The Only Astrology Book You'll Ever Need Joanna Martine Woolfold, 2008-06-11 OVER HALF A MILLION COPIES SOLD! This is the classic guide to astrological history, legend, and practice! Readers will enjoy simple, computer-accurate planetary tables that allow anyone born between 1900 and 2100 to pinpoint quickly their sun and moon signs, discover their ascendants, and map out the exact positions of the planets at the time of their birth. In addition to revealing the planets' influence on romance, health, and career, *The Only Astrology Book You'll Ever Need* takes a closer look at the inner life of each sign. Celebrated astrologer Joanna Martine Woolfolk offers abundant insights on the personal relationships and emotional needs that motivate an individual, on how others perceive astrological types, and on dealing with the negative aspects of signs. Readers will also welcome the inclusion of new discoveries in astronomy. Lavishly illustrated and with an updated design, this new edition is an indispensable sourcebook for unlocking the mysteries of the cosmos through the twenty-first century and beyond.

The One & Only Emily Giffin, 2014-05-20 #1 NEW YORK TIMES BESTSELLER • The beloved author of *Something Borrowed* and *Where We Belong* returns with an extraordinary story of love and loyalty—and an unconventional heroine struggling to reconcile both. This ebook edition contains an excerpt from Emily Giffin's *First Comes Love*. Emily Giffin, the beloved author of such novels as *Something Borrowed* and *Where We Belong*, returns with an extraordinary story of love and loyalty—and an unconventional heroine struggling to reconcile both. Thirty-three-year-old Shea Rigsby has spent her entire life in Walker, Texas—a small college town that lives and dies by football, a passion she unabashedly shares. Raised alongside her best friend, Lucy, the daughter of Walker's legendary head coach, Clive Carr, Shea was too devoted to her hometown team to leave. Instead she stayed in Walker for college, even taking a job in the university athletic department after graduation, where she has remained for more than a decade. But when an unexpected tragedy strikes the tight-knit Walker community, Shea's comfortable world is upended, and she begins to wonder if the life she's chosen is really enough for her. As she finally gives up her safety net to set out on an unexpected path, Shea discovers unsettling truths about the people and things she has always trusted most—and is forced to confront her deepest desires, fears, and secrets. Thoughtful, funny, and brilliantly observed, *The One & Only* is a luminous novel about finding your passion, following your heart, and, most of all, believing in something bigger than yourself . . . the one and only thing that truly makes life worth living. Praise for *The One & Only* • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY POPSUGAR "A page turner."—Southern Living "The One & Only is one to read."—Associated Press "Giffin scores again by bringing her discerning understanding of matters of the heart."—Family Circle "A poignant story about growing up and growing into your own skin."—BookPage "Touching."—New York Daily News "Deep, beautifully written . . . [Emily Giffin's] latest focuses on a forbidden love of sorts, but in a new setting: a fictional small college town in Texas."—Marie Claire "Each and every page of this story is entertaining. . . . Find a shady spot; get a cool drink, and just luxuriate in the joy of a book well written."—The Huffington Post "Brace yourself for a tearjerker: A tale of friendship and loyalty in a small, football-crazed Texas town shows how quickly things can change when tragedy challenges all that the characters hold dear . . . [A] page-turner."—InStyle "[Giffin's] protagonists . . . live full, interesting lives outside the purely personal realm—no more so than Shea Rigsby, the funny, flawed, but sympathetic central character in the *The One & Only*."—The Atlanta Journal-Constitution "In bestseller Giffin's much-anticipated latest, a young woman's life is upended when tragedy strikes the football-obsessed Texas town she's always called home."—People "To fill your Friday Night Lights void: A tale of die-hard love in a diehard Texas football town from the bestselling author of *Something Borrowed*."—Cosmopolitan

By Invitation Only Alexis Maybank, Alexandra Wilkis Wilson, 2012-04-12 On a warm September night in 2002, former acquaintances Alexis Maybank and Alexandra Wilkis reconnected at a mixer for new students at Harvard Business School. Alexis had just ended a four-year run at eBay during the dotcom boom and bust. Alexandra had just spent three years as an investment banker at Merrill Lynch. Now they were entering the country's top training ground for future titans of Wall Street and the Fortune 500. Little did either suspect that five years later, they'd become famous not in finance or consulting or corporate management, but at the bleeding-edge intersection of fashion and technology. Gilt Groupe – launched by Alexis, Alexandra, and three colleagues in 2007 – is one of the most fascinating startups of recent years, with a valuation of more than \$1 billion. And it all began with one bold idea: to bring sample sales online and change the way millions shop. As Alexis and Alexandra write about the day Gilt.com went live: "We had created a website that could potentially change the rules of retail, for both shoppers and brands. If shopping was traditionally a slow, leisurely activity that might consume an entire day, it would now be competitive, addictive, urgent, thrilling—a rush delivered at the same time each day. Shopping would become not just easier, but so much fun." But turning that vision into reality wasn't easy. Designers had long controlled their own sample sales by staging them in anonymous, makeshift locations and strictly limiting invitations. Those lucky enough to hear about a Marc Jacobs or Hermès sample sale would drop everything and run for dramatic, fleeting bargains. Why should elite brands support a new startup trying to replicate the experience online? And even if brands like Valentino, Christian Louboutin, and Zac Posen got on board, would shoppers embrace such a website? Would the kind of people who love high-end fashion really visit a new online sale each day? Was "accessible luxury" a breakthrough idea or an absurd oxymoron? Alexis and Alexandra share their perspective in this dramatic story of Gilt's birth, rise, and evolution. They show how they juggled the conflicting needs of their suppliers, engineers, marketers, and potential investors. They explain how they blended their individual strengths and weaknesses and managed their rapidly growing team. They cover the growing pains of expanding into new categories like housewares, travel, and menswear. And they take us through the darkest moments of the recession when Gilt might easily have died. As you'll learn from the true story of Gilt, anything is possible for those with the creativity to recognize a new opportunity and the perseverance to make it real.

Your One & Only Adrienne Finlay, 2018 Ideal for fans of *Delirium* and *Never Let Me Go*, this powerful debut novel is set in the near future about the only human boy in a world populated by nine clone models and the girl who falls in love with him.

Regrets Only Sally Quinn, 2020-11-17 The sizzling novel of two passionate and talented women—and the man they both love... Alison Sterling, beautiful, brilliant, and blonde—and a reporter for a major Washington daily—is embroiled in a secret love affair with the sexy, successful, very married bureau chief of a national newsweekly, Desmond Shaw. Meanwhile, Shaw is having an affair with Sadie Grey, the Southern belle wife of the Vice President. And Sadie Grey is having the time of her life. Irresistible love triangles—which begin as physical attraction and turn into love—are set amidst the dazzling, social whirl of power and politics, and "there's plenty to keep the pages turning" (*Cosmopolitan*).

Bad Vibes Only Nora McNerny, 2023-05-09 From the host of the podcast *Terrible, Thanks for Asking*—called "a gift" by *The New York Times*—a raw and humorous essay collection in the spirit of Jenny Lawson and Samantha Irby. Nora McNerny does not dance like no one is watching. In fact, she dances like everyone is watching, which is to say, she does not dance at all. A bestselling author and host of the beloved podcast *Terrible, Thanks for Asking*, she has captured the hearts of millions with her disarming and earnest approach to discussing grief and loss. Now, with *Bad Vibes Only*, she turns her eye

on our aggressively, oppressively optimistic culture, our obsession with self-improvement, and what it really means to live authentically in the online age. In essays that revisit her cringey past and anticipate her rapidly approaching, early middle-aged future, McInerney lays bare her own chaos, inviting us to drop the façade of perfection and embrace the truth: that we are all—at best—slightly unhinged. Socrates claimed that the unexamined life is not worth living. *Bad Vibes Only* is for people who have taken that dictum a bit too far—the overthinkers, the analyzers, the recovering Girl Bosses, and the burned-out personal brand—reminding us that a life worth living is about more than just “good vibes.”

The Only Options Trading Book You'll Ever Need (Second Edition) Russell Allen Stultz, 2018-01-17 A complete options trading tutorial-reference with brokerage selection, trading platform setup and backup, price chart analysis, popular chart studies and formations, trading rules, hands-on learning activities, trading options on futures, trading options on small accounts, an options terminology glossary, and a descriptive 78-strategy reference.

Only You Melanie Harlow (Romance novelist), 2018-03-12 Nate Pearson is ridiculously handsome and wears the hell out of a suit and tie, but I've seen the parade of beautiful women leaving his apartment across the hall—a different one every time—and I want no part of it. When it comes to romance, I'm looking for something real, something that will last: the happily ever after. As a divorce attorney, he loves to tell me there's no such thing. As a wedding planner, I choose to disagree. We disagree on almost everything, in fact. Everything except James Bond. The only time we really get along is when we're watching 007 flicks together, and I'll admit—he has rescued me from a disaster or five. So when one of the baton twirlers from his parade leaves a baby girl at his door with a note that says I'll come back for her and he begs me for help, I can't turn him down. But it's a mistake. Because watching him with his daughter, I start to see another side of Nate, a side that has my breath coming faster, my body craving his, my heart longing for him to change his mind about love and tell me there's a chance for us. I don't want to be just another girl leaving his apartment in the morning. I want to be the one he asks to stay.

Only Pieces Edd Tello, 2022-06-01 Edgar wants nothing more than to live his life out loud. But telling the truth about his sexuality isn't so easy in his traditional Mexican-American family, and his Amá has made it clear she won't accept who he is. Things get even harder when Edgar's macho father returns home after months away, and the house erupts into fighting and simmering tension. Edgar worries what would happen if he told his father the truth about who he is, and feels he'll never fit in anywhere. Then Edgar runs into Alex, a popular football player at school. With Alex, Edgar feels happy and free, believing he might finally pick up all the broken pieces of his heart. But falling in love is more complicated than Edgar can ever imagine—and coming out might destroy the only life he's ever known.

The Only Woman in the Photo Kathleen Krull, 2020-02-04 Discover the incredible life of Frances Perkins, the first woman to serve in a presidential cabinet and the mastermind behind Franklin D. Roosevelt's New Deal, in this fascinating picture book biography that's perfect for fans of *I Dissent*. Most people know about President FDR, but do you know the woman who created his groundbreaking New Deal? As a young girl, Frances Perkins was very shy and quiet. But her grandmother encouraged Frances to always challenge herself. When somebody opens a door to you, go forward. And so she did. Frances realized she had to make her voice heard, even when speaking made her uncomfortable, and use it to fight injustice and build programs to protect people across the nation. So when newly-elected President Franklin Delano Roosevelt finally asked Frances to be the first female Secretary of Labor and help pull the nation out of the Great Depression, she knew she had to walk through that open door and forward into history. In this empowering, inspirational biography, discover how the first woman to serve in a presidential cabinet led

the charge to create the safety net that protects American workers and their families to this day.

The Only EKG Book You'll Ever Need Malcolm S. Thaler,2014-12-30 For more than 25 years, The Only EKG Book You'll Ever Need has lived up to its name as an easy-to-understand, practical, and clear reference for everyday practice and clinical decision making. Dr. Thaler's ability to simplify complex concepts makes this an ideal tool for students, teachers, and practitioners at all levels who need to be competent in understanding how to read an EKG. Clear illustrations, clinical examples, and case studies help you quickly learn how identify and interpret hypertrophy and enlargement, arrhythmias, conduction blocks, pre-excitation syndromes, myocardial infarction, and more. Features: New material throughout and shortened and simplified explanations ensure that you're reading the most up-to-date, clear, and accurate text available. More than 200 facsimiles of EKG strips provide greater insight into normal and abnormal tracings, increasing your understanding of their clinical significance. Clinical examples, interactive questions, and case studies put key concepts into real-world context so that what you learn is immediately usable. Full-color, simple illustrations highlight important concepts and make challenging concepts easier to understand. A companion ebook, with fully searchable text and interactive question bank, makes this a great resource for students, teachers, and practitioners.

The Only Grant-Writing Book You'll Ever Need Ellen Karsh,Arlen Sue Fox,2014-04-08 From top experts in the field, the definitive guide to grant-writing Written by two expert authors who have won millions of dollars in government and foundation grants, this is the essential book on securing grants. It provides comprehensive, step-by-step guide for grant writers, including vital up-to-the minute interviews with grant-makers, policy makers, and nonprofit leaders. This book is a must-read for anyone seeking grants in today's difficult economic climate. The Only Grant-Writing Book You'll Ever Need includes: Concrete suggestions for developing each section of a proposal Hands-on exercises that let you practice what you learn A glossary of terms Conversations with grant-makers on why they award grants...and why they don't Insights into how grant-awarding is affected by shifts in the economy

Only for Me Michelle Derrig,2016-06 Only For Me is an amazing picture book, which gently teaches young children that their body is private and that they have a right to protect their privacy. Only For Me instantly engages young children (aged 3 to 8) through its clever use of rhyme and beautiful illustrations by former Disney artist Nicole Mackenzie. It tackles an extremely difficult topic in a sensitive and age appropriate manner, guiding parents through the critical information that they need to impart.

Our Only Hope Margaret B. Adam,2013-08-08 The most popular source of theological hope for American Christians is that of Jurgen Moltmann. Preachers, teachers, and lay people reflect Moltmann's influence, with their hope in a this-worldly eschatology and a suffering God. However, an exclusive reliance on that hope deprives the church of crucial resources in the face of global economic, environmental, and military crises. This book explores Moltmannian hope and considers its costs before looking elsewhere for additional contributions, from Thomas Aquinas's theological virtue of hope to nihilism and beyond, in order to encourage the church to sustain and practice hope in Jesus Christ, our only hope.

The One and Only Sparkella Channing Tatum,2021-05-04 An Instant #1 New York Times Bestseller! A Publishers Weekly Bestseller! Leading actor, producer and director Channing Tatum's picture book debut, The One and Only Sparkella is a charming ode to self-esteem and the love between a father and daughter—illustrated by Kim Barnes. Ella is excited for her first day at a new school. Glimmering pencil case? Check! Shimmering backpack? Check! Glittery ribbons in her hair? Check! She can't wait to meet the other kids and share her sparkly personality. But her first day doesn't go quite as planned: Her new

classmates don't like her disco-ball shoes, her PB&J-with-sprinkles sandwich, or her rainbow-y unicorn painting. Ella decides to try to be less sparkly at school the next day so the other kids won't make fun of her. But with a little help from her dad, she soon learns the importance of just being herself, no matter what other people say.

One and Only Lauren Sandler,2013-06-11 A funny, thought-provoking, and myth-busting account what it means to be—or be the parent of—an only child. Journalist Lauren Sandler is an only child and the mother of one. After investigating what so-called “singletons” are really like, she learned a lot about herself—and our cultural assumptions about parenting. In *One and Only*, Sandler combines “fierce reporting, tender storytelling, and clear-eyed cultural analysis” to reveal the unique ways that singletons thrive, and why so many of their families are happier (Susan Cain, author of *Quiet*). Between the recession, the stresses of modern life, and the ecological dangers ahead, there are increasing pressures on parents to think seriously about singletons. Sandler examines these ideas, including what the rise of the single-child family means for our economies, our environment, and our freedom. At the end, Sandler demonstrates that having just one may be the secret to happiness in the modern age.

Only the Catti David James Smith,2016-03-21 Live the life of a Celt in Caledonia. A story of migration to the Scottish Highlands circa AD78. The Roman expansion north was resisted by a Celtic Confederation and by their relatives still in Germania causing a contraction that left a vacuum to be filled by other migrants from Saxony. Angles, Jutes, and more. followed.

Only If Pramod Joshi,2022-04-29 As much Charlene shows her beauty with the elegance of dress and fame, Sadhana shows her beauty with simplicity and self-pride. Indeed, both deserve to have captured one common heart – that of Bali’s – but sadly, only one is to keep it. In love, to sacrifice for peace and humility, is a true love in itself – a captivating story, internationally set, brings the climax of joy, anguish, sentiment, and sacrifice in this true love scenario of the three people. An interesting read and immensely enjoyable.

Only Angels Giselle Renarde, When unhappily-married Helena accompanies her best friend to a top-secret cougar club, she figures it’s just one more underground hook-up joint for rich older women and the hot young guys they crave. No surprise to find the place populated with golden chests and gorgeous faces. No surprise to meet a sympathetic young man named Sandy. The surprise comes when Sandy exposes his huge pair... of stunning white wings! The posh club is called *Only Angels*. Here begins the adventure of Helena and her angel on earth.

Only Human Jenny Diski,2013-09-17 What if God fell in love and the person was already married? A bitter story of the very first love triangle between a man, his wife, and their God First came Adam, whose fall soured His quest for absolute authority, then Noah, whose dreary sense of duty He found dull. God resolves for a third and final time to get it right, to select a vessel through whom He can direct human affairs, and to whom He can communicate directly His will. He chooses a solitary figure whose trust must be wooed, but whose faith, once secured, will surely reflect even greater glory and love. Were matters only that simple. In *Only Human*, Jenny Diski's brilliant and affecting retelling of the Abraham and Sarah story, God learns that no man, chosen or not, is solitary, and that the bonds forged by the human heart are resilient even to divine commandment. Diski transforms an archetypal tale of Old Testament obedience into a fierce love triangle, a test of wills over not only mankind's future, but over who will tell the story of its past.

Whispering the Techniques of Language: An Emotional Quest through **Only**

In a digitally-driven earth wherever screens reign great and immediate conversation drowns out the subtleties of language, the profound techniques and psychological nuances concealed within phrases often get unheard. However, located within the pages of **Only** a charming fictional value pulsating with natural feelings, lies a fantastic journey waiting to be undertaken.
