Other famous works, such as *Asya*, *Fathers and Sons*, *Noble's Nest*, *Biryuk*, *Fire at Sea*, *Inn*, *Clock*, belong to the author, “Three portraits”, “Strange story”, “Date”, etc. Ivan Turgenev is an outstanding writer of the 19th century, a corresponding member of the Imperial Academy of Sciences in the category of the Russian language and literature, and the author of philosophical and psychological poems, short stories, novels and novels.

**Song for Mumu** Lindsay Barrett, 1974 Life of a simple rural family changes dramatically when the teenage daughter falls in love with a man from the city. One generation later, that daughter, and her own teenager daughter, migrate to the city and they both take very different paths in life.

**What's Up MuMu?** David Mackintosh, 2015-08-27 MuMu is not quite MuMu today - we all have days like that. But with enough good cheer and fun, her best friend Lox can put things right. Right? A rattling good story about friendship and one of those days...

**Mumu** Turgenev Ivan Sergeyevich, 2017-03-14 The story of Gerasim, a deaf and mute serf whose life of poverty is brought into sharp relief by his connection with Mumu, a dog he rescued, brought greater national attention to the cruelties of serfdom, and received praise for its brutal portrayal of this institution in Russian society. Originally published in 1854, *Mumu* was written by Turgenev while he was in custody for writing an obituary for fellow writer Nikolai Gogol. From a good family, Turgenev was well-read, and had spent extensive time in the West (he was fluent in German, French, and English). His primary concern, and the main topic of his writings, was Russia, and he wrote only

in Russian

**Mumu (Bilingual Annotated Edition)** Ivan Sergeevich Turgenev, 2011-09-23 Turgenev wrote *Mumu* with such vivid images and reflections of the state of the tsarist Russia that this piece together with his other stories was credited with having influenced public opinion in favour of the abolition of serfdom in 1861. Turgenev was the first of the great Russian novelists to win fame abroad. One of his great admirers was Henry James, who wrote that Turgenev's merit of form is of the first order. The story featured in this release is relatively unknown in English speaking markets despite being a school textbook classic back in Russia. This revised edition of *Mumu* was first published in London in English in as audio book in 2010. The audio book produced very strong response from listeners. A story great in emotion and meaning that makes you want to read his other books. What a successful introduction to a great writer, wrote Philippe Felsenhardt (USA) in his review. This edition has whet my appetite for Turgenev on the page, wrote another reviewer Joseph Belliveau (Canada). Other reviewers wrote that the story brought them close to tears and that they would very much enjoy reading it in paper format. So the paper edition of this story with annotations in both original Russian and English languages is hereby produced to satisfy demand of enthusiastic readers. It is remarkable how new media such as audio book extends life of original paper book. New does not have to mean the end of traditional, at least for now.

*The Adventures of Mumu* Yiqun Sophia Wang, 2019-11-12 This book is about the friendship

between Lotus and Mumu. The story brings them to their first adventure together, where they learn about new topics and meet new friends. In a society where fewer parents find time to spend with their children, I want to use this book to keep these children company. At the same time, I want them to grow up knowing about important subjects in life such as the environment they live in, loyalty and cross-cultural friendship. Mumu speaks to the child in us: innocent, wise, and courageous. She gives parents the opportunity to read to their children and to spend time dreaming together. She teaches children who just started reading to dare to dream. She reminds grown ups about the dreams they had when they were children. For the children whose parents are not near them, Mumu keeps you company. See you in my dreams, Mum

Joaquim Carlos Lourenço,2021-10-10 Mumu is an adult cow who lives on a farm far away from the city, every day she wakes up very early, before sunrise she is already up, eager to go to the stable to withdraw her milk. Leaving the corral, on the way the cow meets her friends who also live on the farm, both on the way there and back, they are always very kind to her, never fail to greet her when they see her. **Mumu - Publishing People Series** Ivan Sergeyevich Turgenev,2020-10-17 Turgenev's story is a striking example of a narrative that can easily stand the test of time. Portraying the life of a deaf Russian serf who makes a strong relationship with a rescued dog, the short story elaborately explores the problems and life conditions of Russian serfdom. What is more, the story is based on Turgenev's own experience with a dog, with the rest of the characters modelled after his family members and friends. A tragic, but emotionally deep tale, Mumu is an example of the loneliness of human condition against the sad, tortured heart of society.
