Minnesota Book of Days ,2001

North Country Mary Lethert Wingerd,2010 In 1862, four years after Minnesota was ratified as the thirty-second state in the Union, simmering tensions between indigenous Dakota and white settlers culminated in the violent, six-week-long U.S.-Dakota War. Hundreds of lives were lost on both sides, and the war ended with the execution of thirty-eight Dakotas on December 26, 1862, in Mankato, Minnesota--the largest mass execution in American history. The following April, after suffering a long internment at Fort Snelling, the Dakota and Winnebago peoples were forcefully removed to South Dakota, precipitating the near destruction of the area's native communities while simultaneously laying the foundation for what we know and recognize today as Minnesota. In *North Country: The Making of Minnesota*, Mary Lethert Wingerd unlocks the complex origins of the state--origins that have often been ignored in favor of legend and a far more benign narrative of immigration, settlement, and cultural exchange. Moving from the earliest years of contact between Europeans and the indigenous peoples of the western Great Lakes region to the era of French and British influence during the fur trade and beyond, Wingerd charts how for two centuries prior to official statehood Native people and Europeans in the region maintained a hesitant, largely cobeneficial relationship. Founded on intermarriage, kinship, and trade between the two parties, this racially hybridized society was a meeting point for cultural and economic exchange until the western expansion of American capitalism and violation of treaties by the U.S. government during the 1850s wore sharply at this tremulous bond, ultimately leading to what Wingerd calls Minnesota's Civil War. A cornerstone text in the chronicle of Minnesota's history, Wingerd's narrative is augmented by more than 170 illustrations chosen and described by Kirsten Delegard in comprehensive captions that depict the fascinating, often haunting representations of the region and its inhabitants over two and a half centuries. *North Country* is the unflinching account of how the land the Dakota named Mini Sota Makoce became the State of Minnesota and of the people who have called it, at one time or another, home.

Only in Minnesota Berit Thorkelson, Roxanne Kjarum, *Only in Minnesota* is a pictorial tribute to all that makes the state unique. Combining the natural, historical, and cultural facets of life in Minnesota, it showcases the people and what they do for fun (the Uptown Art Fair, ice fishing), where they live (from the cities of Minneapolis, St. Paul, Duluth, and Rochester to smaller towns and rural regions in between), their favorite places (Mille Lacs, Split Rock Lighthouse), and more. More than 160 dazzling, four-color photographs, showing a variety of subjects--from farms and churches to tourist destinations and state parks; from nature scenes to city festivals and cultural events--are the focus of *Only in Minnesota*. These photographs are accented by lively captions and fun facts. The result is a homage to the Gopher state from a local author and photographer whose love for Minnesota comes through on every page. Roxanne Kjarum is a freelance photographer who shoots advertising for money and the natural world for love. Her first published work was in *Sierra Club* magazine in 1988; since then her photography has appeared in numerous publications, including *MPLS.ST.PAUL Magazine*, *Lake Superior Magazine*, and *Metropolitan Home*.

Hmong in Minnesota Chia Youyee Vang,2009-06-25 Minnesota has always been a land of immigrants. Successive waves have each made their own way, found their place, and made it their home. The Hmong are one of the most recent immigrant groups, and their remarkable and moving story is told in *Hmong in Minnesota*. Chia Youyee Vang reveals the colorful, intricate history of Hmong Minnesotans, many of whom were forced to flee their homeland of Laos when the communists seized power during the Vietnam War. Having assisted U.S. troops in the Secret War, Hmong soldiers and civilians were eligible to settle in the United States. Vang offers a unique window into the lives of the Minnesota Hmong through the stories of individuals who represent the experiences of many. One voice is that of Mao Heu Thao, one of the first refugees to come to Minnesota, sponsored by Catholic Charities in 1976. She tells of the unexpectedly cold weather, the strange food, and the kindness of her hosts. By introducing readers to the immigrants themselves, *Hmong in Minnesota* conveys a population's struggle to adjust to new environments, build communities, maintain cultural practices, and make its mark on government policies and programs. Chia Youyee Vang was born in Laos and as a child escaped with her family to the United States. An assistant professor of history at the University of Wisconsin-Milwaukee, she specializes in the study of Hmong community-building efforts.

Minnesota Goes to War Dave Kenney,2005 Brainerd, 1941: The first people began arriving at the depot at about eleven-thirty p.m. The mercury in the thermometer read twenty below zero, and it was still dropping. . . . A few minutes before midnight, the men the crowd had come to see marched into view--eighty-two of them, all dressed in khakis, responding on cue to barked commands. . . . The conductor called all aboard. The band struck up *The Star-Spangled Banner*. The men fell in and marched into the passenger cars. As the crowd surged forward, the men inside the train raced to the windows. . . . Hands reached out and grabbed each other. Final kisses were stolen. The train pulled away, slowly gathering momentum, and disappeared into the night. For many in Company A, 194th Tank

Battalion, the part-time National Guardsmen who had trained at Camp Ripley, that was their last look at Brainerd. Their fate and the lives of the people they left behind comprise only one of the stories in this compelling chronicle of Minnesota's war efforts during World War II. Minnesota Goes to War records the state's role in the most significant event of the twentieth century. By telling the poignant stories of those who stayed behind--in support of the men and women overseas--this book is a tribute to the sacrifices made by ordinary people in extraordinary times. With much original research including photographs, letters, and interviews with veterans and their families, author Dave Kenney chronicles the uniquely Minnesotan response to war, from the starvation study at the University of Minnesota to the human centrifuge project at Mayo; from the Minneapolis and St. Paul rival scrap drives to the use of German POW farmhands in northwestern Minnesota; from those who eagerly supported the war to those who protested our nation's involvement. These stories honor Minnesotans who faced the war with equal amounts of determination and dread, courage and fear in places as far away as the Pacific and Europe and as close as our own hometowns. Minnesota Goes to War is a wonderfully rich, intelligently written, and singularly unique book. -- Joseph A. Amato, author of On Foot: A History of Walking and Rethinking Home: A Case for Writing Local History
