Not a Hopeless Case Halee Gray Scott,2023-04-25 Is America the next missionary graveyard? Or is it ripe for spiritual revolution? The statistics seem grim. Every year, the decline of Christianity continues at a rapid pace, especially among young adults. Churches across the country are closing their doors, dying, or are being adopted by nearby larger churches. What is the story church leaders hear? We've lost the next generation. But this decline in religious affiliation has not made us less spiritual. Young adults are still asking questions that only faith (or religion) can fully answer. Questions are like seeds buried in the rich, dark soil of our hearts. Nurtured with oxygen and water, they unfold into that which they were meant to become. Absent these conditions, they wither in the dark. Those most resistant to Christianity are those whose questions did not receive oxygen in their faith communities while they were children and teenagers. *Not a Hopeless Case* is the story of questions, the questions of young adults about faith and spirituality--young adults who are lost and want to be found--and the questions of pastors who seek to find them.

#LoveStory99 Not-Out B SRIDHAR,2021-09-09 Cigarette Smoking, Alcohol Drinking & Selfless Loving cause intoxication to the Heart—isn’t it sounding familiar, yet new? Why are people addicted to smoking and drinking, despite the caution-sign of “causes cancer and kills”? Looking from their perspective, that caution sign might seem negligible because they might be experiencing something more painful than “getting killed”, yet

they enjoy it! And isn't that something related to "Heart"? The author will make you experience that 'rarely recognized yet special feeling' through the Hearts of Karthik and Seema, which makes you think "Love can cause intoxication yet it is worth enjoying!" It's a story that started in the early 1990s when mobile phones were not handy, Facebook was still dreaming, and WhatsApp's dream was not yet born. Love might seem to be "a beautiful Start" of life but when the same Love is seen as a "Destiny", in pursuit of it, life's journey becomes memorable! What are you waiting for! Grab your copy and read to know if such memories are worth cherishing.

"Happiness Is Not My Companion" David M. Jordan,2001-05-28 The valorous but troubled career of the Civil War general best known for defending Little Round Top and averting a Union defeat at Gettysburg. The lieutenant colonel of a New York regiment and rising star in the Army of the Potomac, Gouverneur K. Warren performed heroically at Gettysburg. For his service at Bristoe Station and Mine Run, he was awarded command of the Fifth Corps for the 1864 Virginia campaign. But Warren's peculiarities of temperament and personality put a cloud over his service at the Wilderness and Spotsylvania and cost him the confidence of his superiors, Grant and Meade. He was summarily relieved of his command by Philip Sheridan after winning the Battle of Five Forks, just eight days before Appomattox. Warren continued as an engineer of distinction in the Army after the war, but he was determined to clear his name before a board of inquiry, which conducted an exhaustive investigation into the battle, Warren's conduct, and Sheridan's arbitrary action. However, the findings of the court vindicating Warren were not made public until shortly after his death. For this major biography of Gouverneur Warren, David M. Jordan utilizes Warren's own voluminous collection of letters, papers, orders, and other items saved by his family, as well as the letters and writings of such contemporaries as his aide and brother-in-law Washington Roebling, Andrew Humphreys, Winfield Hancock, George Gordon Meade, and Ulysses S. Grant. Jordan presents a vivid account of the life and times of a complex military figure.

Christ's Humanity in Current and Ancient Controversy: Fallen or Not? E. Jerome Van Kuiken,2017-07-13 Was Christ's human nature fallen, even sinful? From the 18th century to the present, this view has become increasingly prominent in Reformed theological circles and beyond, despite vigorous opposition. Both sides on the issue see it as vital for understanding the nature of salvation. Each side's advocates appeal to or critique the Church Fathers. This book reviews the history and present state of the debate, then surveys the connections, distinctions, and patristic interpretations of five of the modern fallenness view's proponents (Edward Irving, Karl Barth, T. F. Torrance, Colin Gunton, and Thomas Weinandy) and five of its opponents (Marcus Dods the Elder, A. B. Bruce, H. R. Mackintosh, Philip Hughes, and Donald Macleod). The book verifies the views of the ten most-cited Fathers: five Greek (Irenaeus, Athanasius, Gregory Nazianzen, Gregory Nyssen, and Cyril of Alexandria) and five Latin (Tertullian, Hilary of Poitiers, Ambrose, Augustine, and Leo the Great). The study concludes by sketching the implications of its findings for the doctrines of the Immaculate Conception, sin, sanctification, and Scripture.

Sequel to the remarkable VOTAN, NOT FOR ALL THE GOLD IN IRELAND continues the adventures of John James' reluctant hero Photinus. One of the forgotten classics of fantasy, the duology is ripe for rediscovery. Fans include Neil Gaiman, who has provided a new introduction to the Fantasy Masterwork collection.

Forget Me Not Erica Pensini,2016-05-10 Can you meet again after two hundred years? Science denies the possibility. Iris is a scientist, but when she finds herself in the pages of an antique book her certainties are

breached and the boundaries between imagination and reality become dangerously labile.

How Not to Kill a Muslim Joshua Graves,2015-04-13 The adherents of Islam and Christianity comprise half of the world's population, or 3.5 billion people. Tension between them exists throughout the world and is increasing here in North America. In *How Not to Kill a Muslim*, Dr. Joshua Graves provides a practical subversive theological framework for a strategic posture of peaceful engagement between Christians and Muslims. Based upon both academic and personal experience (Josh grew up in Metro Detroit), this book will provide progressive Christians with a clear understanding of Jesus' radical message of inclusivity and love. There is no one who is not a neighbor. There is no them. There's only us. Our future depends upon this becoming true in our cities, synagogues, churches, and mosques. In pluralistic societies such as those of Canada and the United States, the true test of Christianity is what it offers those who are not Christian. And it starts with Islam.

My Heart Is Not Blind ,2019-03-19 *My Heart Is Not Blind: On Blindness and Perception* is a collection of stunning portraits of blind and visually impaired people taken by photographer Michael Nye. Each image is accompanied by an intimate story told by the subject concerning his or her experiences and unique perspective. The causes of vision loss range from genetic predispositions (retinitis pigmentosa) or disease (glaucoma) to external circumstances such as accidents (struck by a train) or violence (gunshot wound). The people in this diverse group differ not only in their particular conditions and losses but also in their cultural and socio-economic backgrounds. Taken as a whole, however, the accounts of adapting to changing modes of perception are bound by a common theme of resilience, revealed in shared reactions and unexpected insights. The subjects depicted in *My Heart Is Not Blind* share their experiences and unique perspectives in a personal narratives that accompany their respective portraits. Most speak of the transition from sight to vision loss, and how that has changed—and not changed—their ability to perceive the surrounding world. Some question the classification of blindness as a disability. One participant proposes that blindness may, in some ways, even aid in perception, musing, “if you can always see the sun, you can never discover the stars.” *My Heart Is Not Blind* offers a window into the world of the blind and visually impaired, revealing surprising similarities and fascinating differences alongside compelling accounts of survival, adaptation, and heightened understanding. The collection invites us to reconsider what we think we know about blindness in order to gain a deeper understanding of vision and perception.

This Kind Goeth Not Out Isaac Ashiofu ,2023-08-25 In *This Kind Goeth Not Out*, Isaac Ashiofu shares that a powerful and personal testimony led to the creation of this transformative book. He describes how life can present challenges, and that they are designed to bring out the best in us, hence we must not be destined to drown in them. He notes that as redeemed children of God, we have access to redemptive blessings, yet they require wrestling against the wickedness that seeks to hinder our progress. This book reveals that Satan's interest in you signifies your significance in the grand scheme. But you must not fear, as the church is ordained to manifest the power of God, humbling the principalities and powers that stand in our way. According to the author, knowledge is the key to unlocking destiny and subduing the powers of darkness. By applying the revelations found in this book, you will gain entrance into a life-transforming testimony and overcome any enemy that dares to resist it.

"Not War But Like War" Roger J. Spiller,1981 This study began in August 1979 as a series of notes for a lecture on the employment of contingency forces at the U.S. Army Command and General Staff College. The lecture was intended to serve as a historical introduction to the subject, using the 1958 American intervention in Lebanon as a case in point. It was thought that by analyzing the Lebanon intervention one could demonstrate several important lessons: how political and diplomatic objectives directly affect the character of modern military operations; how an operational military plan is conceived and what evolutions it endures before it is executed; how such plans, though they appear to anticipate every operational problem, are usually unequal to the realities of operational practice; and, finally, how valuable a quality mental agility can be when put to use by a military commander and his subordinates. Interestingly, most of the literature dealt with the Marines if of it took notice of military operations at all.

Not on Fire, but Burning Greg Hrbek,2015-09-29 Twenty-year-old Skyler saw the incident out her window: Some sort of metallic object hovering over the Golden Gate Bridge just before it collapsed and a mushroom cloud lifted above the city. Like everyone, she ran, but she couldn't outrun the radiation, with her last thoughts being of her beloved baby brother, Dorian, safe in her distant family home. Flash forward to a post-incident America, where the country has been broken up into territories and Muslims have been herded onto the old Indian reservations in the west, even though no one has determined who set off the explosion that destroyed San Francisco. Twelve-year old Dorian dreams about killing Muslims and about his sister—even though Dorian's parents insist Skyler never existed. Are they still shell-shocked, trying to put the past behind them . . . or is something more sinister going on? Meanwhile, across the street, Dorian's neighbor adopts a Muslim orphan from the territories. It will set off a series of increasingly terrifying incidents that will lead to either tragedy or redemption for Dorian, as he struggles to prove that his sister existed—and was killed by a terrorist attack. *Not on Fire, but Burning* is unlike anything you're read before—not exactly a thriller, not exactly sci-fi, not exactly

speculative fiction, but rather a brilliant and absorbing adventure into the dark heart of an America that seems ripped from the headlines. But just as powerfully, it presents a captivating hero: A young boy driven by love to seek the truth, even if it means his deepest beliefs are wrong.
