Mosaic Fine Art Portraits Irit Levy,Pam Givens,2010-11-10 Mosaic Fine Art Portraits, a collection from some of the finest contemporary mosaic artists worldwide, is the first book in a series that presents mosaic art as fine art. The five featured artists discuss the philosophy that drives their work, their discovery of mosaic art, and their personal journeys as artists. The book includes a gallery of sixty-four mosaic portraits by contemporary artists and an insightful introduction by the prominent mosaic artist George Fishman. Mosaic Fine Art Portraits is an art book not to be missed.

Mosaic Art Today Jeffrey B. Snyder,2012 The artwork of over 50 contemporary mosaic artists reveals the diversity of materials used and forms created in this ever-growing field. From small pieces of glass, stone, pebbles, ceramics, found objects, and other materials known as tesserae, these artists paint images of great intricacy and stunning beauty. In skilled hands, these small angular bits of material form works of art that are filled with fluid motion and life. Presented here in hundreds of vibrant color images, they include public and private installations, sculptures, wall murals and hangings, windows, plaques, medallions, floors, triptychs, furniture, and more. Visual texture, mixes of opaque and transparent tesserae, and the visual flow throughout an image keep viewers riveted to these ever eye-catching works of art. This book will be a source of inspiration for all who appreciate this ancient yet ever-evolving art form.

Masters of Mosaic Oliver Budd,2014 An exclusive insight into the work and specialist skills of 12 premier contemporary mosaic artists Each chapter in this inspiring look at contemporary mosaic art is written by a different artist and gives their unique story, including their inspirations and influences, and how they design, create, and install their mosaics. Color photos throughout the book showcase the artists' past and present commissions. Whether you work in stone, glass, or ceramic, and are figurative or abstract in expression, this magnificent volume, which explores the work of the best artists in the business, is a must for anyone with an interest in this incredible art form. Featured in the book are Emma Biggs, Paul Bull, Trevor Caley, Martin Cheek, Gary Drostle, Elaine Goodwin, Maggie Howath, Tessa Hunkin, Jo Letchworth, Jane Muir, and Norma Vondee.
