.

MC: Pres L. Ann Marie,2015-10-05 Ben is so close to his dream, but he has no one to share it with.He sees his Officers finding strong women who build and solidify their purpose-and his dream of a clean Brotherhood. Everyone is working and living peacefully within their drug free neighborhoods and community. They raise their kids to take care of each other and treat their women with respect.Kate runs the Women's Center within the MC's backyard. Ben admires Kate's strength, ability, and compassion running the Center and adopting kids from the shelters that would have gone into the system. Danny, Kate's husband, is Ben's Building Supervisor and number two High Security enforcer when he's needed. He's proven himself and earned respect from his Brothers and Ben.When Ben's old lady leaves he moves a few houses away from Kate and her family. He finds himself drawn to them and starts to wonder if he'll ever find a woman like Kate to share his life with.This is the story of Ben, Kate, and Danny.**Content Warning: includes graphic language and sex, including m/f/m. For Rich falling for an abused woman and being dominant by nature is not an obstacle he's confident he can overcome. For Patches, Tess is everything, but is he enough for her? Can he overcome his inner demons and find what he's always longed for, his own family? Tess' eerie dreams pose problems and save lives. She puts her life and their love on the line for the men she loves.
