Text Messages from God John Mark Stewart,2010-10 Text Messages From God is the gripping story of Dave, a hard-driving, successful attorney, whose self-centered existence is suddenly turned upside down by text messages he receives from a mysterious person claiming to be God. Dave, who likes to be in control and prides himself on being self sufficient, notices that the messages draw out another side of him, exposing that he is not an impenetrable fortress after all. Gradually Dave's skepticism gives way to curiosity, and he plays along with captivating challenges from the message sender. As he cautiously begins to take the messages to heart, Dave is forced to deal with painful memories that he had blocked out for many years. Dave's tough shell finally begins to crack and he is faced with making a decision that could change his life forever. Text Messages From God is John Mark Stewart's third book, and his first work of fiction. He is an attorney, Christian apologist, and international speaker. *Media Messages* Linda Holtzman,Leon Sharpe,2014-12-18 The new edition of this widely adopted book reveals how the popular media contribute to widespread myths and misunderstanding about cultural diversity. While focused on the impact of television, feature film, and popular music, the authors reach far beyond media to explore how our understanding, values, and beliefs about race, class, gender and sexual orientation are constructed. They analyze how personal histories, combined with the collective history of oppression and liberation, contribute to stereotypes and

misinformation, as well as how personal engagement with media can impact prospects for individual and social freedom. Along with updated media examples, expanded theories and analysis, this edition explores even more deeply the coverage of race in two chapters, discusses more broadly how men and boys are depicted in the media and socialized, and how class issues have become even more visible since the Great Recession of the 21st century and the Occupy movements. Special activities and exercises are provided in the book and an online Instructor's Manual is available to adopters.

**You Have Seven Messages** Stewart Lewis, 2012-09-11 A smart, heartbreaking mystery about unexpected love, art, family, and finding yourself. It's been a year since Luna's mother, the fashion-model wife of a successful film director, was hit and killed by a taxi in New York's East Village. Luna, her father, and little brother are still struggling with grief. But when Luna goes to clean out her mother's old studio, she's stunned to find her mom's old cell phone there—charged and holding seven unheard messages. As Luna begins to listen, she learns more about her mother's life than she ever wanted to know . . . because the tidy tale she's been told about her mother's death may not be the whole truth. With the help of Oliver, the musically gifted boy next door, Luna won't stop until she finds answers. But what else will she find along the way?

*Living with Cultivating Messages* Elena Pelzer, 2021-09-21 Wie beeinflussen Botschaften aus dem Fernsehen unsere Wahrnehmung über die soziale Realität? Meistens konzentrieren sich Kultivierungsstudien zu dieser Frage auf die Medieneffekte. Doch das vorliegende Buch wählt einen neuen Ansatz und stellt die kultivierenden Botschaften in den Vordergrund. Das Buch behandelt, was Botschaften sind und wie sich uniforme von genrespezifischen Botschaften und Metanarrativen unterscheiden. Es werden verschiedene theoretische und fachliche Perspektiven zusammengebracht und das neue Botschaftskonzept 'Subgenre-Botschaften' vorgestellt, welches die Veränderungen der Medienlandschaft hin zum Online-Fernsehen berücksichtigt. Die computergestützte Simulationsstudie zeigt, inwiefern sich manche Botschaftskonzepte mehr ähneln als andere, und demonstriert, dass Subgenre-Botschaften am robustesten gegenüber Verzerrungen sind.

*Messages that Work* Patrick O. Marsh, 1983

**A Compilation of the Messages and Papers of the Presidents, 1789-1897: 1881-1889** United States. President, 1898

Messages John Michael Hileman, 2011-07-01 Words are everywhere-- on labels, magazines, sign posts, t-shirts-- everywhere. And as much as David Chance would like to hide from them, he can't. Words keep leaping off objects around him, forming messages in his mind. But how is this possible? Has his brain suddenly taken an evolutionary leap forward, or are the mysterious messages proof of divine intervention? Does God really exist? Driven to answer a question he'd long ago abandoned, and stalked by the killer he's trying to stop, David risks everything to follow the messages to a dirty bomb set to go off in the heart of Boston. But can he trust the author of the messages to protect him from a terrorist who seems to know his every move.

The Message and the Book John Bowker, Atlantic Books, an imprint of Grove Atlantic Ltd., 2012-03-27 Grand in its sweep, this survey of the sacred writings of the major religions of the world offers a thoughtful introduction to the ideas and beliefs upon which great faiths are built. Under the expert guidance of John Bowker, a religious scholar and author of international stature, readers explore the key texts of Jewish, Christian, Muslim, Hindu, Jain, Sikh, Buddhist, Parsi, Confucian, Daoist, and Shinto traditions. The author discusses some 400 books, among them such well-known sacred texts as the Bible and the Quran, but also spiritual writings by theologians, philosophers, poets, and others. Bowker provides clear and illuminating commentary on each text, describing the content and core tenets of the work and quoting pertinent passages. He also sets the writings in religious and historical contexts, showing how they have influenced—and in many cases continue to influence—artistic, musical, literary, and political traditions. *The Message and the Book* is essential reading for anyone who wishes to understand the meaning and the deep significance of primary religious texts of civilizations around the globe.

*A Compilation of the Messages and Papers of the Presidents* United States. President, James Daniel Richardson, 1897 The first volume of this compilation was given to Congress and the public about May 1, 1896. I believe I am warranted in saying here that it met with much favor by all who examined it. The press of the country was unsparing in its praise. Congress, by a resolution passed on the 22d day of May, ordered the printing of 15,000 additional copies, of the entire publication. I have inserted in this volume a steel engraving of the Treasury building; the succeeding volumes will contain engravings of other important public buildings. The resolution authorizing this work required the publication of the annual, special, and veto messages, inaugural addresses, and proclamations of the Presidents. I have found in addition to these documents others which emanated from the Chief Magistrate, called Executive orders; they are in the nature of proclamations, and have like force and effect. I have therefore included in this, and will include in the succeeding volumes, all such Executive orders as may appear to have national importance or to possess more than ordinary interest. If this volume meets the same degree of favor as the first, I shall be greatly gratified.

**Sending Messages with Light and Sound** Jennifer Boothroyd, 2014-09-01 Young readers will learn how we send and receive messages using light and sound in this accessible, photo-filled book. Simple text explains different methods of sending messages and shows how light and sound make sending these messages possible. Vibrant photos bring basic science concepts to life and encourage kids to explore light and sound on their own.

**Messages in a Bottle** B. Krigstein, 2013-03-20 Bernard Krigstein began his career as an unremarkable journeyman cartoonist during the 1940s and finished it as a respected fine artist and illustrator — but comics historians know him for his explosively creative 1950s, during which he applied all the craft, intelligence and ambition of a burgeoning “serious” artist to his comics work, with results that remain stunning to this day. Krigstein’s legend rests mostly on the 30 or so stories he created for the EC Comics, but dozens of stories drawn for other, lesser publishers such as Rae Herman, Hillman, and Atlas (which would become Marvel) showcase his skills and radical reinterpretation of the comics page, in particular his groundbreaking slicing and dicing of time lapses through a series of narrow, nearly animated panels. Greg Sadowski, who has previously written and designed a Harvey Award-winning biography of Krigstein, has assembled the very best of Krigstein’s comics work, starting with his earliest creative rumblings, through his glory days at EC, to his final, even more brilliantly radical stories for Atlas Comics — running through every genre popular at the time, be it horror, science fiction, war, western, or romance (but no super-heroes).

**Messages From God's Humble Servant** David W. Crump, 2021-04-27 As the title states, this is the third book in the Messages series from Christian author David W. Crump. In book 3, the same theme is carried over from books 1 and 2. In this book, David again serves as God's messenger, bringing you thoughts based on biblical scripture to help you find or renew your faith. He writes in easy-to-understand plain language using common symbols and everyday events to bring you God's messages clearly. One example is the message entitled If You Could Measure the Bible, where it says, Think of the Bible as a treadmill, no matter how many steps you take, you never reach the end. In other words, the more your eyes are opened by the Scriptures, the more you yearn to see. Another example is the message titled I Rejoice in His Choice, which says, By choosing me to be one of His Holy Messengers, God has given me an opportunity to use the gift that I freely received. He blessed me with the skillful use of words. With this gift, I glorify Him. I rejoice in His choice. In Messages from God's Humble Servant, David has written compelling messages. The seeds of which are sent to him from our Father in Heaven to help those who are searching for the road that leads back to God.

**Mixed Messages** Kathryn E. Graber, 2020-08-15 Focusing on language and media in Asian Russia, particularly in Buryat territories, Mixed Messages engages debates about the role of minority media in society, alternative visions of modernity, and the impact of media on everyday

language use. Graber demonstrates that language and the production, circulation, and consumption of media are practices by which residents of the region perform and negotiate competing possible identities. What languages should be used in newspapers, magazines, or radio and television broadcasts? Who should produce them? What kinds of publics are and are not possible through media? How exactly do discourses move into, out of, and through the media to affect everyday social practices? *Mixed Messages* addresses these questions through a rich ethnography of the Russian Federation's Buryat territories, a multilingual and multiethnic region on the Mongolian border with a complex relationship to both Europe and Asia. *Mixed Messages* shows that belonging in Asian Russia is a dynamic process that one cannot capture analytically by using straightforward categories of ethnolinguistic identity.
