*Blood Water Paint* Joy McCullough,2018-03-06 Haunting ... teems with raw emotion, and McCullough deftly captures the experience of learning to behave in a male-driven society and then breaking outside of it.—The New Yorker I will be haunted and empowered by Artemisia Gentileschi's story for the rest of my life.—Amanda Lovelace, bestselling author of the princess saves herself in this one A William C. Morris Debut Award Finalist 2018 National Book Award Longlist Her mother died when she was twelve, and suddenly Artemisia Gentileschi had a stark choice: a life as a nun in a convent or a life grinding pigment for her father's paint. She chose paint. By the time she was seventeen, Artemisia did more than grind pigment. She was one of Rome's most talented painters, even if no one knew her name. But Rome in 1610 was a city where men took what they wanted from women, and in the aftermath of rape Artemisia faced another terrible choice: a life of silence or a life of truth, no matter the cost. He will not consume my every thought. I am a painter. I will paint. Joy McCullough's bold novel in verse is a portrait of an artist as a young woman, filled with the soaring highs of creative inspiration and the devastating setbacks of a system built to break her. McCullough weaves Artemisia's heartbreak story with the stories of the ancient heroines, Susanna and Judith, who become not only the subjects of two of Artemisia's most famous paintings but sources of strength as she battles to paint a

woman's timeless truth in the face of unspeakable and all-too-familiar violence. I will show you what a woman can do. □A captivating and impressive.—Booklist, starred review □Belongs on every YA shelf.—SLJ, starred review □Haunting.—Publishers Weekly, starred review □Luminous.—Shelf Awareness, starred review

Red Paint Sasha LaPointe, 2023-03-07 An Indigenous artist blends the aesthetics of punk rock with the traditional spiritual practices of the women in her lineage in this bold, contemporary journey to reclaim her heritage and unleash her power and voice while searching for a permanent home Sasha taqʷšəblu LaPointe has always longed for a sense of home. When she was a child, her family moved around frequently, often staying in barely habitable church attics and trailers, dangerous places for young Sasha. With little more to guide her than a passion for the thriving punk scene of the Pacific Northwest and a desire to live up to the responsibility of being the namesake of her beloved great-grandmother—a linguist who helped preserve her Indigenous language of Lushootseed—Sasha throws herself headlong into the world, determined to build a better future for herself and her people. Set against a backdrop of the breathtaking beauty of Coast Salish ancestral land and imbued with the universal spirit of punk, Red Paint is ultimately a story of the ways we learn to find our true selves while fighting for our right to claim a place of our own. Examining what it means to be vulnerable in love and in art, Sasha offers up an unblinking reckoning with personal traumas amplified by the collective historical traumas of colonialism and genocide that continue to haunt native peoples. Red Paint is an intersectional autobiography of lineage, resilience, and, above all, the ability to heal.

In Face Paint, Lisa Eldridge reveals the entire history of the art form, from Egyptian and Classical times up through the Victorian age and golden era of Hollywood, and also surveys the cutting-edge makeup science of today and tomorrow. Face Paint explores the practical and idiosyncratic reasons behind makeup’s use, the actual materials employed over

generations, and the glamorous icons that people emulate, it is also a social history of women and the ways in which we can understand their lives through the prism and impact of makeup. “Makeup artist and Lancome global creative director Lisa Eldridge drops serious knowledge in Face Paint, her book on the history of beautifying.” —Marie Claire “Clear your coffee table and turn off YouTube—Lisa Eldridge’s book is a must read.”

This book shows you how to calm and enhance your outlook through the movement of brush on paper. Master artist Jean Haines leads you through the journey, putting the emphasis on the joy of play rather than on pressure to perform or produce—and showing you how to wipe away your worries with the soothing, gentle strokes of watercolour paint. “Starting from the premise that everyone can paint, Haines frees readers of the goals and expectations of end results, and encourages simple enjoyment of painting. Open-ended, detailed exercises guide readers through experimenting with paint to gain a sense of control; to relieve stress; to escape; or to be in a better mood. The emotional and psychological properties of color are discussed as are obstacles to creativity and happiness. . . . [a] unique blend of self-care and expression.” —Library Journal
