*Life in Jeneral* Jen Robin,2021-12-07 "Jen Robin is not just an organizer—she is a teacher and a healer. As she helps sort our ‘stuff’ she is also sorting our values, emotions, relationships, and dreams. She is a magician and this book will work magic on your home and life.” - Glennon Doyle, #1 New York Times bestselling author of Untamed In this essential guide, the creative force behind the popular organization company Life in Jeneral reveals her emotionally engaged approach to decluttering—a unique process that empowers people to re-envision their spaces to suit their evolving needs. Life is about connection, not collection. Jen Robin’s company, Life in Jeneral, focuses on the “soul work” of home organization—the psychological and emotional foundation necessary for creating a streamlined and sustainable lifestyle. For Jen, change comes from within—a process that to succeed, must begin with the heart. Americans are spending more time at home than ever before, and many have come to realize that their living spaces aren’t serving them. We have too many things, resulting in physical and mental clutter. And the organizational strategies we try only go so far, leaving us feeling disconnected and disheartened. Life in Jeneral helps you build healthier mental habits that allow us to break free from the clutter, while providing traditional strategies to get—and stay—organized. Beautifully designed and featuring examples from Jen’s personal experiences and those of her clients, Life in Jeneral teaches us how to: Flip common mental blocks that prevent us from organizational success Identify and tackle “clutter magnets”—the spaces where things seem to gather Discover common emotional baggage keyed to specific types of clutter Organize and evolve specific spaces in the home, room by room Life in Jeneral offers a holistic approach to organization; once we understand what we want from our spaces—how they can nurture and support our emotional well-being—we can create a home that feels both practical and joyful.

**Expedition of Thirst** Pete Dulin,2017-09-15 Set out with a true aficionado and affable guide to sample a dizzying array of beverages made in America's heartland. Expedition of Thirst maps routes that crisscross eastern Kansas and western Missouri, with stops at some 150 breweries, wineries, and distilleries along the way. Pete Dulin, a seasoned writer on the subject, explains how and why these businesses produce beer, wine, and spirits tied to regional terroir and represent the flavors of the Midwest from the Flint Hills to the Ozarks. More than a travel guide, his book is a cultural journal exploring the people, places, and craft that make each destination distinct and noteworthy. Dulin shares the stories of many of these brewers, winemakers, and distillers in their own words. Expedition of Thirst captures the character of the small business owners and makers and offers insight about their craft. For good measure, Dulin delves into the history, culture, and geography that have shaped these producers and their practices, from the impact of Prohibition to the early influence of immigrant winemakers and brewers, regional agriculture, and politics. As informative as it is engaging—even intoxicating—his Expedition is sure to work up readers' thirst to travel and discover firsthand the singular regional pleasures so richly described in these pages.

**Patriots** Steve Sohmer,2022-08-30 “Patriots is a miracle of suspense, a mined labyrinth of electrifying politics, terror, and philosophy, which will rank with the classics of storytelling.” —Richard Condon, author of The Manchurian Candidate As dawn breaks on Veterans Day, the American president grapples with the responses—both good and bad—to the announcement of his post-Cold War disarmament initiative, a plan based on nuclear deterrence and reduced troop strength. From an airfield in New York, a Vietnam War hero takes to the skies in a stolen fighter jet armed with Patriot missiles, setting course for Cuba. His actions put in motion by coded phrase known only to a select few. And on an air force base in Washington, DC, one intel officer realizes that only she can put together the pieces of a treasonous conspiracy, one in which shocking acts of deception, betrayal, and assassination will plunge the country into chaos—and pit two superpowers against each other in the ultimate showdown . . . In Patriots, Steve Sohmer puts you into the cockpit of a rogue warplane, around the table in the tense White House Situation Room, and into the minds of men and women willing to sacrifice it all for love and loyalty.
