

Obama

Michael Eric Dyson

A Promised Land Barack Obama, 2020-11-17 THE #1 SUNDAY TIMES BESTSELLER A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy – and the perfect gift this Christmas! 'Gorgeously written, humorous, compelling, life affirming' Justin Webb, Mail on Sunday In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. A Promised Land is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of hope and change, and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day. 'What is unexpected in A Promised Land is the former president's candour' David Olusoga, Observer

Barack Obama Beatrice Gormley, 2015-09-08 Learn all about the life of the 44th President of the United States in this updated biography of Barack Obama, specially written for a younger audience. University Professor. Nobel Peace Prize Winner. First African American President of the United States. President Obama was born on August 4, 1961, in Honolulu, Hawaii. With relatives in Kenya, Ireland, Indonesia, and Kansas, President Obama has referred to his family as “a mini-United Nations.” He attended college on both coasts, first at Occidental in California, then at Columbia in New York City. After graduating from Harvard Law School, he practiced and taught law in Chicago. In 2005 Barack started his political career when he became the senator for Illinois. President Obama was inaugurated on January 20, 2009. His many efforts in the first 100 days of his presidency earned him a Nobel Peace Prize and, in 2012, he was reelected for a second term. Originally published in 2012, this revised biography of the 44th President of the United States includes eight pages of photos as well as a timeline and index.

The Presidency of Barack Obama Julian Zelizer, 2018-03-13 An original and engaging account of the Obama years from a group of leading political historians Barack Obama's election as the first African American president seemed to usher in a new era, and he took office in 2009 with great expectations. But by his second term, Republicans controlled Congress, and, after the 2016 presidential election, Obama's legacy and the health of the Democratic Party itself appeared in doubt. In *The Presidency of Barack Obama*, Julian Zelizer gathers leading American historians to put President Obama and his administration into political and historical context. These writers offer strikingly original assessments of the big issues that shaped the Obama years, including the conservative backlash, race, the financial crisis, health care, crime, drugs, counterterrorism, Iraq and Afghanistan, the environment, immigration, education, gay rights, and urban policy. Together, these essays suggest that Obama's central paradox is that, despite effective policymaking, he failed to receive credit for his many achievements and wasn't a party builder. Provocatively, they ask why Obama didn't unite Democrats and progressive activists to fight the conservative counter-tide as it grew stronger. Engaging and deeply informed, *The Presidency of Barack Obama* is a must-read for anyone who wants to better understand Obama and the uncertain aftermath of his presidency. Contributors include Sarah Coleman, Jacob Dlamini, Gary Gerstle, Risa Goluboff, Meg Jacobs, Peniel Joseph, Michael Kazin, Matthew Lassiter, Kathryn Olmsted, Eric Rauchway, Richard Schragger, Paul Starr, Timothy Stewart-Winter, Thomas Sugrue, Jeremi Suri, Julian Zelizer, and Jonathan Zimmerman.

The Secret Life of Barack Hussein Obama Mondo Frazier, 2012-10-02 Journalist Frazier tells the hidden story of the President, divulging little-known details of President Barack Obama's past. Frazier exposes unexplained details and answers. This illuminating work is the unrevealed story of the President--the one readers won't get from their morning paper.

Who Is Barack Obama? Roberta Edwards, Who HQ, 2009-12-24 As the world now knows, Barack Obama has made history as our first African-American president. With black-and-white illustrations throughout, this biography is perfect for primary graders looking for a longer, fuller life story than is found in the author's bestselling beginning reader Barack Obama: United States President.

The Black Presidency Michael Eric Dyson, 2016-02-02 A provocative and lively examination of the meaning of America's first black presidency, by the New York Times bestselling author of *Tears We Cannot Stop*. Michael Eric Dyson explores the powerful, surprising way the politics of race have shaped Barack Obama's identity and groundbreaking presidency. How has President Obama dealt publicly with race—as the national traumas of Tamir Rice, Trayvon Martin, Michael Brown, Eric Garner, Freddie Gray, and Walter Scott have played out during his tenure? What can we learn from Obama's major race speeches about his approach to racial conflict and the black criticism it provokes? Dyson explores whether Obama's use of his own biracialism as a radiant symbol has been driven by the president's desire to avoid a painful moral reckoning on race. And he sheds light on identity issues within the black power structure, telling the fascinating story of how Obama has spurned traditional black power brokers, significantly reducing their leverage. President Obama's own voice—from an Oval Office interview granted to Dyson for this book—along with those of Eric Holder, Al Sharpton, Jesse Jackson, Andrew Young, and Maxine Waters, among others, add unique depth to this profound tour of the nation's first black presidency. “Dyson proves...that he is without peer when it comes to contextualizing race in twenty-first-century America... A must-read for anyone who wants to better understand America's racial past, present, and future.”—Gilbert King, author of the Pulitzer Prize-winning *Devil in the Grove* “No one understands the American dilemma of race—and Barack Obama's confounding and yet wondrous grappling with it—better than [Dyson.]”—Douglas Blackmon, author of the Pulitzer Prize-winning *Slavery by Another Name*

Empire's New Clothes Paul Street, 2015-12-03 As Obama nears the middle of his first-term as president Paul Street assesses his performance against the expectations of his supporters. While mainstream journalists have noted discrepancies between Obama's original vision and reality, Paul Street uniquely measures Obama's record against the expectations of the truly progressive agenda many of his supporters expected him to follow. Taken together, the list of Obama's weakened policies is startling: his business-friendly measures with the economy, the lack of support for the growing mass of unemployed and poor, the dilution of his health reform agenda, the passage of a record-setting Pentagon budget, and escalation of US military violence in Afghanistan, Pakistan, Yemen, and Somalia. Street's account reveals these and many other indications of how deeply beholden Obama is to existing dominant domestic and global hierarchies and doctrines.

National Geographic Readers: Barack Obama Caroline Crosson Gilpin, 2014-08-05 What biography series is complete without a title on the current U.S. President: Barack Obama? The election of an African American president was truly a monumental day in American history. His legacy will live on as a barrier-breaker and a pioneer. Learn all about our 44th President in this fascinating leveled reader.

The Black President Claude A. Clegg III, 2021-10-12 With lively prose and sensitivity to context, this book offers a sweeping, authoritative history of the Obama presidency, focusing particularly on its impact and meaning vis-à-vis African Americans. This interpretative account captures the America that made Obama's White House years possible, while at the same time rendering the America that resolutely resisted the idea of a Black chief executive, thus making conceivable the ascent of his most unlikely of successors--

Barack Obama in Hawai'i and Indonesia Dinesh Sharma, 2011-09-22 Distinguishing itself from the mass of political biographies of Barack Obama, this first interdisciplinary study of Obama's Indonesian and Hawai'ian years examines their effect on his adult character, political identity, and global world-view. The first 18 years of President Obama's life, from his birth in 1961 to his departure for college in 1979, were spent in Hawai'i and Indonesia. These years fundamentally shaped the traits for which the adult Obama is noted--his protean identity, his nuanced appreciation of multiple views of the same object, his cosmopolitan breadth of view, and his self-rooted outpost patriotism. *Barack Obama in Hawai'i and Indonesia: The Making of a Global President* is the first study to examine, in fascinating detail, how his early years impacted this unique leader. Existing biographies of President Obama are primarily political treatments. Here, cross-cultural psychologist and marketing consultant Dinesh Sharma explores the connections between Obama's early upbringing and his adult views of civil society, secular Islam, and globalization. The book draws on the author's on-the-ground research and extensive first-hand interviews in Jakarta; Honolulu; New York; Washington, DC; and Chicago to evaluate the multicultural inputs to Obama's character and the ways in which they prepared him to meet the challenges of world leadership in the 21st century.

Obama's Legacy - Yes We Can, Yes We Did Barack Obama, White House, U.S. Government, 2023-12-11 During his years in office, from 2009 to 2017, Barack Obama signed more landmark legislation than any Democratic president since Lyndon Baines Johnson. This collection presents the legacy of Barack Obama through his presidential work and the legislation of his administration. The edition honors his achievements, the determined efforts despite the resistance and his long lasting influence: Table of Contents: Inaugural Speeches First Inaugural Address (2009) Second Inaugural Address (2013) Main Accomplishments Health Care Climate and Energy American Leadership Economic Progress Equality & Social Progress Executive Orders Presidential Records Review and Disposition of Individuals Detained at the Guantanamo Bay Naval Base and Closure of Detention Facilities Review of Detention Policy Options Ensuring Enforcement and Implementation of Abortion Restrictions in the Patient Protection and Affordable Care Act Strengthening Protections Against Trafficking in Persons in Federal Contracts Fair Pay and Safe Workplaces Planning for Federal Sustainability in the Next Decade Implementing the National HIV/AIDS Strategy for the United States for 2015-2020 Delegation of Certain Authorities and Assignment of Certain Functions Under the Trade Preferences Extension Act of 2015 Amendment to Executive Order 13673 Developing an Integrated Global Engagement Center To Support Government-wide Counterterrorism Communications Activities Directed Abroad and Revoking Executive Order 13584 International Agreements & Treaties New START Paris Agreement Farwell Address

The World Views of the Obama Era Matthias Maass, 2017-11-07 This book presents selected non-US views of the Barack Obama administration. Each chapter investigates eight years of the Obama presidency from a different national perspective. By bringing together fourteen country studies from all regions of the world, this volume offers an accumulative global view of the Obama White House's foreign policies and bilateral affairs. It provides an outside perspective on a presidency that was initially greeted with much enthusiasm world-wide, but seemed to fall out of favor over time in most countries. The overwhelming hope that was associated with the election of Obama in 2008 turned to disillusionment world-wide; the changes in US external affairs he promised were only partially fulfilled and the world was reminded that America's place and role in the world would not change dramatically, not even under the inspirational Obama.

An American Story Barack Obama, David Olive, 2008 Bursting on the national scene at the Democratic National Convention in 2004, Barack Obama is favored to become the first African-American leader of a major industrialized country. And that might be the least interesting thing about this young, charismatic intellect, who seeks to restore America's reputation abroad, and the well-being of Americans at home.--BOOK JACKET.

The Message Richard Wolffe, 2013-09-17 They had 99 problems but Mitt Romney wasn't one. At the start of an epic election, the team trying to reelect President Obama faced a mountain of challenges: a dismal economy, the faded hopes of the first campaign, and a struggle to raise enough cash to compete. No president had risen so fast, or fallen so far, in the modern era. And no president in living memory had earned a second term in such troubled times. To resell the president, they needed to redefine the world they were living in. They needed to retell their own story and rewrite the characters. They needed to find The Message. But first, they needed to fight the enemy within: each other. For six years they kept a lid on their internal disputes--the ego clashes, the disappointed ambitions, and the battle to control the Obama brand. Everything was out of public view and under wraps. They called their style No Drama Obama, and the phrase matched the mood of the candidate. But it was never completely true. In 2008 they found a way around their rivalries. Four years later, their hostilities threatened to undermine the reelection of a president at a time when most voters were deeply unhappy and ready for change. Drawing on unrivaled access to the key characters, THE MESSAGE tells the inside story of the Mad Men--the marketers, message-shapers, and admakers--who held the Obama presidency in their hands.

We Are the Change We Seek Barack Obama, 2017-01-10 A collection of Barack Obama's greatest speeches selected and introduced by columnist E.J. Dionne and MSNBC host Joy-Ann Reid. We Are the Change We Seek is a collection of Barack Obama's 26 greatest addresses: beginning with his 2002 speech opposing the Iraq War and closing with his final speech before the United Nations in September 2016. As president, Obama's words had the power to move the country, and often the world, as few presidents before him. Whether acting as Commander in Chief or Consoler in Chief, Obama adopted a unique rhetorical style that could simultaneously speak to the national mood and change the course of public events. Obama's eloquence, both written and spoken, propelled him to national prominence and ultimately made it possible for the son of a Kenyan man and a white woman from Kansas to become the first black president of the United States. These speeches span Obama's career--from his time in state government through to the end of his tenure as president--and the issues most important to our time: war, inequality, race relations, gun violence and human rights. The book opens with an essay placing Obama's oratorical contributions within the flow of American history by E.J. Dionne Jr., columnist and author of *Why The Right Went Wrong*, and Joy Reid, the host of *AM Joy* on MSNBC and author of *Fracture*.

Audacity Jonathan Chait, 2017-01-17 An essential starting point for those assessing the Obama presidency."--Washington Monthly Two presidencies later, the time has never been better to revisit the legacy of Barack Obama. In *Audacity*, New York Magazine writer Jonathan Chait makes the unassailable case that, in the eyes of history, Obama will be viewed as one of America's best and most accomplished presidents. Over the course of eight years, Barack Obama has amassed an array of outstanding achievements. His administration saved the American economy from collapse, expanded health insurance to millions who previously could not afford it, negotiated an historic nuclear deal with Iran, helped craft a groundbreaking international climate accord, reined in Wall Street and crafted a new vision of racial progress. He has done all of this despite a left that frequently disdained him as a sellout, and a hysterical right that did everything possible to destroy his agenda even when they agreed with what he was doing. Now, as the page turns to our next Commander in Chief, Jonathan Chait, acclaimed as one of the most incisive and meticulous political commentators in America, digs deep into Obama's record on major policy

fronts—economics, the environment, domestic reform, health care, race, foreign policy, and civil rights—to demonstrate why history will judge our forty-fourth president as among the greatest in history. Audacity does not shy away from Obama’s failures, most notably in foreign policy. Yet Chait convincingly shows that President Obama has accomplished what candidate Obama said he would, despite overwhelming opposition—and that the hopes of those who voted for him have not been dashed despite the smokescreen of extremist propaganda and the limits of short-term perspective.

Barack Obama Sarah Parvis,2009-10-20 In the incredibly giftable little book Barack Obama, readers get an inside look at the remarkable 44th president of the United States. Barack Obama is the first African American U.S. president and the first politician to bring 21st-century technology to an election and the presidency. He brought change to a nation and changed history. From local community reformer to Oval Office tenant, Barack Obama has lived the American dream. This is his story in pictures and in words. Amazing candid photos and insights make this Little Book a big must-have for any American.

What Obama Means Jabari Asim,2009-01-20 A timely and sharp analysis about what the Obama phenomenon means for the future of American politics and society, by the celebrated Washington Post columnist.

Barack Obama and the Politics of Redemption Stanley A. Renshon,2012-03-15 Every new president raises many questions in the public mind. Because Barack Obama was a relative newcomer to the national political scene, he raised more questions than most. Would he prove to be a pragmatic centrist or would his politics of hope ultimately flounder on the rocky shoals of America’s deep political divisions? What of his leadership style? How would the uncommonly calm character he demonstrated on the campaign trail shape Obama’s political style as commander-in-chief? Based on extensive biographical, psychological, and political research and analysis, noted political psychologist Stanley Renshon follows Obama’s presidency through the first two years. He digs into the question of who is the real Obama and assesses the advantages and limitations that he brings to the presidency. These questions cannot be answered without recourse to psychological analysis. And they cannot be answered without psychological knowledge of presidential leadership and the presidency itself. Renshon explains that Obama’s ambition has been fueled by a desire for redemption—his own, that of his parents, and ultimately for the country he now leads, which has enormous consequences for his choices as president of a politically divided America.

The Barack Obama Presidency J. Davis,2011-11-07 Exploring the 'promise' and 'peril' associated with the opening two years of the presidency of Barack Obama, this book is a comparative look at the various aspects of his presidential strategy including the impact of his legislative agenda, his use of executive power, and the burgeoning disillusionment within the African American community.

Obama Introduction

In the digital age, access to information has become easier than ever before. The ability to download Obama has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Obama has opened up a world of possibilities. Downloading Obama provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Obama has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Obama. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Obama. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Obama, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Obama has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Obama Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Obama is one of the best book in our library for free trial. We provide copy of Obama in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Obama. Where to download Obama online for free? Are you looking for Obama PDF? This is definitely going to save you time and cash in something you should think about.
