*Single, Ready to Mingle* Vladimir Savchuk, 2019-07-01 Dating and marriage are probably the most talked about topics among young people and even adults. It makes sense, since choosing a spouse is the second most important decision you will ever make in your life, after your decision to follow

Christ. So, let's open up the conversation and debunk some of the most common misconceptions about dating and marriage and begin to shed light on God's instructions regarding these matters. In this book, you will discover how to go about dating God's way and learn some key principles on successful relationships.

**The Pursuit of Mary Bennet** Pamela Mingle, 2013-11-26 A tale of love and marriage, society balls and courtship, class and a touch of scandal, Pamela Mingle's *The Pursuit of Mary Bennet* is a fresh take on one of the most beloved novels of all time, Jane Austen's *Pride and Prejudice*. Growing up with four extraordinary sisters—beautiful and confident Jane and Elizabeth, and flirtatious and lighthearted Lydia and Kitty—wasn't easy for an awkward bookworm like Mary Bennet. But with nearly all of her sisters married and gone from the household, the unrefined Mary has transformed into an attractive and eligible young woman in her own right. When another scandal involving Lydia and Wickham threatens the Bennet house, Mary and Kitty are packed off to visit Jane and her husband, Charles Bingley, where they meet the dashing Henry Walsh. Eager and naïve, Mary is confused by Henry's attentions, even as she finds herself drawing closer to him. Could this really be love—or the notions of a foolish girl unschooled in the art of romance and flirtation?

**The Unfoldment of Man** Ida Mingle, 1987-06 A series of Ten Lessons that discusses the Mosaic account of creation, which marks a new order of man, the beginning of the unfoldment of the \_Son of Man\_ type. Ida Mingle, teacher and founder of the School of Livable Christianity, writes that before this time both man and nature were involved in the wrath of consciousness, so now they were to be subdued by \_waters\_ (tranquility of soul). God, acting with Himself, through His Creative Will, caused the light to arise and the darkness to descend into the depths. Man became the formative power, through the Jehovah God of Himself, and was given all power, mastery and dominion over the \_living creatures\_ (Ideas of consciousness). The study of these lessons reveals to the reader how consciousness (Man) unfolded. Since Man is to be given a new Genesis, beginning at the harvest period of this age, it is imperative that he come into illumination respecting himself.

*Fire and Ice: Soot, Solidarity, and Survival on the Roof of the World* Jonathan Mingle, 2015-03-24 High in the Himalayan valley of Zaskar in northwest India sits a village as isolated as the legendary Shangri-La. Long fed by runoff from glaciers and lofty snowfields, Kumik—a settlement of thirty nine mud brick homes—has survived and thrived in one of the world's most challenging settings for a thousand years. But now its people confront an existential threat: chronic, crippling drought, which leaves the village canal dry and threatens to end their ancient culture of farming and animal husbandry. Fire and Ice weaves together the story of Kumik's inspiring response to this calamity with the story of black carbon. Black carbon from inefficient fires - the particulate residue that makes soot dark - is the second largest contributor to global warming after carbon dioxide. It's also a key ingredient of the air pollution that public health experts regard as humanity's greatest environmental health risk worldwide: soot-laden smoke from household hearth fires and outdoor sources combine to

kill over seven million people around the world every year. Jonathan Mingle describes the joys and struggles of daily life in the Zanskar Valley, where villagers are buffeted by powerful environmental and economic forces, while also tracing black carbon's dark fingerprints outward from Kumik and around the world. Mingle investigates its impacts on snow, ice, and water from Mt. Everest to California, and the silent health epidemic it fuels from New York to New Delhi. Combining cultural history, detailed reportage, climate and energy science and dramatic storytelling, *Fire and Ice* is a profound examination of the global challenges of averting climate chaos and lifting billions out of energy poverty and water scarcity. Can Kumik's people come together to reinvent fire, harness what remains of their life-sustaining ice, and reinvigorate their traditions of solidarity, in time to save themselves? Can the rest of us rise to the same challenge? *Fire and Ice* connects these questions with the work of enterprising scientists, engineers, entrepreneurs and activists around the world, in a narrative that combines mythology, reason, humor, persistence, and hope in a race against a global clock.

What would make Sir Hugh Grey's world perfect is the lovely Eleanor by his side. Their attraction is sizzling, and the sweet way Hugh is wooing her—a kitten, kisses in the moonlight, and expert help in lighting her dreary work space—makes Eleanor dream of forever with her strapping knight. But she will not risk a scandal, which could ruin his newfound respectability and esteem, especially in her father's eyes. When Hugh discovers what she's been hiding, it could drive

them apart forever.

**Love, Love Me Too** Naresh shroff, 2018-06-06 When it comes down to it, a younger woman always satisfies one of the most basic human needs—connection. Will he get it right this time around? A roller-coaster ride with three beautiful women strapped on his back. A man, love and connection, they craved for. A companion, significance and peace were what he sought. A False Proposal Pam Mingle, 2016-06-20 London 1812. War hero Adam Grey returns home with a burning ambition to run for Parliament. But he needs the support of the local baronet, who controls the seat. Adam's plans are thwarted by his dissolute father, who has promised him to the baronet's daughter in return for forgiveness of his debts. Adam wants nothing to do with marriage or his

father's problems, so he fakes an engagement to Cass Linford—his best friend's sister. Cass has been through hell since she last saw Adam. Her betrothed committed suicide, forcing her to withdraw from London society. Heartbroken, she's given up on marriage. So when Adam suggests a temporary engagement, she agrees. He needs help with his campaign, and Cass can't resist his charm or the chance to be involved in politics. It all seems so easy, until she finds herself falling in love with her fake fiancé.

*Gaslight* Jonathan Mingle, 2024-05-09 *Gaslight* is the story of an epic, six-year battle between one of the country's most powerful energy companies and the everyday people who stood in the path of its massive fossil gas pipeline. On one side, an archetypal Goliath: a corporation that commands billions of dollars and unparalleled influence over state politicians and federal government agencies alike. On the other, a diverse band of Davids: lawyers and farmers, conservationists and conservatives, innkeepers and lobbyists, scientists, and nurses. Their struggle took them all the way to the Supreme Court, but their larger fight was in the court of public opinion. Would the nation swallow the industry's narrative that gas was a bridge fuel to a clean, green future? Or would the public recognize it as a methane bomb, capable of not only wrecking local communities but imperiling the planet? Vivid and suspenseful, *Gaslight* is essential reading for anyone who wants to understand the urgent stakes of the energy choices we face today.

*Mingle All the Way* Mia Heintzelman, 2020-11-10 Riley Mills sells love. Or, rather dangles it like mistletoe at Lovestruck, the world's most popular social dating app. She's got her sights set on improving the app for others, but she doesn't date. Period. For a Christmas bonus though, she'll help the event planning team with the annual Holiday Mix'n'Mingle—even if it means speed dating her ridiculously hot office nemesis. Web developer Chase Campbell eats, breathes, and speaks code. With

metadata that's all about romance and soul mates, maybe he'll learn a thing or two about the love his parents shared. At the least, he's got eight merry minutes at the company's holiday event to decipher all the reasons maddeningly beautiful Riley Mills hates him. So what if their chemistry is undeniable, Riley doesn't believe in messy office romances. But back at work when their family-minded boss announces a holiday party to get to know his team better and rumors spark of a promotion, she tells a teensy, tiny, white lie—she and Chase are in a serious(-ly fake) relationship. No biggie. Once she gets the job, they'll stage a breakup... Except, silly love notes and sweet smiles turn to clock-out kisses and Secret Santa trysts. As the cold nights heat up, they begin to wonder if they were ever pretending.
