

Match

Taylor Lunsford

Match Dan Erling,2010-12-01 Hire the right person-every time! Why is it that so many companies accept mediocre hiring results as the norm? The answer is simple. It doesn't occur to them that, in fact, there is a process that virtually guarantees hiring the right person every time. To repeat: there is a process that virtually guarantees hiring the right person every time. That's what MATCH is about. Based on author Dan Erling's experience with best practices from over a thousand companies, MATCH gives you a rock solid, practical process for hiring. MATCH takes you step-by-step through the lifecycle of hiring, from developing a job description through interviewing and making the decision, to negotiating salary and onboarding the new hire. Applicable tools, stories, and foolproof techniques are woven throughout to insure your mission critical objective is accomplished. The author is well-known in the hiring and recruiting industry. With MATCH, your hiring team will develop a systematic process that fits with the company's overall mission, giving your company the people it needs to succeed every time!

Cupid's Match Lauren Palphreyman,2019-10-01 He's mythologically hot, a little bit wicked, and almost 100% immortal. And he'll hit you right in the heart . . . Miss Black, we have a big problem." Lila Black doesn't believe in matchmaking, let alone soul mates. So then why is she constantly being hassled by the Cupids Matchmaking Service? But this gilded, cherub-bedecked dating agency isn't exactly what it seems . . . and it's about to turn Lila's entire world upside down. It turns out that Cupids Matchmaking is the real deal. As in, it's run by actual cupids—who don't look at all like they do in the paintings—and they have a serious problem with Lila's "match." Because this guy shouldn't be in the system. He shouldn't have a match. And while he's irresistibly hot, he's also incredibly dangerous. Because Lila's true love match is Cupid. The original bad boy of love. And he wants her. Now Lila's once-normal teenaged world has exploded into a mythological nightmare overrun by crime-lord sirens, wrathful cupid hit men, magic arrows that cause no end of trouble, and a mischievous, not-so-angelic love god she can't seem to stop herself from falling for . . . Adored by 50 million readers on Wattpad, Lauren Palphreyman's smash-hit book is now in print for the first time.

Phossy Jaw and the French Match Workers Bonnie Gordon,2017-01-06 The 1898 suppression of white phosphorous in the French match industry was a victory of organized labour. At a time when most French workers did not have the power to effect changes in the health and safety conditions of their work, the match workers succeeded. At a time when most French women were not unionised and did not pursue effective action on occupational health problems, French women in the match industry succeeded. This book, first published in 1989, examines their actions and provides the definitive account of their success.

Sams Teach Yourself iTunes Match in 10 Minutes Lex Friedman,2012-03-21 Sams Teach Yourself iTunes Match in 10 Minutes is a quick reference guide to using Apple's iTunes Match service. This book explains all the varied features of the service, including essential details such as signing up, upgrading your entire library, understanding various iTunes Match settings, getting around the 25,000 song limit, using the service with Apple TV, troubleshooting problems, using it with iOS devices, and plenty more. Each topic is covered in short, easy to understand chapters that help you quickly and easily use the service to its full potential, resulting in higher-quality music, endless hours of streaming, and more.

A Pretend Match for the Viscount Laura Martin,2022-08-23 A sparkling Regency love story about two opposites in a pretend engagement. Rescued by the viscount. To save her from ruin! Miss Eliza Stanley is the life and soul of her first Season—then she is scandalously compromised! Luckily, the brooding Viscount Thannock steps in to offer her a fake engagement, giving her time to find another suitor and prevent her disgrace. She's intrigued by this serious, honorable man... If only falling for him wouldn't mean giving up all she loves about her new life... From Harlequin Historical: Your romantic escape to the past. Matchmade Marriages Book 1: The Marquess Meets His Match Book 2: A Pretend Match for the Viscount Book 3: A Match to Fool Society

More Than a Match Michael Smalley,Amy Smalley,Mike Yorkey,2007 Two marriage experts demystify the science behind compatibility tests to help singles in search of love recognize the right relationship when it comes along. They then reveal the skills of loving well and forever.

You Have a Match Emma Lord,2021-01-12 INSTANT NEW YORK TIMES BESTSELLER A REESE'S BOOK CLUB WINTER YA PICK INDIE NEXT PICK A BEST YA PICK OF 2021 BY POPSUGAR * PARADE A new love, a secret sister, and a summer she'll never forget. From the beloved author of Tweet Cute comes Emma Lord's *You Have a Match*, a hilarious and heartfelt novel of romance, sisterhood, and friendship... When Abby signs up for a DNA service, it's mainly to give her friend and secret love interest, Leo, a nudge. After all, she knows who she is already: Avid photographer. Injury-prone tree climber. Best friend to Leo and Connie...although ever since the B.E.I. (Big Embarrassing Incident) with Leo, things have been awkward on that front. But she didn't know she's a younger sister. When the DNA service reveals Abby has a secret sister, shimmery-haired Instagram star Savannah Tully, it's hard to believe they're from the same planet, never mind the same parents — especially considering Savannah, queen of green smoothies, is only a year and a half older than Abby herself. The logical course of action? Meet up at summer camp (obviously) and figure out why Abby's parents gave Savvy up for adoption. But there are complications: Savvy is a rigid rule-follower and total narc. Leo is the camp's co-chef, putting Abby's growing feelings for him on blast. And her parents have a secret that threatens to unravel everything. But part of life is showing up, leaning in, and learning to fit all your awkward pieces together. Because sometimes, the hardest things can also be the best ones. "A YA contemporary set at summer camp? Count us in." —BuzzFeed "Heartfelt and engaging, *You Have a Match* is a masterclass on love in all its forms." —Sophie Gonzales, author of *Only Mostly Devastated* and *Perfect on Paper* "A bright summer tale of connection and self-discovery." —Booklist "A cute, feel-good coming-of-age story." —Kirkus

Ontology Matching Jérôme Euzenat,Pavel Shvaiko,2013-11-08 Ontologies tend to be found everywhere. They are viewed as the silver bullet for many applications, such as database integration, peer-to-peer systems, e-commerce, semantic web services, or social networks. However, in open or evolving systems, such as the semantic web, different parties would, in general, adopt different ontologies. Thus, merely using ontologies, like using XML, does not reduce heterogeneity: it just raises heterogeneity problems to a higher level. Euzenat and Shvaiko's book is devoted to ontology matching as a solution to the semantic heterogeneity problem faced by computer systems. Ontology matching aims at finding correspondences between semantically related entities of different ontologies. These correspondences may stand for equivalence as well as other relations, such as consequence, subsumption, or disjointness, between ontology entities. Many different matching solutions have been proposed so far from various viewpoints, e.g., databases, information systems, and artificial intelligence. The second edition of *Ontology Matching* has been thoroughly revised and updated to reflect the most recent advances in this quickly developing area, which resulted in more than 150 pages of new content. In particular, the book includes a new chapter dedicated to the methodology for performing ontology matching. It also covers emerging topics, such as data interlinking, ontology partitioning and pruning, context-based matching, matcher tuning, alignment debugging, and user involvement in matching, to mention a few. More than 100 state-of-the-art matching systems and frameworks were reviewed. With *Ontology Matching*, researchers and practitioners will find a reference book that presents currently available work in a uniform framework. In particular, the work and the techniques presented in this book can be equally applied to database schema matching, catalog integration, XML schema matching and other related problems. The objectives of the book include presenting (i) the state of the art and (ii) the latest research results in ontology matching by providing a systematic and detailed account of matching techniques and matching systems from theoretical, practical and application perspectives.

The Match Mark Frost,2007-11-06 In 1956, a casual bet between two millionaires eventually pitted two of the greatest golfers of the era -- Byron Nelson and Ben Hogan -- against top amateurs Harvie Ward and Ken Venturi. The year: 1956. Decades have passed since Eddie Lowery came to fame as the ten-year-old caddie to U.S. Open Champion Francis Ouimet. Now a wealthy car dealer and avid supporter of amateur golf, Lowery has just made a bet with fellow millionaire George Coleman. Lowery claims that two of his employees, amateur golfers Harvie Ward and Ken Venturi, cannot be beaten in a best-ball match, and challenges Coleman to bring any two golfers of his choice to the course at 10 a.m. the next day to settle the issue. Coleman accepts the challenge and shows up with his own power team: Ben Hogan and Byron Nelson, the game's greatest living

professionals, with fourteen major championships between them. In Mark Frost's peerless hands, complete with the recollections of all the participants, the story of this immortal foursome and the game they played that day-legendarily known in golf circles as the greatest private match ever played-comes to life with powerful, emotional impact and edge-of-your-seat suspense.

Combinatorial Pattern Matching Suleyman C. Sahinalp,S. Muthukrishnan,Ugur Dogrusoz,2004-10-29 This book constitutes the refereed proceedings of the 15th Annual Symposium on Combinatorial Pattern Matching, CPM 2004, held in Istanbul, Turkey in July 2004. The 36 revised full papers presented were carefully reviewed and selected from 79 submissions. The papers are devoted to current theoretical and computational aspects of searching and matching of strings and more complicate patterns, such as trees, regular expressions, graphs, point sets, and arrays. Among the application fields addressed are computational biology, bioinformatics, genomics, proteinomics, the web, data compression, coding, multimedia, information retrieval, data analysis, pattern recognition, and computer vision.

St. Joseph and His World Mike Aquilina,2021 “A TREMENDOUS BREAKTHROUGH” in the study of St. Joseph... ...There are few subjects so challenging” to authors as St. Joseph. So says scholar Scott Hahn in his foreword to this book. Yet the pages that follow give not merely glimpses, but vistas, of St. Joseph’s world. Hahn continues: “You’ll learn about Nazareth — and how it was created almost ex nihilo shortly before Joseph’s birth. You’ll learn about religious practice and education in that place and time. You’ll travel to Egypt and encounter the fascinating settlements of Jews in that land. You’ll also find out how a carpenter worked in those days: what tools he used, what items he crafted, where he got his training, and how he got to and from his job sites.” This book provides an imaginative entry into one of the most important lives in all of history — a life too often obscured by later legends.

The Matchmaker Meets Her Match Jennifer Lawler,2013-05-06 Rilka Árpád inherited her name and her job from her grandmother. She doesn’t mind her name; it’s her job she can’t stand. Working as a matchmaker has exposed her to all the downsides of human behavior - in her opinion, it’s a wonder anyone can stand each other long enough to get through a date, let alone cherish each other forever. She makes herself a promise: if she can just get through her current client list in the next three months, she’ll go on sabbatical. And maybe never come back. Her new client, war veteran Jeremy Ford, ends up being everything Rilka has come to expect (and dislike) about her work when he announces that he just wants to get laid. At least he’s honest. Or so she thinks. It turns out that Jeremy wants a lot more than a one-night stand, and he wants it from Rilka. But the only way they can get to forever is if Rilka learns to trust her heart. Sensuality Level: Behind Closed Doors

Pattern Recognition and String Matching Dechang Chen,Xiuzhen Cheng,2013-12-01 The research and development of pattern recognition have proven to be of importance in science, technology, and human activity. Many useful concepts and tools from different disciplines have been employed in pattern recognition. Among them is string matching, which receives much theoretical and practical attention. String matching is also an important topic in combinatorial optimization. This book is devoted to recent advances in pattern recognition and string matching. It consists of twenty eight chapters written by different authors, addressing a broad range of topics such as those from classifica tion, matching, mining, feature selection, and applications. Each chapter is self-contained, and presents either novel methodological approaches or applications of existing theories and techniques. The aim, intent, and motivation for publishing this book is to pro vide a reference tool for the increasing number of readers who depend upon pattern recognition or string matching in some way. This includes students and professionals in computer science, mathematics, statistics, and electrical engineering. We wish to thank all the authors for their valuable efforts, which made this book a reality. Thanks also go to all reviewers who gave generously of their time and expertise.

Miss Match Wendy Toliver,2009-02-10 Sasha Finnegan has always had a knack for setting people up, and at sixteen, she's turned her talent into an online business, molding high school crushes into true love. But Sasha finds her toughest match yet when hottie Derek Urban asks her to set him up with Sasha's gorgeous sister, Maddie. It's not that Derek isn't a good catch. In fact, after spending so much time with him, Sasha can't help but think he's perfect -- for her, that is. Can Sasha push her feelings aside for the sake of her business? Or has this miss finally found her match?

Love. Set. Match. Taylor Lunsford,2019-08-28 Emerson Grace has rallied her way through the ranks of the world's top tennis players, but she's yet to reach the ultimate goal—winning a Grand Slam. She's done coming in second—both on and off the court. At least that was the plan until someone leaks risqué photos of her right as her ex Rob Ashton returns to the tennis scene. Rob's had nine years to regret letting Em go, and nothing is going to stand in the way of proving she's the only match he wants to win. Giving the man who makes her body melt another chance is tempting, but Em has to decide if letting Rob win her heart is worth risking her chance to win a Grand Slam.

Miss Match Crystal Cestari,2017-07-13 Amber Sand has a gift. From five seconds of eye contact, Amber can see anyone's soul mate. She's confident she's seen every kind of happy ending there is. Except for one - her own. So when Charlie Blitzman, the most-desired boy in school, enlists Amber's help, she's troubled to find herself falling for him (hard) when she can clearly see she's not his match ... How can Amber, an honest peddler of true love, pursue a boy she knows is not the one for her?

Book of Matches Simon Armitage,2010-11-25 'A firework display of technique, versatility and passion.' Independent on Sunday 'The crafted sincerity of this potent, lyrical collection, in which an absolutely contemporary voice concisely expresses common concerns, is everything that poetry should be.' Times Literary Supplement 'The first poet of serious artistic intent since Philip Larkin to have achieved popularity . . . it is possible that he will attain the sort of proverbial status Larkin now occupies.' Sean O'Brien, The Deregulated Muse

The Match Sarah Adams,2020-05-11 Having worked for Southern Service Paws for a few years now, I like to think I'm prepared for just about any client meeting under the sun. I am dead wrong. The day I meet with single dad, Jacob Broaden, about potentially matching his daughter with one of our service dogs, I learn a few valuable lessons. 1) Always set my alarm clock. 2) Single dads are way hotter than I previously thought. 3) It is possible to go from fantasizing about kissing someone to wishing they would be run over by a truck in a matter of two minutes. Unfortunately, I don't hold that opinion of him for very long. Not when he shows me a different side of himself--one that's sweet as maple syrup and hot as apple pie fresh out of the oven.Too bad this guy is so far out of my league that I shouldn't even be allowed to enter the game. Jake doesn't seem to get that memo though. And after a few days of working closely with him and his daughter, he starts looking at me with fire in his eyes, making me dream of something I probably shouldn't...A family.The Match is a feel-good romantic comedy! Perfect for readers who enjoy a sizzling romance without explicit content.

What a Match Mimi Grace,2022-04-12 Sometimes what you're looking for is right under your nose. Meticulous and driven Gwen Gilmore knows what she wants... especially in a man. She is newly single and doesn't have time for lackluster chemistry or mixed signals. But the dating scene proves to be slow and unserious, and she realizes she may need some help. Professional help. A matchmaker, to be more specific. Nothing will distract her from finding a man who checks all the boxes, except maybe her brother's grumpy best friend who's just moved into her home. Anthony Woods has had a crush on his best friend's sister since the day he met her, and he's managed the unfortunate affliction by keeping his distance. However, when apartment problems have him temporarily sleeping on her couch, Gwen is suddenly closer than ever. And as much as he tries, his scowls and frowns can't stop the sparks from flying. As they connect and get to know each other, Gwen can't help but notice when the perfect-on-paper boyfriend she has in mind starts to take an unexpected shape. Will she stick to the dating plan outlined by the professionals? Or admit when it comes to love, there's no right way to fall.

In some sort of inundated with displays and the cacophony of immediate interaction, the profound power and emotional resonance of verbal art frequently fade into obscurity, eclipsed by the continuous assault of sound and distractions. However, nestled within the lyrical pages of **Match**, a fascinating work of literary splendor that pulses with fresh feelings, lies an memorable trip waiting to be embarked upon. Written with a virtuoso wordsmith, this mesmerizing opus instructions readers on a psychological odyssey, gently revealing the latent potential and profound impact stuck within the intricate web of language. Within the heart-wrenching expanse with this evocative analysis, we can embark upon an introspective exploration of the book is central themes, dissect its interesting publishing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
