Karen Leiviska

Internet Scavenger Hunts for the Topics You Teach Karen Leiviska,2000 This classroom-tested book uses the Internet as a valuable resource to enrich the topics you already teach. Your students will gather up-to-the-minute information and explore relevant questions to complete 10 fun, reproducible scavenger hunts. The topics include Ancient Egypt, Ancient Greece, the Body, Martin Luther King, Jr., the Nine Planets, the Rainforest, Volcanoes, Whales, and the White House. Great for boosting research skills and making the most of time spent on the Internet! For use with Grades 4-8.

The Return of the Moguls Dan Kennedy,2018-03-06 The Return of the Moguls chronicles an important story in the making, one that will affect more than just the newspaper business—it has the power to change democracy as we know it. Over the course of a generation, the story of the daily newspaper has been an unchecked slide from record profitability and readership to plummeting profits, increasing irrelevance, and inevitable obsolescence. The forces killing major dailies, alternative weeklies, and small-town shoppers are well understood—or seem obvious in hindsight, at least—and the catalog of publications that have gone under reads like a who’s who of American journalism. During the past half-century, old-style press barons gave way to a cabal of corporate interests unable or unwilling to invest in the future even as technological change was destroying their core business. The Taylor family sold the Boston Globe to the New York Times Company in 1993 for a cool \$1.1 billion. Twenty years later, the Times Company resold it for just \$70 million. The unexpected twist to the story, however, is not what they sold it for but who they sold it to: John Henry, the principal owner of the Boston Red Sox. A billionaire who made his money in the world of high finance, Henry inspired optimism in Boston because of his track record as a public-spirited business executive—and because his deep pockets seemed to ensure that the shrunken newspaper would not be subjected to further downsizing. In just a few days, the sale of the Globe was overtaken by much bigger news: Jeff Bezos, the founder of Amazon and one of the world’s richest people, had reached a deal to buy the Washington Post for \$250 million. Henry’s ascension at the Globe sparked hope. Bezos’s purchase seemed to inspire nothing short of ecstasy, as numerous observers expressed the belief that his lofty status as one of our leading digital visionaries could help him solve the daunting financial problems facing the newspaper business. Though Bezos and Henry are the two most prominent individuals to enter the newspaper business, a third preceded them. Aaron Kushner, a greeting-card executive, acquired California’s Orange County Register in July 2012 and then pursued an audacious agenda, expanding coverage and hiring journalists in an era when nearly all other newspaper owners were trying to avoid cutting both. The newspaper business is at a perilous crossroads. This essential book explains why, and how today’s new crop of media moguls might help it to survive.

Atlantic Herring (Clupea Harengus Harengus) Fishery Management Plan (FWP) ,1999

Daily Travel Journal Maine People Matter,2018-12-20 Memories are made in an instant, but can last a lifetime. This journal will enrich your experience and ensure that your memories last forever, and pass down to your loved ones. Every day is spread over two pages: one lined, one blank. Tell the world about your day on the lined page, and attach anything that tickles your fancy - interesting mementos, pictures, drawings, maps or the like - on the blank page. At 6 by 9 inches (A5 sized) and 120 pages, this journal will not take up much of your valuable luggage space, but the memories it will create are priceless, and there is something satisfyingly old-school about writing down your memories with paper and pen. Size: 6 x 9 inches Cover: Soft, Matte Inside: Lined paper (ruled on one side, blank on the other), 120 pages, with some helpful, minimal prompts at the start of each day.

Large A4 Daily Travel Journal Maine People Matter,2019-05-21 Memories are made in an instant, but can last a lifetime. This journal will enrich your experience and ensure that your memories last forever, and pass down to your loved ones. Every day is spread over two pages: one lined, one blank. Tell the world about your day on the lined page, and attach anything that tickles your fancy - interesting mementos, pictures, drawings, maps or the like - on the blank page. At 8.3 by 11.7 inches (Large A4 sized) and 120 pages, you will have all the room you need to write down your memories, and there is something satisfyingly old-school about writing down your memories with paper and pen. Size: 8.3 x 11.7 inches Cover: Soft, Matte Inside: Lined paper (ruled on one side, blank on the other), 120 pages, with some helpful, minimal prompts at the start of each day.

Today's Best Maine Fiction Wesley McNair,2008-07-28 Here Carolyn Chute, Stephen King, Bill Roorbach, Richard Russo, Monica Wood, and nine other stellar Maine writers prove that the state is a superb source of inspiration for fiction. They capture Maine's atmospheric landscape, sharply defined seasons — and an assortment of unforgettable characters. Originally published as Contemporary Maine Fiction, the paperback edition bears a new title. Selected by Maine's premier anthologist, this is truly the best fiction you'll find in Maine today.

Walkin' with the Ghost Whisperers J. R. Tate,2013-09-01 Three-time thru-hiker J. R. Tate explores the traditions and lore of the Appalachian Trail.

Children, Teens, Families, and Mass Media Rose M. Kundanis,2003-07-18 This text provides a survey of the relationship between children and those mass media found in the home--radio, television, and the Internet. Using a theory-based approach, with attention to developmental, gender, ethnic, and generational differences, author Rose M. Kundanis explores the nature of these relationships and their influences on children and families, looking at the experiences children have at various developmental ages and across generations. She reviews children's own experiences with media and examines the variety of effects that can operate due to children's perceptions at different ages, including fear, aggression, and sexuality. The text includes theory and research from mass communication, developmental psychology, education, and other areas, representing the broad spectrum of influences at work. Features of this text include: *side-bar interviews with teens who work in media and people who develop policy or programming for children's media; *in-depth explanations of the Generational Theory and the Developmental Theory as they apply to children and the media, plus a survey of other applicable theories; *description of the key points of the Children's Television Act of 1990, the Telecommunications Act of 1996, and other relevant legislation; and *questions and activities to extend the exploration of topics. This text will help students develop a critical understanding of the relationship of children and the media; the variables affecting and influencing children's response to media; the theories that explain and predict this relationship; and the ways in which children use the media and can develop media literacy. It is appropriate for courses at the advanced undergraduate and graduate level, including children and media, media literacy, mass communication and society, and media processes and effects, as well as special topics courses in education, communication, and psychology.

Nikkei Baseball Samuel O. Regalado,2013-01-30 Nikkei Baseball examines baseball's evolving importance to the Japanese American community and the construction of Japanese American identity. Originally introduced in Japan in the late 1800s, baseball was played in the United States by Japanese immigrants first in Hawaii, then San Francisco and northern California, then in amateur leagues up and down the Pacific Coast. For Japanese American players, baseball was seen as a sport that encouraged healthy competition by imposing rules and standards of ethical behavior for both players and fans. The value of baseball as exercise and amusement quickly expanded into something even more important, a means for strengthening social ties within Japanese American communities and for linking their aspirations to America's pastimes and America's promise. With World War II came internment and baseball and softball played behind barbed wire. After their release from the camps, Japanese Americans found their reentry to American society beset by anti-Japanese laws, policies, and vigilante violence, but they rebuilt their leagues and

played in schools and colleges. Drawing from archival research, prior scholarship, and personal interviews, Samuel O. Regalado explores key historical factors such as Meji-era modernization policies in Japan, American anti-Asian sentiments, internment during World War II, the postwar transition, economic and educational opportunities in the 1960s, the developing concept of a distinct Asian American identity, and Japanese Americans' rise to the major leagues with star players including Lenn Sakata and Kurt Suzuki and even managers such as the Seattle Mariners' Don Wakamatsu.

Creating a Culture of Collaboration Sandy Schuman,2006-08-25 Collaboration is often viewed as a one-time or project-oriented activity. An increasing challenge is to help organizations incorporate collaborative values and practices in their everyday ways of working. In *Creating a Culture of Collaboration*, an international group of practitioners and researchers—from Australia, Belgium, Canada, Chile, New Zealand, Northern Ireland, United Kingdom, and the United States—provide proven approaches to creating a culture of collaboration within and among groups, organizations, communities, and societies.

Sports web encyclopaedia C. Ashok,2005

The LaBonte Brothers Janet Hubbard-Brown,2015-06-04 A biography of Terry Labonte and his younger brother Bobby, who finished first and second, respectively, in the 1996 Winston Cup NAPA 500.

Glazed America Paul R. Mullins,2008-09-07 Everybody loves a good doughnut. The magic combination of soft dough, hot oil, and sugar coating—with or without sprinkles—inspires a wide range of surprisingly powerful memories and cravings. Yet we are embarrassed by our desire; the favorite food of Homer Simpson, caricatured as the dietary cornerstone of cops, a symbol of our collective descent into obesity, doughnuts are, in the words of one California consumer, a food of shame. Paul Mullins turns his attention to the simple doughnut in order to learn more about North American culture and society. Both a breakfast staple and a snack to eat any time of day or night, doughnuts cross lines of gender, class, and race like no other food item. Favorite doughnut shops that were once neighborhood institutions remain unchanged—even as their surrounding neighborhoods have morphed into strip clubs, empty lots, and abandoned housing. Blending solid scholarship with humorous insights, Mullins offers a look into doughnut production, marketing, and consumption. He confronts head-on the question of why we often paint doughnuts in moral terms, and shows how the seemingly simple food reveals deep and complex social conflicts over body image and class structure. In Mullins's skillful hands, this simple pastry provides surprisingly compelling insights into our eating habits, our identity, and modern consumer culture.

Maine to Cape Horn Charles H. Lagerbom,2021-08-02 Cape Horn conjures up images of wind-whipped waters and desperate mariners in frozen rigging. Long recognized as a maritime touchstone for sailors, it marks the spot where the Pacific and Atlantic Oceans meet in one writhing mass. Doubling Cape Horn became the ultimate test, earning a prominent place in Maine maritime history. At the end of South America, it shares longitude 67° west exactly with Cutler, Maine, a direct north-south line of seven thousand miles. Maine Cape Horners were recognized by a golden earring. If they did not survive this most difficult journey in the world, the earring covered the costs of their funeral, should the body ever be found. Maritime historian Charles H. Lagerbom traveled to the end of the world to help research this exciting story of bold Mainers and their exhilarating and oftentimes deadly dance with danger.

Native American Issues Paul C. Rosier,2003-10-30 This volume presents six major issues that have been divisive in and out of the Native American community. Readers will learn about the varied cultural, political, social, and economic dimensions of contemporary Native America and will be prompted to consider the complexity and complications of ethnic and cultural diversity in the United States. Where do you stand on the issue of sports teams named after Native Americans? Are tribal claims on ancestral remains and sacred objects in museums valid? The contemporary issues that Native Americans struggle with are critical concerns for all Americans. This volume presents six major issues that have been divisive in and out of the Native American community. Readers will learn about the varied cultural, political, social, and economic dimensions of contemporary Native America and will be prompted to consider the complexity and complications of ethnic and cultural diversity in the United States. Readers will ponder the very foundations of the United States and the rights of its original inhabitants' descendants. The range of issues encompasses Native Americans throughout the country, from the Mashpee Wampanoags of Massachusetts to Pacific Northwest tribes. This book incorporates views from a wide variety of sources, including newspaper op-eds, Supreme Court rulings, and more. A resource guide complementing each chapter includes an extensive listing of suggested reading plus videos/film, Web sites, and organizations.

Law and Recovery from Disaster Robin Paul Malloy,2009 Using Hurricane Katrina as a lens, this volume addresses the problems of property in the aftermath of a major disaster, covering important issues concerning property law, public policy, disaster preparedness and community recovery.

Congressional Record United States. Congress,2011

From Coastal Wilderness to Fruited Plain Gordon G. Whitney,1996-08-29 *From Coastal Wilderness to Fruited Plain* is an account of the making of a large part of the American landscape following European settlement. Drawing upon land survey records and early travellers' accounts, Dr Whitney reconstructs the 'virgin' forests and grasslands of the north-eastern and central United States during the pre-settlement period. He then documents successively the clearance and fragmentation of the region's woodlands, the harvest of the forest and its game, the ploughing of the prairies, and the draining of wetlands. The degree to which these activities altered the soil, climate, plant and animal communities, and water cycle are evaluated, and the sustainability of present-day ecosystems is brought into question in this account.

African Immigrant Religions in America Jacob Olupona,Regina Gemignani,2007-05 African immigration to North America has been rapidly increasing. Yet, little has been written about this significant group of immigrants and the particular religious traditions that they are transplanting on our shores, as scholars continue largely to focus instead on immigrants from Europe and Asia. *African Immigrant Religions in America* focuses on new understandings and insights concerning the presence and relevance of African immigrant religious communities in the United States. It explores the profound significance of religion in the lives of immigrants and the relevance of these growing communities for U.S. social life. It describes key social and historical aspects of African immigrant religion in the U.S. and builds a conceptual framework for theory and analysis. The volume broadens our understandings of the ways in which new immigration is changing the face of Christianity in the U.S. and adds needed breadth to the study of the black church, incorporating the experiences of African immigrant religious communities in America.

Ron Paul and His Revolution George Dance,2011

MaineToday Introduction

In todays digital age, the availability of MaineToday books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of MaineToday books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of MaineToday books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing MaineToday versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, MaineToday books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing MaineToday books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for MaineToday books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, MaineToday books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding

1. Where can I buy MaineToday books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a MaineToday book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of MaineToday books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are MaineToday audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read MaineToday books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
