

Mine

Susie Lee Jin

Mine! Michael A. Heller,James Salzman,2021-03-02 “Mine” is one of the first words babies learn, and by the time we grow up, the idea of ownership seems natural, whether we are buying a cup of coffee or a house. But who controls the space behind your airplane seat: you, reclining, or the squished laptop user behind you? Why is plagiarism wrong, but it’s okay to knock off a recipe or a dress design? And after a snowstorm, why does a chair in the street hold your parking space in Chicago, while in New York you lose both the space and the chair? In Mine!, Michael Heller and James Salzman, two of the world’s leading authorities on ownership, explain these puzzles and many more. Remarkably, they reveal, there are just six simple rules that everyone uses to claim everything. Owners choose the rule that steers us to do what they want. But we can pick differently. This is true not just for airplane seats, but also for battles over digital privacy, climate change, and wealth inequality. Mine! draws on mind-bending, often infuriating, and always fascinating accounts from business, history, courtrooms, and everyday life to reveal how the rules of ownership control our lives and shape our world.

Mine Delilah S. Dawson,2022-08-02 A twisty, terrifying supernatural mystery about twelve-year-old, her creepy new home in Florida, and the territorial ghost of the young girl who lived there before her. A fiendishly creepy ghost story.--Chuck Wendig, New York Times bestselling author of Dust & Grim Hide-under-the-covers terrifying, I loved it.”--Katherine Arden, bestselling author of Small Spaces Lily Horne is a drama queen. It's helped her rise to stardom in the school play, but it's also landed her in trouble. Her parents warn her that Florida has to be different. It's a fresh start. No theatrics. But this time, the drama is coming for her. Her new house is a real nightmare. . . The pool is full of slime, the dock is rotten, and the swamp creeps closer every day. But worst of all, the house isn't empty . . . it's packed full of trash, memories, and, Lily begins to fear, the ghost of the girl who lived there before her. And whatever is waiting in the shadows wants to come out to play.

Mine! Susie Lee Jin,2016-01-05 Several bunnies compete in an epic battle to claim a single carrot.

What Was Mine Helen Klein Ross,2016-01-05 Simply told but deeply affecting, in the bestselling tradition of Alice McDermott and Tom Perrotta, this urgent novel unravels the heartrending yet unsentimental tale of a woman who kidnaps a baby in a superstore—and gets away with it for twenty-one years. Lucy Wakefield is a seemingly ordinary woman who does something extraordinary in a desperate moment: she takes a baby girl from a shopping cart and raises her as her own. It’s a secret she manages to keep for over two decades—from her daughter, the babysitter who helped raise her, family, coworkers, and friends. When Lucy’s now-grown daughter Mia discovers the devastating truth of her origins, she is overwhelmed by confusion and anger and determines not to speak again to the mother who raised her. She reaches out to her birth mother for a tearful reunion, and Lucy is forced to flee to China to avoid prosecution. What follows is a ripple effect that alters the lives of many and challenges our understanding of the very meaning of motherhood. Author Helen Klein Ross, whose work has appeared in The New Yorker, weaves a powerful story of upheaval and resilience told from the alternating perspectives of Lucy, Mia, Mia’s birth mother, and others intimately involved in the kidnapping. What Was Mine is a compelling tale of motherhood and loss, of grief and hope, and the life-shattering effects of a single, irrevocable moment.

Mine Atlas Rose,2022-01-30 Family is everything... I always knew my father was a cold, heartless bastard. But the moment he took Elle Castlemaine and her pathetic daughter into our home, barely a month after our mom died, he unleashed something savage inside me. I didn't care they lost their home. Didn't care their father was behind bars. Didn't care he betrayed the notorious Stidda Mafia boss, Benjamin Rossi, and now their lives were in danger. All I cared about was her. Ryth. I wanted to hurt her. Wanted to make her squirm. I wanted to make her pay for the moans coming from my father's bedroom. When he slipped a ring onto her mother's finger, Ryth became mine. Mine to bully. Mine to break. And I'll use my brothers to do it. She'll become our favorite obsession. Our sick, tormented game. She'll become the only thing I think about, until not thinking about her tears me apart. I'll hate her. I'll hate her so much it hurts...

Mine! Shutta Crum,2011 A young child does not want to share his toys with his baby sibling, but an encounter with the family dog teaches everyone the importance of sharing. On board pages.

Mine James Russell,2023-07-21 Murder and madness in the tropics. A back-packer's nightmare. Twenty-six-year-old Jimmy Brennan’s life has taken a turn for the worse, and he’s desperate to numb the pain. When his mother dies and his girlfriend betrays him, it’s the final straw; he leaves Australia behind, bound for Bali. But Jimmy’s demons chase him. Sickened by the filth and the rapacious tourists swarming the Indonesian holiday island, Jimmy escapes north up the archipelago, driven by a desire to be alone, and haunted by a self-destructive impulse. When he’s offered the opportunity to surf the outer reefs of the forbidden island of North Sentinel, home of a forgotten tribe which has violently rejected outside contact for centuries, Jimmy is reckless enough to take it. He finds his paradise, but it’s a decision that will have deadly consequences. “Exceptional!” - Ray Bisschop, publishing director, Surfing Life “Kicks along at a freight-train pace!” - Luke Kennedy, editor, Tracks magazine They don't write them like this any more. - North and South magazine Addictive and highly recommended! - Otago Daily Times Captivating and fast-paced! - NZ Booklovers One hell of a ride! - The New Zealand Herald Fast-paced and utterly immersive, with passages that will have your heart leaping into your throat. This is ‘Breath’ meets ‘The Beach’, but also a unique tale in its own right that will stay with the reader long after they read the last page. Eileen Merriman, best-selling author of Violet Black and The Silence of Snow. Reader reviews: You'll find yourself on the edge of your seat for the duration. - Tom Marr Thoroughly absorbing from start to finish... if you have an ounce of adventure left in your soul, then this book may be for you. - Simon Hurley A future classic.- Justin Moor Dark escapism from our toxic matrix. - Andrew Briggs Readers of Tim Winton and Evie Wyld will find a direct descendant in James Russell.- Robin Taylor Couldn't put it down - Ken Nicolson Gripping - Shayne William Intense - Marco Milardi Visceral - Caleb Clarke Sure to become a classic - Steve Brecht Electrifying! - Justin Brown

The Story of a Mine Bret Harte,1897

The Story of a Mine Bret Harte,2022-11-24 Reproduction of the original.

“The” Story of a Mine Bret Harte,1877

Mine Jenny Clendenen,2020-05-10 María Zacarías Bernal was born in 1791 at the presidio of San Francisco, and was married at fourteen to leatherjacket soldier José de los Reyes Berreyesa. As a mother of thirteen, she lived on Rancho San Vicente, a cattle ranch in the foothills of south San José; her parents lived next door on the vast Rancho Santa Teresa. In fact, the Bernals and Berreyesas owned most of the Bay Area in the mid-1800s. They were among the many Californios who suffered great losses after the Gold Rush, when those who held land grants were forced to prove their claims, though they did not speak the language of the courts, and their papers were often inaccessible to them. Like most Californios, Zacarías spent over a decade defending her claim, and ended up losing her land to pay lawyers' fees. But she lost far more than a ranch. She lost ten of eleven beloved men, seven of them violently; the first was murdered by one American hero on the orders of another. Because her land held the New Almaden quicksilver mine-increasingly valuable because mercury helped refine gold-her battle over boundaries went all the way to the United States Supreme Court. The case made national news for a year, despite the competing news of the Civil War. President Lincoln even sent men to her land to take over the mine, though they were thwarted by sharpshooting miners. Zacarías's tragic tale of murder, betrayal, and theft is told through the author's shared experiences of place, most often on the still-wild Rancho San Vicente near her home. MINE's lyrical blend of in situ nature writing and biography is a journey across landscapes that unite two women born centuries and cultures apart. It brings untaught history to light, and it restores a voice to María Zacarías, who deserves to be heard.

Planetary Mine Martin Arboleda,2020-01-14 A clarion call to rethink natural resource extraction beyond the extractive industries Planetary Mine rethinks the politics and territoriality of resource extraction, especially as the mining industry becomes reorganized in the form of logistical networks, and East Asian economies emerge as the new pivot of the capitalist world-system. Through an

exploration of the ways in which mines in the Atacama Desert of Chile—the driest in the world—have become intermingled with an expanding constellation of megacities, ports, banks, and factories across East Asia, the book rethinks uneven geographical development in the era of supply chain capitalism. Arguing that extraction entails much more than the mere spatiality of mine shafts and pits, Planetary Mine points towards the expanding webs of infrastructure, of labor, of finance, and of struggle, that drive resource-based industries in the twenty-first century.

I, Me, Mine George Harrison,2007-03-08 Offers a rare inside view of the Beatles and the cultural revolution of which they were a part, with a personal recollection of Harrison's evolution as a musician and composer.

Mine Katy Evans,2013-11-05 I will do anything to make her MINE. —Remington Tate In the international bestseller REAL, the unstoppable bad boy of the Underground fighting circuit finally met his match. Hired to keep him in prime condition, Brooke Dumas unleashed a primal desire in Remington “Remy” Tate as vital as the air he breathes...and now he can’t live without her. Brooke never imagined she would end up with the man who is every woman’s dream, but not all dreams end happily ever after, and just when they need each other the most, Brooke is torn away from the ringside. Now with distance and darkness between them, the only thing left is to fight for the love of the man she calls MINE.

Until You're Mine Cindi Madsen,2018-01-22 Ways to screw up the MMA comeback I've been working so hard on: 1. Check out my trainer's little sister in front of him, which gets me hit in the head 2. Make excuses to stay at the gym afterhours so I can watch her face scrunch up while she balances the books 3. Forget that she's leaving at the end of the summer and we're supposed to be sticking to just friends 4. Get caught making out with her, earning even more hellacious training sessions, along with a warning to stay away 5. Switch my focus to proving I won't stop fighting until she's mine Each book in the Fighting for Her series is STANDALONE: * Until You're Mine * Until We're More

99 Percent Mine Sally Thorne,2019-01-29 From the USA Today bestselling author of The Hating Game, soon to be a movie starring Lucy Hale and Austin Stowell, an unforgettable romantic comedy about a woman who finally has a shot at her long time crush—if she dares. Crush (n.): a strong and often short-lived infatuation, particularly for someone beyond your reach... Darcy Barrett has undertaken a global survey of men. She’s travelled the world, and can categorically say that no one measures up to Tom Valeska, whose only flaw is that Darcy’s twin brother Jamie saw him first and claimed him forever as his best friend. Despite Darcy’s best efforts, Tom’s off limits and loyal to her brother, 99%. That’s the problem with finding her dream man at age eight and peaking in her photography career at age twenty—ever since, she’s had to learn to settle for good enough. When Darcy and Jamie inherit a tumble-down cottage from their grandmother, they’re left with strict instructions to bring it back to its former glory and sell the property. Darcy plans to be in an aisle seat halfway across the ocean as soon as the renovations start, but before she can cut and run, she finds a familiar face on her porch: house-flipper extraordinaire Tom’s arrived, he’s bearing power tools, and he’s single for the first time in almost a decade. Suddenly Darcy’s considering sticking around to make sure her twin doesn’t ruin the cottage’s inherent magic with his penchant for grey and chrome. She’s definitely not staying because of her new business partner’s tight t-shirts, or that perfect face that's inspiring her to pick up her camera again. Soon sparks are flying—and it's not the faulty wiring. It turns out one percent of Tom’s heart might not be enough for Darcy anymore. This time around, she’s switching things up. She’s going to make Tom Valeska 99 percent hers. This next hilarious romance includes a special PS section with two Happily Ever Afters—one for this novel featuring Darcy and Tom and the other, an epilogue featuring fan favorites Lucy Hutton and Josh Templeman from The Hating Game!

The Shadow of the Mine Huw Beynon,Ray Hudson,2024-03-19 No one personified the age of industry more than the miners. The Shadow of the Mine tells the story of King Coal in its heyday – and what happened to mining communities after the last pits closed. The Shadow of the Mine tells the story of King Coal in its heyday, the heroics and betrayals of the Miners’ Strike, and what happened to mining communities after the last pits closed. No one personified the age of industry more than the miners. Coal was central to the British economy, powering its factories and railways. It carried political weight, too. In the eighties the miners risked everything in a year-long strike against Thatcher’s shutdowns. Their defeat doomed a way of life. The lingering sense of abandonment in former mining communities would be difficult to overstate. Yet recent electoral politics has revolved around the coalfield constituencies in Labour’s Red Wall. Huw Beynon and Ray Hudson draw on decades of research to chronicle these momentous changes through the words of the people who lived through them. This edition includes a new postscript on why Thatcher’s war on the miners wasn’t good for green politics. ‘Excellent’ NEW STATESMAN ‘Brilliant’ TIMES LITERARY SUPPLEMENT ‘Enlightening’ GUARDIAN

This Heart of Mine C. C. Hunter,2018-02-27 From the New York Times-bestselling author of Taken at Dusk comes a haunting, poignant tale about living and dying, surviving grief, guilt, and heartache, while discovering love and hope in the midst of sadness.

Still Mine Amy Stuart,2019-10-29 From internationally bestselling author Amy Stuart comes a “dark and deliciously disturbing” (Publishers Weekly) novel about one woman’s search for answers when another woman goes missing from a desperate, drug-addled mountain town where everyone is implicated in her disappearance. What happens when you vanish from your life and leave no story behind? Someone makes one up for you. Clare is on the run. From her past, from her husband, and from her own secrets. When she turns up alone in the remote mining town of Blackmore asking questions about Shayna Fowles, a young woman who has gone missing, everyone wants to know who Clare really is and what she’s hiding. Because everyone in this place has secrets—Jared, Shayna’s mysterious ex-husband; Charlie, the charming drug pusher; Derek, Shayna’s overly involved family doctor; and Louise and Wilfred, her distraught parents. As Clare unravels the mysteries surrounding Shayna’s disappearance, Clare must confront her own demons, as she moves deeper and deeper into her elaborate web of lies. But what is she really running from? Haunting and electrifying, Still Mine is a thriller that is “impossible to put down” (Robert Dugoni, New York Times bestselling author of My Sister’s Grave).

Mine, All Mine! Ruth Heller,1999-10 Colorful illustrations and lyrical verse help young readers learn about the important language of pronouns.

Decoding **Mine**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Mine**," a mesmerizing literary creation penned with a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
