

# Mogul

Dhirendra Nath Paul

**Mogul** Terrance Dean, 2011-06-14 From the Essence bestselling author of *Hiding in Hip Hop* and an entertainment insider—a juicy debut novel about the “down-low” life of one of New York’s most beloved Hip Hop producers. After the sudden death of his father, a renowned jazz musician, Aaron “Big A.T.” Tremble clings to music as an escape. Making hip hop beats becomes his life. His love for music lands him at the estate of Larry “Pop” Singleton, a retired and respected Hip Hop music mogul who sees something special in Big A.T., and he also knows the truth about his sexuality. With Pop’s blessings and nurturing, Big A.T. is on the path to becoming the next great Hip Hop producer in New York. With the help of Pop and “the family,” a network of secretly gay men in the Hip Hop world, Big A.T. finds success and starts his own music label. He’s signed and worked with some of the biggest Hip Hop artists in the country. One of them is Brooklyn native lyricist, “Tickman.” Together they are making sweet music together. Tickman and Big A.T.’s relationship goes beyond producer and rapper – they become secret lovers. Nothing can stop Big A.T. All of the radio stations play his music. He has money, fame, and Jasmine, his girlfriend who doesn’t know about his secret love for men. However, at the pinnacle of his career, compromising photos of Big A.T. land on the desk of a national news program—and in the hands of his girlfriend. Big A.T., for the first time is at a crossroad in his career: come out publicly with his secret or watch his music empire crumble.

**Become a Mogul** Charles Major, 2009-05-01 Have you ever felt there was more to your life than your current circumstances? Do you have a passion that is burning deep inside of you and don't know how to let it out? Do you have the desire for greatness? Do you want to learn how to make a difference while generating a substantial income? You have found your answer!!! *Become a Mogul* makes the process of becoming a mogul easy to understand and easy to follow. Charles has studied the lives and careers of today's biggest moguls for over ten years and has helped his clients implement their strategies and principles with staggering results. This book will walk you through the process of becoming a mogul step by step and give you the tools you can use to instill positive change at every level of your organization. This book takes you step by step through the process of remodeling your life and becoming a mogul. The mission of this book is to teach Urban Entrepreneurs from all walks of life that it is truly possible to have everything you ever wanted by following seven very simple concepts and easy to understand principles. This book is the cornerstone that you need to reach the level of success that you are destined to reach. After reading this book, you'll have all the necessary tools to reach mogul status.

**You Are a Mogul** Tiffany Pham, 2018-09-04 National Bestseller Ranked in Top 10 Bestselling Business Books in the US by The Wall Street Journal Named Audible Editors' Pick in Best New Releases As the founder of Mogul—praised by Sheryl Sandberg as the #1 millennial platform—Tiffany Pham created a global technology and media empire by the age of 27. As living proof that the old rules of success no longer apply, Tiffany writes the new rules for following your passions and forging your own path in an age of disruption. Traditionally, the word “mogul” has been attributed to men. But Tiffany Pham has redefined it—now, when you Google the word, the top search result is the company she founded: Mogul. The platform enables millions of women, across 196 countries, to connect, share information, and access knowledge. So how did a young woman—who arrived in the United States without speaking a word of English—turn a dream of connecting women into a fulfilling career and highly profitable company that has changed so many lives? Tiffany chronicles her path to becoming one of the most successful entrepreneurs of her generation, and offers specific, actionable advice that covers everything from overcoming self-doubt, to pursuing side-hustles, to crushing it at life and work by over-delivering, all while remaining your authentic self. You will learn how to negotiate job promotions, secure and balance multiple career roles, hire and manage teams, and become a mogul yourself. The book also features strategies and insights from ten of the most powerful moguls worldwide, including Nina Garcia, Star Jones, and Rebecca Minkoff. *You Are A Mogul* addresses the new reality that few of us will work for one company for our entire career and that there is no one straightforward formula for a “good

life”—personally or professionally. To succeed, we have to be agile, flexible, and strategic. *You Are A Mogul* is an indispensable road map to the kind of life and career that is demanding and challenging—but also exciting and full of opportunities, if you know where to look.

**Girl Mogul** Tiffany Pham, 2019-04-02 If you know an aspirational teen who's destined for the big leagues, or if you just want to make sure you're doing everything right in today's weird economy, *Girl Mogul* is the perfect book to help. —Bustle Welcome to *Girl Mogul*! No matter who you are or where you come from, this book can help you define success, envision it, and make it happen—in school, in your personal life, and at work. Get ready to awaken all the awesomeness that is already inside of you. You are fierce. You are bold. You are unique. You are driven. You are inspiring. **YOU ARE A GIRL MOGUL** Tiffany Pham, founder and CEO of Mogul, created one of the most successful platforms for girls worldwide, reaching millions of people to enact true change in their lives, after receiving thousands of emails asking for advice. In *Girl Mogul*, she speaks directly to teens and young adults, sharing insights from her own life as well from the lives of the most incredible and inspiring women on Mogul. Tiffany has proven that with the right attitude, the right people, and the right vision, there's nothing girls can't do. An Imprint Book

**The Great Mogul** Louis Tracy, 2022-07-31 DigiCat Publishing presents to you this special edition of *The Great Mogul* by Louis Tracy. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Mogul ,2004

*How to be a Mogul* Diane Hartford, 1986

**Mogul** Katy Evans, 2018-05-31 A brand new contemporary romance from New York Times, Wall Street Journal, and USA Today bestselling author Katy Evans. He's my most delicious secret. The hot Suit I had a one-night stand with one evening. I didn't know anything about him, not even his name. Only that we shared a taxi, and he was staying at the hotel where I worked. We met in room 1103. Where he commanded not only my body but my soul. The next day he was gone and I only had a memory of him. I could still taste his kisses, feel his demanding touch. I searched for him for months. Daydreaming about him. Wondering if I'd ever find him. Until the day I find myself staring face to face with his jeweled black eyes again. He says lets keep it casual, and my heart knows that falling for this workaholic in a three-thousand-dollar suit is off the table. Because he has a secret. One that's a deal breaker for me. My Suit has a name. Ian Ford. And this is our story. \**Mogul* contains characters from *Tycoon*, but is written to be read as a standalone.

**TV Format Mogul** Albert Moran, 2013-01-06 Since the late 1990s, when broadcasters began adapting such television shows as *Big Brother*, *Survivor*, and *Who Wants to Be a Millionaire?* for markets around the world, the global television industry has been struggling to come to grips with the prevalence of program franchising across international borders. In *TV Format Mogul*, Albert Moran traces the history of this phenomenon through the lens of Australian producer Reg Grundy's transnational career. Program copycatting, Moran shows, began long before its most recent rise to prominence. Indeed, he reveals that the practice of cultural and commercial cloning from one place to another, and one time to another, has occurred since the early days of broadcasting. Beginning in the late 1950s, Grundy brought non-Australian shows to Australian audiences, becoming the first person to take local productions to an overseas market. By following Grundy's career, Moran shows how adaptation and remaking became the billion-dollar business they are today. An exciting new contribution from Australia's foremost scholar of television, *TV Format Mogul* will be a definitive history of program franchising.

**The Great Mogul** Tracy Louis, 2016-06-23 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve

to be made available for future generations to enjoy.

***Mogul in the Making*** Shawneya Ellis, 2017-04-12 *Moguls in the Making*, is a dynamic compellation designed to catapult visionaries to the next level in their business and vision. Whether, you are the established entrepreneur, or the visionary longing to see your plans come to fruition. This empowering masterpiece is a compellation of 6 gifted Moguls that will impart in the areas of online marketing, branding and image, executing vision, industry vs ministry and much more. No matter what place the visionary is in their life this book hones in on being the full measure of a mogul. *Moguls in the Making*, sets the tone for women who are shattering glass ceilings and transcends to the next generation of young moguls. You will obtain the confidence to move forward in your purpose no matter what resources you lack or barriers you may face. Included for the reader are workable pages to put your plans into action and began full implementation. Gain the strategies needed to be the boss you are called to be. Let's prepare to Push, Activate, and Execute your Vision! Congratulations on making the first step that will catapult you into your destiny!

***Mogul, Mom, & Maid*** Liz O'Donnell, 2016-10-21 The state of working women has been declared and debated since the days of Rosie the Riveter. The headlines, and the statistics behind them, however, don't tell the whole story. The truth is, many women today are breadwinners; and these breadwinners are struggling. They are caught in a perfect storm of male-dominated culture at work, traditional social norms at home, and outdated schedules in the school. *Mogul, Mom, & Maid* takes an honest look at how women are balancing home life and career. The pressures of child rearing, coupled with an unfulfilling corporate culture, are too great to be ignored. Author Liz O'Donnell goes beyond statistics and tells the stories of women all across America who are juggling careers, motherhood, marriage, and households. *Mogul, Mom, & Maid* looks at the choices women are making, the options they have, and the impact these decisions have on themselves, their families, and the businesses that employ them.

***Meeting Mr. Mogul*** Mel Ryle, 2020-07-15 I've never been ignored in my life. You're seriously testing my temper, he said with his jaw clenched. I sat there immobile, keeping my face as impassive as I could. You were the one who started asking unnecessary questions. Unlike all the other girls in the city, Andy Peterson is not one to drool over guys like that popular bachelor, William Maxwell aka Mr Mogul, no matter how filthy rich, devilishly handsome, and irresistibly sexy he may be. She knows their ilk, and she's not going to fall for their tricks. She doesn't have time for it period. But it seems that fate would have her make time for it, as Andy discovers she's actually working for the last person she'd ever want to work for-Mr. Mogul himself. Packed with laugh-out-loud moments, vital life lessons, and relatable dilemmas, *Meeting Mr. Mogul* is a must-read for everyone of all ages.

***Everything the Instructors Never Told You About Mogul Skiing*** Dan DiPiro, 2005-09-02 The real mogul skiing instruction you're looking for. Whether you want to ski gentle moguls with comfort and confidence, turn heads on your local mogul run, or compete in mogul contests, this book will give you the specialized techniques you need to reach your goal. In this how-to classic, former competitor Dan DiPiro reveals techniques that have remained largely unknown or misunderstood outside of competitive mogul skiing circles. Most skiers try to ski moguls using only groomed-trail techniques, says DiPiro. But the bumps require a special set of techniques that have little to do with groomed-trail skiing. With an understanding of these special techniques, most fit, expert skiers can become good mogul skiers, and some can become excellent mogul skiers and even mogul competitors. For the aspiring mogul skier, this book is full of invaluable instruction. For the seasoned bumper, it's an ideal tune-up guide and a refreshing affirmation. For all skiers interested in broadening their understanding of downhill skiing excellence, it's an original, eye opening read.

***The Boy Genius and the Mogul*** Daniel Stashower, 2002-05-07 The world remembers Edison, Ford, and the Wright Brothers. But what about Philo T. Farnsworth, the inventor of television, an innovation that did as much as any other to shape the twentieth century? That question lies at the heart of *The Boy Genius and the Mogul*, Daniel Stashower's captivating chronicle of television's true inventor, the battle he faced to capitalize on his breakthrough, and the powerful forces that resulted in the collapse of his dreams. The son of a Mormon farmer, Farnsworth was born in 1906 in a single-

room log cabin on an isolated homestead in Utah. The Farnsworth family farm had no radio, no telephone, and no electricity. Yet, motivated by the stories of scientists and inventors he read about in the science magazines of the day, young Philo set his sights on becoming an inventor. By his early teens, Farnsworth had become an inveterate tinkerer, able to repair broken farm equipment when no one else could. It was inevitable that when he read an article about a new idea -- for the transmission of pictures by radio waves--that he would want to attempt it himself. One day while he was walking through a hay field, Farnsworth took note of the straight, parallel lines of the furrows and envisioned a system of scanning a visual image line by line and transmitting it to a remote screen. He soon sketched a diagram for an early television camera tube. It was 1921 and Farnsworth was only fourteen years old. Farnsworth went on to college to pursue his studies of electrical engineering but was forced to quit after two years due to the death of his father. Even so, he soon managed to persuade a group of California investors to set him up in his own research lab where, in 1927, he produced the first all-electronic television image and later patented his invention. While Farnsworth's invention was a landmark, it was also the beginning of a struggle against an immense corporate power that would consume much of his life. That corporate power was embodied by a legendary media mogul, RCA President and NBC founder David Sarnoff, who claimed that his chief scientist had invented a mechanism for television prior to Farnsworth's. Thus the boy genius and the mogul were locked in a confrontation over who would control the future of television technology and the vast fortune it represented. Farnsworth was enormously outmatched by the media baron and his army of lawyers and public relations people, and, by the 1940s, Farnsworth would be virtually forgotten as television's actual inventor, while Sarnoff and his chief scientist would receive the credit. Restoring Farnsworth to his rightful place in history, *The Boy Genius and the Mogul* presents a vivid portrait of a self-taught scientist whose brilliance allowed him to capture light in a bottle. A rich and dramatic story of one man's perseverance and the remarkable events leading up to the launch of television as we know it, *The Boy Genius and the Mogul* shines new light on a major turning point in American history.

*The Great Mogul* Louis Tracy,1905

*Mogul Tales* Thomas-Simon Gueullette,1759

**The Legend of Federal-Mogul** Jeffrey L. Rodengen,1998 A century ago, the automobile industry stood poised to reshape the American landscape. *The Legend of Federal-Mogul* recounts this compelling period in industrial history through the story of Federal-Mogul, one of the world's largest manufacturers of automobile components. Under the leadership of founders H. Gray Muzzy and Edward Lyon, the company began by supplying bearings to the first automobile companies, but quickly diversified into engine seals, lighting systems and braking components. Today, led by Chairman and CEO Dick Snell, with sales of almost \$7 billion, the company has stayed true to its roots while emerging as a global systems supplier that works in close partnership with major automakers.
