The NUM and British Politics Andrew Taylor, 2017-03-02 From its formation in 1944, the National Union of Mineworkers (NUM) was one of the most powerful and important players on the British political and industrial stage. Whilst the nation relied upon coal for its electricity production, domestic heating and railway transportation, the miners and their unions would always play a central role in national politics with the ability to cause massive disruption to the nation, should they decide to strike, as they did in 1972 and 1974. However, as the country began to move towards other forms of energy, such as oil and gas, the power of the mineworkers correspondingly decreased, leaving the once mighty union to come to terms with a very different world by the early eighties. The NUM and British Politics makes use of union material and party and government archives as well as oral testimony, much of it highly confidential, to present the first overall account of the evolving nature of the tripartite relationship between the miners, the NUM and the state.

Num Pang Ratha Chaupoly, Ben Daitz, Raquel Pelzel, 2016-06-06 100 amazingly delectable Cambodian- and Southeast Asian-inspired recipes from New York's favorite sandwich shop. In a city with so many great sandwich joints, Num Pang Sandwich Shop is a standout, receiving high praise from numerous sources including Bon Appétit and Zagat. First opened in 2009 by Ratha Chaupoly and Ben Daitz, the restaurant introduced New York City to Cambodian-inspired sandwiches and sides. Today, there are six locations in the city with more in the works. Num Pang sandwiches are similar to Vietnamese banh mi, but what makes them so special is the inventive fillings, ranging from Glazed Five-Spice Pork Belly to Seared Coconut Tiger Shrimp to Hoisin Meatballs. The book provides recipes for all the fan favorites as well as ones for condiments like Pickled Five-Spice Asian Pears, sides like the Sambal Chili-Glazed Chicken Wings, soups and stews like Curried Red Lentil Soup, salads like Green Papaya Salad, and drinks like Cambodian Iced Coffee. With touches of graffiti art inspired by the chain's signature urban, hip-hop style, Num Pang looks just as bold as the mouthwatering recipes taste. "The food at Num Pang is delicious. No wait...it's f@*cking delicious!...Ben and Ratha's book is like a collection of magic tricks being revealed. Delicious magic tricks that I can make and eat in my apartment."—Adam "Ad-Rock" Horovitz, musician "From the humble descriptions and step-by-step recipes to the awesome narrative and incredible photography, I am stoked to add this book to my collection."—Michael Chernow, owner of Seamore's and co-owner of The Meatball Shop
