Musical Discoveries Paula Manwaring, 2019-04-06 Musical Discoveries -Book 2 is on a late elementary to early intermediate level. If you have played on an electric keyboard, you know just how fun it can be to create musical harmonies with various instrument sounds. The Musical Discoveries series is a great way to create your own orchestra or band. Each piece contains 3-5 tracks for instrument choices. Instruments have been selected, however take the time to explore other instrument options for each piece. Record each track with a different instrument sound and you will have created your own ensemble. By changing the instruments up, you can record a piece multiple times, creating various styles for each piece. If you are lucky enough to have access to multiple keyboards, assign each track to a different keyboard with a different instrument sound assigned. Get a friend to play along and you have created your own band or orchestra with your keyboards!

Basic Multitracking Paul White, 2010-03-15 Basic Multitracking covers recording techniques for analogue and digital tape-based methods of working, as well as tapeless systems. This book will help to attain professional standards.
