

Mud

JE Gale

Mud Book John Cage,2017-04-04 In the mid-1950s, legendary avant-garde composer John Cage and artist Lois Long created a truly marvelous object. Part artist's book, part cookbook, and part children's book, Mud Book is a spirited, if not satirical, take on almost every child's first attempt at cooking and making. Through the humble mud pie—add dirt and water!—Cage and Long encourage children to explore their imagination and to get their hands dirty, and they offer this warning: Mud pies are to make and look at, not to eat. A unique hybrid of art book, unconventional cookbook, and inspiration for young makers, this new edition of Mud Book will delight children and parents alike, and makes a charming gift for all ages.

Mud Mary Lyn Ray,2001 As winter melts into spring, the frozen earth turns into magnificent mud.

Miracle Mud David A. Kelly,2014-01-01 Lena Blackburne loved baseball. He watched it, he played it, he coached it. But he didn't love the ways players broke in new baseballs. Tired of soggy, blackened, stinky baseballs, he found a better way. Thanks to a well-timed fishing trip and a top-secret mud recipe, Lena Blackburne Baseball Rubbing Mud was born. For seventy-five years, baseball teams have used Lena's magic mud to prepare baseballs before every game. Read the story of how Lena's mud went from a riverbank to the major leagues and all the way to the Hall of Fame.

Fuzzy Mud Louis Sachar,2015-08-04 From the author of the acclaimed bestseller *Holes*, winner of the Newbery Award and the National Book Award, comes a New York Times bestselling adventure about the impact we have—both good and bad—on the world we live in. Be careful. Your next step may be your last. Fifth grader Tamaya Dhilwaddi and seventh grader Marshall Walsh have been walking to and from Woodridge Academy together since elementary school. But their routine is disrupted when bully Chad Hilligas challenges Marshall to a fight. To avoid the conflict, Marshall takes a shortcut home through the off-limits woods. Tamaya, unaware of the reason for the detour, reluctantly follows. They soon get lost. And then they find trouble. Bigger trouble than anyone could ever have imagined. In the days and weeks that follow, the authorities and the U.S. Senate become involved, and what they uncover might affect the future of the world. Sachar blends elements of mystery, suspense, and school-day life into a taut environmental cautionary tale.--Publishers Weekly

Mud Puddle Robert Munsch,2019-10-21 When Jule Ann goes outside in her brand-new clothes, a mud puddle jumps on her and gets her completely dirty. The mud gets in her ears, eyes, and even her mouth. Jule Ann's mother scrubs her clean and puts her in new clothes, but every time Jule Ann ventures out, the mud puddle finds her and pounces. Finally, Jule Ann has had enough: clutching two bars of smelly yellow soap, she heads outside one more time... A newly designed Classic Munsch picture book introduces this charming tale of unavoidable mess to a new generation of young readers.

Mud Wendy Cheyette Lewison,2001 Kids having fun with mud find it on their hands and toes, in their hair, over there, over here, and everywhere.

Mud Tacos! Mario Lopez,Marissa Lopez Wong,2009 Mario and his younger sister make tacos out of mud and other things they find in their Nana's backyard.

The Marvelous Mud House April Graney,2017-10 When an American family visits a marvelous mud house in Kenya, they learn a wonderful lesson about true contentment, faith, and joy.

Mud E. J. Wenstrom,2016-03-15 “Wenstrom’s debut is the catalyst for a planned series of fantasy war tales, kicked off with this thoroughly expanded retelling of the Orpheus myth.” —Publishers Weekly Winner of the Royal Palm Literary Award for Book of the Year and First Place for Fantasy Torn apart

by war and abandoned by the gods, only one hope remains to save humanity. But the savior isn't human at all. Trapped by his maker's dark command to protect a mysterious box, Adem—an unlikely hero—is forced to kill anyone who tries to steal it. When a young boy chances upon Adem's temple, he resists the lure of curiosity and temptation, intriguing the golem. The boy and his sister convince Adem to go against his maker's edict, leaving the refuge of the temple. But their adventure soon lands them in a web of trouble. Now Adem will do whatever is necessary to keep his new young charges safe, even if it means giving up the only thing he's ever truly wanted . . . a chance at a soul of his own. “There’s something primal in Mud. It’s a reverent, mythical story of supernatural beings who justify desperate measures in their quest to feel complete. They struggle with emotions we all understand, even as they challenge the very rules that govern all of creation.” —Robert Wiesehan, author of *Aurora Knights: Loyalties* “I really like books about uncommon supernatural creatures, so, when I saw Mud had a golem as the protagonist, I jumped at the chance to read it. A well-written and enjoyable read.” —Metaphors and Moonlight

Mud Woman Nora Naranjo-Morse, 1992 A noted sculptor turns her talents to poetry in a collection that explores the satisfactions and complications of being a Pueblo Indian woman in the late twentieth century

Mud Mary Lyn Ray, 1996 As winter melts into spring, the frozen earth turns into magnificent mud. One night it happens. Maybe it begins in the warmth of the day, but it's always at night that it happens. Earth comes unfrozen, and then there is ... MUD! This ode to muddy hands and feet, brown earth, and new grass celebrates the joy of mud and the coming of spring.

Mud! Charnan Simon, 2011-01-01 Hooray! It rained last night. But now the sun is out, and there's lots of sloppy, gloppy mud to play in. Includes a note to parents.

Mississippi Mud Edward Humes, 1995 Documents governmental and political corruption in the Deep South through the story of a daughter who seeks justice when her parents are slain in Mississippi.

Mud Season: How One Woman's Dream of Moving to Vermont, Raising Children, Chickens and Sheep, and Running the Old Country Store Pretty Much Led to One Calamity After Another Ellen Stimson, 2013-10-07 Living the dream of the endless vacation “Anyone who has ever dreamed of leaving the city and taking their lives back to nature (and who hasn't?) will find much to contemplate in this warm and hilarious tale of rural misadventure and small town quirk, even if they have never chased a goat in a bathing suit or called 911 because there were cows in the road. Stimson's voice is endearing: both in its self-deprecation and its rapture, as she sings an only slightly conflicted love song to Vermont.” —Pam Houston, author of *Contents May Have Shifted* “Taking a plunge that wimpier sorts (i.e. most of us) only fantasize about, Ellen Stimson and her family packed up their house in St. Louis and threw themselves into a wildly different life in small-town Vermont. Armed with the passion-and haplessness-of wide-eyed newcomers they rescue goats and adopt chickens, do battle with skunks and bats and falling ice, and, most disastrously, buy a black hole of a general store. Through it all they manage to retain their love for their adopted home as well as one another. This is a tale to which all the cliché words absolutely apply: hilarious, heartwarming, rollicking, and, most of all, rich in the real stuff of life.” —Julia Reed, author of *But Mama Always Put Vodka in Her Sangria!*

Mud! Annie Bailey, 2022-04-12 An energetic picture book ode to rainy days, outdoor play, and siblings, all about oozy, smoozy, squishy mud! Gloopy,

gloppy, gorgeous mud. Oozy, smoozy, soupy mud. Stomp it, poke it, squeeze it, whack it, Pack it into bricks and stack it. This very young picture book from author Annie Bailey and illustrator Jen Corace celebrates all things mud! The rhyming text is full of onomatopoeia and humor, and follows a brother and sister as they go outside on a rainy day to play in the mud and then clean up—only for the muddy fun to start up again.

Foreign Mud Maurice Collis,2002 Based upon selected anecdotal stories written by British observers, this text reconstructs the events of the illegal opium trade in Canton in the 1830s and the war between Britain and China that followed. The volume is illustrated with b & w maps, prints, and photographs. Irish-born Collis (1889-1975) served for many years in the Indian Civil Service in Burma and later became a writer and critic in London. Annotation copyrighted by Book News, Inc., Portland, OR

Lucky Mud & Other Foma Christina Jarvis,2022-11-22 A fascinating deep dive into Kurt Vonnegut's oeuvre and legacy, illuminating his unique perspective on environmental stewardship and our shared connections as humans, Earthlings, and stardust. Vonnegut's major apocalyptic trio—Cat's Cradle, Slapstick, and Galápagos—prompt broad global, national, and species-level thinking about environmental issues through dramatic and fantastic scenarios. This book, *Lucky Mud and Other Foma*, tells the story of the origins and legacy of what Kurt Vonnegut understood as “planetary citizenship” and explores key roots, influences, literary techniques, and artistic expressions of his interest in environmental activism through his writing. Vonnegut saw writing itself as an act of good citizenship, as a way of “poisoning” the minds of young people “with humanity . . . to encourage them to make a better world.” Often that literary activism meant addressing real social and environmental problems—polluted water, soil, and air; racial and economic injustice; isolating and dehumanizing technologies; and lives and landscapes desolated by war. Vonnegut’s remedies took many forms, from the redemptive power of the arts to artificial extended families to vital communities and engaged democracies. Reminding us of our shared connections as humans, as Earthlings, as stardust, *Lucky Mud* helps fans, scholars, and book lovers of all kinds experience how Vonnegut’s writings purposely challenge readers to think, create, and love.

Mud Matters ,1998 A personal account describing various uses of mud in such activities as ritual dancing, making pottery, building villages, contructing nests, playing games, and celebrating customs.

The Possibilities of Mud Joe Jiménez,2014-03-31 The Possibilities of Mud roots down in the Texas Gulf. In league with the deer of the arroyos and the heron like the pelican and the dunlin, he makes stays of the other Gulf animals of the mud-flat world, holds, in a time of grief. The cattle egret is a golden life as much as she is white-- each creature: a lesson in how to let the world be enough. For Jiménez, as sanderling is to speaker, crane is to reader. These poems touch the world not to take from it but to know it, to belong to it more fully. There is the long song of grief, and there's praise, too. At once in mourning and in worship, he's said his beloved is the larger body of the world, where we hear Mary Oliver, and in his narrative movements, there is Mark Doty. As Jiménez renders the violent end to a long relationship, he makes notations for a praise song, prayers toward how to go on.

The Mud Actor Cyrus Cassells,1982
