Mah Jongg: The Art of the Game Ann Israel,Gregg Swain,2014-11-18 I thoroughly enjoyed this book. Whether used as a reference or a beautiful keepsake, it's a very worthy addition to the world of Mah Jongg. —Ruth Unger, President, National Mah Jongg League This is the first book to fully capture the story of the exotic and exciting game of Mahjong or Mah Jongg, offering an intimate look at the history of the game as well as the visual beauty of the tiles. When authors Ann Israel and Gregg Swain began playing Mahjong, they were unaware of the vintage collections that existed not only in the United States but also across the globe. Slowly, they started to collect their own sets of Mahjong and as their collections grew, so did their appreciation of the history of, and interest in, the game. Finding few references, Israel and Swain set out to create a book that chronicles the early beginnings of the game and documents Mahjong sets from the most basic, made simply of paper, to the most precious materials such as ivory and mother-of-pearl. Recognized and respected scholars and game experts have collaborated with Israel and Swain, contributing important chapters on the game's history and its pieces as well as technical information on the tiles. Lastly, great collectors from around the globe have shared their incredible sets and memories for the first time in one book for everyone to enjoy. With hundreds of beautiful new images by renowned photographer Michel Arnaud, and including historical documentation and ephemera, Mah Jongg: The Art of the Game fills the void between the past's and today's game, providing vision, inspiration and resources. Anyone who has ever been intrigued by a Mahjong tile will find in these pages visually stunning photographs that will entice them into becoming an enthusiast of the timeless game of Mahjong.

Winning American Mah Jongg Strategies Elaine Sandberg,2012-08-07 Master the fascinating and rewarding game of American Mahjong with this guide for beginners. Strategies, strategies, strategies! Winning American Mah Jongg Strategies is a gem of a book that is the perfect gift for Mahjong players of all ages!

Mahjong Annelise Heinz,2021 Mahjong: A Chinese Game and the Making of Modern American Culture illustrates how the spaces between tiles and the moments between games have fostered distinct social cultures in the United States. This mass-produced game crossed the Pacific, creating waves of popularity over the twentieth century. Mahjong narrates the history of this game to show how it has created a variety of meanings, among them American modernity, Chinese American heritage, and Jewish American women's culture. As it travelled from China to the United States and caught on with Hollywood starlets, high society, middle-class housewives, and immigrants alike, mahjong became a quintessentially American pastime. This book also reveals the ways in which women leveraged a game for a variety of economic and cultural purposes, including entrepreneurship, self-expression, philanthropy, and ethnic community building. One result was the forging of friendships within mahjong groups that lasted decades. This study unfolds in two parts: the first half is focused on mahjong's history as related to consumerism, with a close examination of its economic and cultural origins. The second half of the book explores how mahjong interwove with the experiences of racial inclusion and exclusion in the evolving definition of what it means to be American. Mahjong players, promoters, entrepreneurs, and critics tell a broad story of American modernity. The apparent contradictions of the game - as both American and foreign, modern and supposedly ancient, domestic and disruptive of domesticity - reveal the tensions that lie at the heart of modern American culture--

Mah Jong Handbook Eleanor Noss Whitney,2012-11-13 Master the game of Mahjong with this must-have game strategy guide for Mahjong beginners and enthusiasts. Originally played with cards, and then piece carved from ivory or bamboo, the Chinese game of Mahjong or Mah Jongg is well over a thousand years old. Said to have originated in the court of the Emperor of Wu, for centuries Mahjong remained a diversion exclusively for the royal class of China. Mahjong has been called the game of a hundred intelligences. When played by experts it can be fast and subtle—even difficult to follow. A Mah Jong Handbook is the all-comprehensive Mahjong guide, offering a clear and concise introduction to the classic Chinese, Western, and Japanese rules of the game and outlining its many variants. A great way to learn Mahjong—it presents the complex rules in a clear format, introducing those unfamiliar with the game to its rules and techniques. It will also allow more experienced players to expand their understanding of winning strategy quickly. Part One covers the rules of the game. Part Two provides alternatives, variations, and additions to the game. Part Three explores the fundamentals of successful strategy. With illustrations of sample hands, scoring charts, and a glossary of terms, A Mah Jong Handbook is an invaluable resource—a complete guidebook to the ancient but always fascinating game of Mahjong. This Mahjong guidebook includes: 176 page, full-color book Play basics like scoring, wall-building and rules Essential tools to improve and enhance game-play skills Winning strategies to be on the offensive and play defense Tips to master the game through actual examples and scenarios A Mah Jong Handbook is the book that readers will need to become a knowledgeable, confident and winning Mahjong player.
