Moms Yeong-shin Ma, 2021-04-16 An outrageously funny book about middle-aged women that reexamines romance, lust, and gender norms Lee Soyeon, Myeong-ok, and Yeonjeong are all mothers in their mid-fifties. And they've had it. They can no longer bear the dead weight of their partners or the endless grind of menial jobs where their bosses control everything, down to how much water they can drink. Although Lee Soyeon divorced her husband years ago after his gambling drove their family into bankruptcy, she finds herself in another tired and dishonest decade-long relationship with Jongseok, a slimy waiter at a nightclub. Meanwhile, Myeong-ok is having an illicit affair with a younger man, and Yeonjeong, whose husband suffers from erectile dysfunction, has her eye on an acquaintance from the gym. Bored with conventional romantic dalliances, these women embrace outrageous sexual adventures and mishaps, ending up in nightclubs, motels, and even the occasional back-alley brawl. With this boisterous and darkly funny manhwa, Yeong-shin Ma defies the norms of the traditional Korean family narrative, offering instead the refreshingly honest and unfiltered story of a group of middle-aged moms who yearn for something more than what

the mediocre men in their lives can provide. Despite their less-than-desirable jobs, salaries, husbands, and boyfriends, these women brazenly bulldoze their way through life with the sexual vulnerability and lust typically attributed to twenty-somethings.

Mars Needs Moms! Berkeley Breathed, 2007-04-10 Milo doesn't get it: What's the big deal about moms? They're just slave-driving broccoli bullies. Yet they are worshipped the world over! Perhaps even the galaxy over—because here come Martians and they're after one thing only: moms. Milo's mom in particular! That's quite a long way to come for a mom—could it be that Milo has been overlooking something special?

Moms to Moms Barbara Joy, 2011-09-01 “These pages offer a community of compassion . . . Joy masterfully weaves engaging stories from moms . . . with the threads of her own wise guidance.”—Mary Anne Radmacher, author of *Lean Forward into Your Life* Being a mom is one of the hardest and most important jobs a woman can have. Being a mom in recovery is even more challenging. In *Moms to Moms*, counselor Barbara Joy shares the stories, advice, and inspiration from more than 60 mothers in recovery from across the United States who have struggled with addiction. These are women of all ages, races, and religious affiliations who candidly share their experiences: the challenges of being a mom in recovery, the values they want to teach their children, and their fears, struggles, and accomplishments. This is a book that offers help and hope to busy, stressed out moms in recovery; a book they can turn to again and again to find inspiration, comfort, and advice. Joy offers evaluation tools and strategies for positive parenting, journaling activities for reflections, and affirmations designed to relieve stress and reinforce positive behavior. “Being a mom is living a role. What every woman wants and needs is an authentic life of her own. So read and learn how to find your life and give birth to your new self.”—Bernie Siegel, M.D., #1 New York Times bestselling author of *Love, Medicine and Miracles* “This book is raw and real, yet loving and gentle. You will feel understood, validated, and inspired by Joy’s wisdom and practical advice. You will want to read this book cover to cover and then keep it on your nightstand for continuous inspiration.”—Jane Nelsen, author of *Serenity and Positive Discipline*

Power Moms Joann S. Lublin, 2021-02-16 A retired Wall Street Journal editor and mother compares two generations of women—boomers and GenXers—to examine how each navigates the emotional and professional challenges involved in juggling managerial careers and families. For the first time in American history, a significant number of mothers are heading major corporations, including General Motors, Ulta Beauty, and Best Buy. Over the past several decades, women have made gains throughout executive suites. Yet these “Power Moms” still struggle with balancing their management responsibilities with raising children. Joann S. Lublin draws on the experiences of the nation’s two generations of these successful women to measure how far we’ve come—and how far we still need to go. Lublin combines her own insights with those of eighty-five executive mothers across industries—including experienced public-company chiefs such as Carol Bartz, the first woman to command Autodesk and Yahoo; Hershey’s Michele Buck, DuPont’s Ellen Kullman, ITT’s Denise Ramos, and WW International’s Mindy Grossman—and twenty-five of their grown daughters. Lublin reveals how trailblazer boomers, many now in their sixties, often endured sweeping disapproval for their demanding management careers, even as their own daughters sometimes rejected their choices. While the second wave of executive mothers—all under forty-five—handle working parenthood with less angst, they still lead stressful lives. *Power Moms* provides lessons and advice to help today’s professional women, their families, and their employers navigate this challenging terrain. Lublin looks at the trade-offs mothers are too often forced to make between work and family and the root causes, including the dearth of large-scale paid parental leave and other family-friendly policies. While it celebrates the gains women have made, *Power Moms* makes clear how much more must be done to make being a working mother easier.

No More Perfect Moms Jill Savage, 2013-01-16 If you have ever forgotten to pick up your kids, accidentally worn two different shoes to the grocery store, or lost your cool over a messy house, YOU ARE NOT ALONE! In *No More Perfect Moms*, Jill Savage says it how it is: All moms struggle. We fall short of our own standard of excellence, and then we feel insecure about not being the perfect wife with the perfect kids, perfect husband, perfect home, perfect friends, perfect marriage, and perfect body... Jill speaks to the root of the insecurities mothers feel and points to a better way. *No More Perfect Moms* will help a mom: Change her unrealistic expectations to realistic hopes Give grace and love to her husband and children even during struggles, and discover the beauty of grace when she stops judging herself and others Find freedom from disappointment when she embraces her real family, her real challenges, and her real, but imperfect, life With refreshing honesty, Jill exposes some of her own parental shortcomings and helps mothers everywhere shelve their desires for perfection and embrace God’s beautiful grace. When moms do this, they can learn to love their real but imperfect lives.

Hollywood Moms Joyce Ostin, 2003-09-01 Ostin's remarkable collection of photos offers candid portraits of more than 50 actresses, directors, and producers, each posing with her mother or daughter. The pictures are informal, intimate shots of the stars at home with their families.

Mom's the Word Cathy Hamilton, 2012-12-11 Rule #1 in the parenting handbook: Keep 'em off guard. Then along comes Cathy Hamilton (a forty-something mother of two, by the way) who blows the whole cover for motherdom. Okay, Mom will still have a trick or two up her sleeve, but *Mom's the Word* goes a long way toward giving the other side some boisterously entertaining explanations about parental messages. Consider the author's take on this momism: I'm so

mad at you I can't see straight. This is what Mom says when she's boiling, raging, over-the-top angry. It should not be taken literally, but if Mom happens to be driving when she screams these words, better encourage her to pull over . . . just in case. Mom's the Word knows just where Mom is coming from . . . and motherhood will never be the same.

1,003 Great Things About Moms Lisa Birnbach, Ann Hodgman, Patricia Marx, 2002-03 * When you're sick in bed, she'll let you watch horrible soap operas and infomercials. * She's not offended when you pour ketchup all over the dinner she makes for you. * At the peak of your ugly phase, she still thinks you're cute. In delightfully droll bullet points and wacky boxed lists, this tribute to mothers everywhere provides a thousand--make that a thousand and three--reasons to acknowledge and appreciate that all-important female parent in our lives. How did these three talented authors find so many truisms about motherhood? Everyone who has a mother will understand completely once they get their hands on 1,003 Great Things About Moms. It's a sweet and sassy look at what makes moms so special.

Bad Moms Nora McInerney, 2020-04-14 The writers behind the blockbuster hits *Bad Moms* and *A Bad Moms Christmas* and the acclaimed author of *No Happy Endings* join forces in this hilarious novelization of the hit movie franchise. What happens when a trio of overworked and underappreciated good moms get pushed beyond their limits? They turn “bad”—ditch the kids, the housework, and their clueless partners with hilarious and heartwarming results. Based on the popular movies, *Bad Moms: The Novel* gives fans a new way to enjoy their favorite characters, Amy, Carla, and Kiki, as they smash the Perfect Mom pedestal, take on the grown-up Queen Bees, forge deeper bonds with their kids, get some long overdue respect and recognition, and indulge in a few hours of some crazy fun. Enriching the chaotic and comedic stories of the films, *Bad Moms: The Novel* is a sendup of modern motherhood and a celebration of moms gone (temporarily) whack—to good effect.
