*Miles to Go* Miley Cyrus, 2009-03-03 "There are multiple sides to all of us. Who we are and who we might be if we follow our dreams." -Miley Cyrus Three years ago, Miley Cyrus was a virtual unknown. Her life in rural Tennessee was filled with family, friends, school, cheerleading, and the daily tasks of living on a farm. And then came a little show called Hannah Montana. Almost overnight, Miley would rocket to superstardom, becoming a television and singing phenomenon. Quiet days were replaced with sold-out concerts, television appearances, and magazine shoots. But through it all, Miley has remained close to her family and friends and has stayed connected to the Southern roots that made her so strong. In *Miles to Go*, Miley offers an honest, humorous, and often touching story of one girl's coming-of-age--from private moments with her pappy to off-roading with her dad, Billy Ray, to her run-ins with mean

girls. Miley talks about suffering through drama and heartbreak and coming out the other end unscathed (relatively). And now for the first time, she will discuss it all—the milestones still left to reach (driver's license! voting!), dreams to live out (travel to Asia! find true love!), and the lessons to be learned (remembering to enjoy every moment!). This is a truly unique look inside the world of one of today's biggest and brightest stars as she tackles looking back and moving forward.

### **She Can't Stop - Miley Cyrus: The Biography**

Sarah Oliver, 2014-09-04 Miley Cyrus first shot to fame at a young age playing Hannah Montana but she has long-since said goodbye to her good girl image, and is now best known for pushing the boundaries - both on and off stage. This biography tells of Miley's extraordinary upbringing; what it was like growing up with Billy Ray Cyrus as her dad and how she coped with being a multi-millionaire by the time she was 15. It tells of her ups and downs, her relationship breakups and her difficult search for friends who wouldn't betray her. From childhood all Miley wanted to do was perform, whether that be singing or acting. She has had to fight to get where she is today and has had to face many battles over the years: she was bullied relentlessly at school; she lost the person she was closest to in the world and she has had to deal with a stalker who thinks he is married to her. Fortunately, Miley shares a tight bond with her siblings, who share her love of music, and she enjoys spending family time with them and her parents whenever she can. Find out

why she will never regret her controversial MTV VMA performance with Robin Thicke and how she felt as she performed her Bangerz tour around the world in this in-depth biography written by one of Miley's biggest Smilers.
