Genealogy of the Mangold Family from Bavaria to Cincinnati, 1800 to 1930s Douglas Carl Fricke,2017-03-31 The genealogy of the Mangold family from northern Bavaria begins with Simon and Sabina in the early 1800s. The immigrant family of eight left their homeland and sailed across the Atlantic to the New World. In 1850, they arrived in New York City and traveled in-land to settle in the predominantly German neighborhood of Over-the-Rhine in Cincinnati, Ohio. Only Matthew, the oldest son of Simon and Sabina, continued the Mangold family name. With a successful downtown business, he and his wife were able to offer their children the opportunity of a college education.

The Paintings of Sylvia Plimack Mangold Cheryl A. Brutvan,1994 Plimack Mangold's work has evolved from early renderings of floors, mirrors, and rooms to landscapes (by day and by night), skylscapes, and portraits of individual trees done at her outdoor Hudson River valley studio. She reinvented these traditional subjects by wrestling with the very process by which the artist creates illusion, then letting the viewer in on her secret by bordering the image with illusionary masking tape (meticulously recreated with paint and brush) that simultaneously acknowledges and denies the painted surface. This lavishly illustrated, full-color volume is published in conjunction with a retrospective exhibition of Plimack Mangold's paintings organized by the Albright-Knox Art Gallery in Buffalo, New York, and traveling to Hartford, Houston, and Boston. Covering more than a quarter-century of work, it includes a monographic essay by Cheryl Brutvan, Curator at the Albright-Knox, as well as full documentation of the artist's career to date: Chronology, Selected Bibliography, and Selected Exhibitions and Reviews. It also reproduces a number of pages from the artist's notebooks, providing a rare, privileged glimpse at the thoughtful intelligence and aesthetic beliefs that underlie these magical canvases, canvases that give expression to the intimate reality of the artist's existence, give form to the intangible.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Power and Pinstripes Jeff Mangold,Peter Botte,Mariano Rivera,2021-06-08 A fascinating look inside the inner sanctum of the Steinbrenner era Yankees No team in American sports has as storied a history as the New York Yankees, winners of 27 World Series. As the strength and conditioning coach for the Yankees for parts of three decades, Jeff Mangold?was firmly embedded ?in building the dynasty of the 1990s and 2000s.? In?Power and Pinstripes, Mangold shares priceless stories from his 14 seasons behind the scenes in the Bronx. Mangold had a front-row seat to the daily drama of George Steinbrenner's revolving door of managers—Yogi Berra, Billy Martin, and Lou Piniella—in the 1980s. Then, when he returned to the Yankees in 1998, he joined a juggernaut of a team and was tasked with maintaining the health of a star-studded roster including the Core Four of Derek Jeter, Jorge Posada, Andy?Pettitte, and Mariano Rivera.? Mangold shares personal tales of finding his way with stars like Dave Winfield and Ron Guidry, motivating personalities like David Wells, and facing a thorny challenge that later became a scandal when Roger Clemens and other Yankees arrived at?spring training with their own personal strength coaches in tow.? Yankees fans will not want to miss this unique perspective on a the franchise during one of baseball's most exciting and controversial eras.

Carrots, Mangold Wurtzels and Sugar Beets James John Howard Gregory,2015-06-15 Excerpt from Carrots, Mangold Wurtzels and Sugar Beets: How to Raise Them, How to Keep Them and How to Feed Them The fact that the most progressive and successful farmers in the dairy districts, where the prices received for the products of the dairy stimulates to the highest enterprise, are raisers of roots, (by which I now more especially refer to Carrots or Mangold Wurtzel) in about the same degree as they are pecuniarily successful, is in itself a great practical argument for root culture. In nutritious value roots compare with hay in about the average proportion of one to three. If now we consider that thirty-four tons of Swedes, nearly forty tons of Carrots and seventy-four tons of Mangold roots have been raised in Massachusetts, to the acre, and that to each of these crops should be added at least 15 percent, for the fodder value of the yield of leaves, which were not included in these estimates, we have a demonstration of how immensely more is the nourishment that can be obtained from an acre of root; than from an acre in hay. Robert Mangold Robert Mangold,Ziba de Weck,2009 Parasol unit, London presents a new exhibition by the American artist Robert Mangold. This is Mangold's first solo show in a UK institution. The exhibition (and this accompanying catalogue) concentrates on three dynamic groups of painting that Mangold executed between 1980 and 1986, entitled X, Plus and Frame Painting series. These outstanding and rarely exhibited works continue to express Mangold's central concern in painting, namely the relationship between plane and figure and mark a pivotal point in his artistic career. Of particular importance is Mangold's use of vivid and intense colour combination which highlights the interplay of scale and perception. The x and + series', as their titles suggest, refer to mathematical operations. Their overall shape is composed of several rectangular and square canvases of varying lengths and widths put together according to specific rules. In each case a hand drawn x or + in pencil forms the figure that moves the eyes from the centre to the edges of the work. One of the most significant elements of these works is the relationship between the work and the gallery wall, which is encapsulated by the frame, but also surrounds the work, creating a three-dimensional space that resonates with the

works of some of Mangold's contemporaries, such as Dan Flavin and Sol LeWitt. Published on the occasion of the exhibition Robert Mangold: X, Plus and Frame Paintings. Works from the 1980s, at Parasol unit, London, February ndash; May 2009. Published with Parasol unit foundation. English text.
