

# Paino

Frank Paino

*Obscura* Frank Paino,2020-05-05 In his long-anticipated third poetry collection, Frank Paino sheds his singular light on the most obscure corners of history and human nature, assembling a hagiography of unorthodox saints. Paino's poems teach us to look deeply at the unsettling realities from which we instinctually look away-and they show us the rich rewards of beauty and wisdom we can gain by doing so.

**Maria Woodworth-Etter** Wayne Warner,2005-02 For Such a Time as This is the meticulously researched, tenderly written biography of the legendary Maria Woodworth-Etter, a woman before her time, who preached of repentance, salvation, holiness, healing, and the baptism of the Holy Spirit. Her success inspired Aimee Semple McPherson and paved the way for Kathryn Kuhlman, Marilyn Hickey, and Joyce Meyer. Historian Grant Wacker said of her, No one commanded greater awe in the Pentecostal circles. Carl Brumback described her as looking just like your grandmother, but who exercised tremendous spiritual authority over sin, disease, and demons. But she was also very human, as flawed and fragile as we all are. Warner strikes a delicate balance for the reader between revealing the woman and portraying her power. A must-read for every spirit-filled Christian.

**Sacramento Beer** Justin Chechourka,2018-05-07 Historically speaking, Sacramento benefited from a gold rush, an agricultural boom and, more recently, a brewing renaissance. The region's craft beer scene exploded from six to more than sixty breweries in about a decade, and the roots of that culture stretch back more than a century. Before Prohibition, thousands of acres of local hops supplied brewers across the country. Local farms are once again taking advantage of the temperate climate. In 1958, the University of California-Davis started America's foremost brewing science program, producing some of California's top brewers. Rubicon's 1989 award-winning IPA was just the beginning for the current, innovative resurgence. Author Justin Chechourka explores the complexities and nuance of this fermenting heritage.

web orthodox judaism is a

diverse branch of the jewish

people containing both modern

orthodox jews who obtain

secular educations and keep

traditional practice while

pursuing professional careers

and ultra orthodox jews who

tend to reject all aspects of the

contemporary world and

insulate themselves against

secular education and society
