Des Moines Craig S. McCue,2012 Consistently ranked as one of the top 10 cities in America to raise a family and own a business, Des Moines began as a frontier fort and pioneer village. It soon became a center for government, commerce, finance, and insurance. The community has gone through many transformations over the years but still retains the character and quality that makes it an example to the nation.

The History of Des Moines County, Iowa ,1879

East Village, Des Moines Hope Mitchell,2016-12-05 East Village was not always the fashionable destination it is today. When the first settlers arrived in 1843 on the muddy banks of the Des Moines River, it was in direct violation of a treaty with the local natives. The settlement grew so quickly that by 1855, the fledgling city had been selected to be the state capital, and the building was constructed in East Village. The next century saw rivalries with the western half of the city, the birth and battle of one of the city's largest red-light districts and the construction of some of Des Moines' most prized historic treasures. Historian Hope Mitchell investigates the people and events that shaped the culture and landscape of Des Moines' most dynamic neighborhood.

Fort Des Moines Penelope A. LeFew-Blake, Penelope LeFew-Blake,2006 Often referred to as the West Point of the Midwest because of its majestic red brick buildings and lush tree-lined landscape, Fort Des Moines shaped American history from its inception. Originally located at the fork of the Raccoon and Des Moines Rivers, Fort Des Moines relocated four miles south of the city and began to assume its revolutionary place in military history. By 1909, it was the largest cavalry post in the country, and Pres. William H. Taft chose it as the site of his Great Tournament of cavalry units. In 1917, for the first time in American history, African American officers received commissions at Fort Des Moines. Future president Ronald Reagan perfected his equestrian skills on its vast parade ground. The legacy of the cavalry lingered when, in 1942, the fort served as the first training center for the Women's Army Auxiliary Corps, and many female recruits found themselves sleeping in cavalry stables converted into barracks.

Biographical Review of Des Moines County, Iowa ,1905

West Des Moines and Valley Junction Craig S. McCue,2009 In 1867, James Jordan, one of the first European settlers in the area, agreed to donate land and plat a small town in exchange for a railroad spur to serve his cattle operation. Jordans business prospered as did the railroads and with them the town, which became known as Valley Junction. In 1891, the Chicago, Rock Island and Pacific Railroad decided to relocate its engine shops from East Des Moines to the growing community that was now on the main line. Prosperity turned to bust when the rail yards moved out during the Depression, and the city renamed itself West Des Moines to invite a more stable population. The community bonded together during the war years, and when the interstate came, the city grew outward as a hub of retail commerce and transportation. Now a financial center in its own right, West Des Moines hosts several Fortune 500 headquarters and is a magnet for the best and brightest entrepreneurs in the state. This collection showcases the history and character of the city through the eyes of its citizens.

Des Moines Alfio Giovannini, 2007-11 In the spring of 1986, Julian and Virginia Watson, a retired couple, live on the top floor of the Excelsior, an old apartment building on the edge of downtown Des Moines. Mrs. Watson suffers from agoraphobia and has not ventured outside the Excelsior in several years. Her devoted husband and Ms. Duncan, the building's janitor, are her only contacts with the outside world. Because of Virginia's fragile mental status, Julian only absents himself to run some errands or to take a daily walk to a nearby park. However, Julian's monotonous routine is suddenly altered by his chance encounter with an autograph-seeking lady who mistakes him for Clyde Ballantine, a reclusive Des Moines-born actor he has never heard about. In the following days, Julian's life is marred by a series of odd and frightening events that only an old article in The Des Moines Register could help explain. Or maybe notA[a→A]
