**B. Keith Davidson**

The United States of Soccer Phil West, 2016-11-01 "A brisk and informative look at Major League Soccer's first twenty years . . . West gives MLS fans a worthy chronicle." (Booklist). In 1988, FIFA decreed that the 1994 World Cup would be played in the United States - with the condition that the U.S. would start a new professional league. The North American Soccer League had failed just four years prior, and the prospects of launching a new league for Americans, who didn't share the rest of the world's love for soccer, were both exciting and daunting. The United States of Soccer is the engaging history of Major League Soccer's bootstrap origins prior to its 1996 launch, its near-demise in the early 2000s, and its surprising resilience and growth as it won recognition from soccer fans around the world. The book also explores the origin of MLS's superfans who set the tone within MLS stadiums and defining what it is to be a North American soccer fan. Phil West chronicles those fans' voices - intermingled with league officials, former players and coaches, journalists, and newspaper accounts - to detail MLS's remarkable journey.

**MLS** Jon Marthaler, 2020-08-01 This title tells the story of Major League Soccer, from its origins in the 1990s to its modern explosion in popularity. Readers will learn about the history of American professional soccer, the league's greatest stars, and the incredible growth MLS has undergone in the first decades of the twenty-first century. Features include infographics, a glossary, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

**Long-Range Goals** Beau Dure, 2010-05-31 All over the world, soccer is known as "the Beautiful Game" and is the most popular sport. But in the United States, professional soccer still has a hard time catching on. It has had some successes here. The American Soccer League of the 1920s, Pél  and other international stars in the North American Soccer League's glamorous 1970s, the indoor soccer phenomenon of the 1980s, and the U.S. women's win in the Women's World Cup of 1999 all hinted that the American public is ready to embrace pro soccer. In its short history, Major League Soccer (MLS) has survived and even started to thrive, drawing steady crowds and loyal fans. In Long-Range Goals, Beau Dure profiles teams and players, including D.C. United, the Los Angeles Galaxy, Landon Donovan, Freddy Adu, and Coach Bruce Arena, who are all vital to MLS. Some of the triumphs include an expansion of the league and its ownership group, the contribution of MLS players to a strong U.S. World Cup showing in 2002, and the construction of soccer stadiums nationwide. At the same time, MLS has occasionally stumbled, during costly legal battles with players and seeing two teams fold, but its investors have remained strong, figured out how to make money, and support the league. From the league's formation in 1993 to the David Beckham era, this book reveals all the action on and off the pitch: the politics, the lawsuits, the management of its teams, and the savvy business deals that helped MLS rebound. It also revels in the big personalities of its stars, the grace of its utility players, and the obstacles the league faces in meeting its long-range goals.

Home Buying 101 Jon Gorey, 2022-02-15 Learn all the ins and outs of buying a home and give yourself an advantage in the real estate game with this essential house-buying guidebook. Buying a first home can be both exciting and nerve-wracking. Will you qualify for a mortgage? Is your dream home achievable? How do you make sure your offer will beat others? In Home Buying 101, you will learn all the skills you need to find the right house at the right price, with financing that fits your budget. Full of nuts-and-bolts advice and organized in an easy-to-read format, this book will teach you all the basics of: -Deciding the right time to buy -Getting your finances in order -Choosing a

realtor—or going solo -Assessing neighborhood/comps -Deciphering the MLS/reading the listings for clues -Buyers' vs. sellers' markets -Types of mortgage loans -Property insurance -Making a smart offer With the help of this guide, you'll learn how to find the house of your dreams at a price you can afford!

Inside MLS (Set) Anthony K. Hewson, Brian Trusdell, Kristian R. Dyer, Thomas Carothers, Jonathan Avise, Sam Moussavi, Chrös McDougall, 2021-08 Soccer has long been the most popular sport around the world. American interest in the game has never been higher. And Major League Soccer is the most successful US soccer league in history. Inside MLS will give readers a look at the iconic teams, legendary players, and memorable moments in the league's history. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABDO.

**The Sound and the Glory** Matt Pentz, 2019-03-05 A unique and comprehensive look at the Seattle Sounders franchise and its storied run for the Cup The Seattle Sounders were a sensation from the start, attracting crowds of sizes unlike any MLS team had ever seen. By the 2016 season, Seattle was averaging more than 42,000 fans per home game, the most of any soccer team in the Western Hemisphere, and more than behemoths like Chelsea F.C. and A.C. Milan overseas. But, for all of its early consistent success, Seattle had yet to actually win the league. In order to reach the ambitious goals the club set for itself, the Sounders needed the jolt of a championship. To get there would require tumult previously unknown to a club built on stability, a clash of egos, and a title run so unlikely it could hardly have been scripted. This is a Cinderella story for all MLS fans and every Sounder at heart.

**A Case Study of Major League Soccer** Adam R. Cocco, 2018 At the end of 2016, Major League Soccer (MLS) announced it will add four teams during the next five years. Two new expansion franchises will be granted in 2017, with another two announced in 2018. Based on increasing growth and demand, league executives believe this is the right time to expand to continue growing brand popularity and bring new media markets on board for upcoming media rights negotiations. In January 2017, 12 ownership groups applied for the next round of expansion. The ownership groups proposed teams in the following cities: Charlotte, NC; Nashville, TN; Indianapolis, IN; Detroit, MI; Phoenix, AZ; St. Louis, MO; Raleigh, NC; San Antonio, TX; Sacramento, CA; Cincinnati, OH; Tampa Bay, FL; and San Diego, CA. MLS will base its expansion decision on three key aspects: (a) an ownership group committed to spending resources for team-related developments; (b) strong local demographics and media markets; and (c) a comprehensive stadium plan for the long-term stability of the franchise. Each ownership group will fine-tune its case over the coming months. However, questions remain about which expansion groups present the strongest overall case for inclusion in the next wave of MLS expansion.

*MLS (MLs)* B. Keith Davidson, 2021-07 Learn all about Major League Soccer. Discover fascinating facts, from record-breaking stars to winning teams and important positions.

**MLS** B. Keith Davidson, 2021-07 Learn all about Major League Soccer. Discover fascinating facts, from record-breaking stars to winning teams and important positions--

Seattle Sounders Jeff Savage, 2018-08-01 The Seattle Sounders are one of the most popular teams in Major League Soccer (MLS). Fans fill the stadium at every game, and the Sounders have broken many records for game attendance. Discover more about the team through photos of the action and engaging storylines in this thrilling title.

**The MLS Project** Boyd Keith Swigger, 2010-07-19 This book documents the shortcomings of the MLS project—an ill-conceived approach to a situation that no longer exists—and suggests a new approach to professionalism for librarians.

*The MLS World of Soccer* James Buckley (Jr.), 2011-07 Introduces star players of Major League Soccer and their

home countries.
