

Pakistan

Anam Zakaria

Purifying the Land of the Pure Farahnaz Ispahani, 2015-12-10 Pakistan was carved out in 1947 to protect the subcontinent's largest religious minority. But soon after Independence, political, religious and social leaders proclaimed it an Islamic State. Purifying the Land of the Pure is an analysis of the country's policies towards its religious minority populations, as well as an attempt to set the record straight about why Pakistan was created and where it moved away from Jinnah's modern pluralist vision to that of a purely Sunni Islamic nation. Farahnaz Ispahani brings to the subject an uncommon combination: the rigour of a scholar and the ground-level experience of a parliamentarian. A crucial addition to the literature on Pakistan.

Pakistan Under Siege Madiha Afzal, 2018-01-02 Over the last fifteen years, Pakistan has come to be defined exclusively in terms of its struggle with terror. But are ordinary Pakistanis extremists? And what explains how Pakistanis think? Much of the current work on extremism in Pakistan tends to study extremist trends in the country from a detached position—a top-down security perspective, that renders a one-dimensional picture of what is at its heart a complex, richly textured country of 200 million people. In this book, using rigorous analysis of survey data, in-depth interviews in schools and universities in Pakistan, historical narrative reporting, and her own intuitive understanding of the country, Madiha Afzal gives the full picture of Pakistan's relationship with extremism. The author lays out Pakistanis' own views on terrorist groups, on jihad, on religious minorities and non-Muslims, on America, and on their place in the world. The views are not radical at first glance, but are riddled with conspiracy theories. Afzal explains how the two pillars that define the Pakistani state—Islam and a paranoia about India—have led to a regressive form of Islamization in Pakistan's narratives, laws, and curricula. These, in turn, have shaped its citizens' attitudes. Afzal traces this outlook to Pakistan's unique and tortured birth. She examines the rhetoric and the strategic actions of three actors in Pakistani politics—the military, the civilian governments, and the Islamist parties—and their relationships with militant groups. She shows how regressive Pakistani laws instituted in the 1980s worsened citizen attitudes and led to vigilante and mob violence. The author also explains that the educational regime has become a vital element in shaping citizens' thinking. How many years one attends school, whether the school is public, private, or a madrasa, and what curricula is followed all affect Pakistanis' attitudes about terrorism and the rest of the world. In the end, Afzal suggests how this beleaguered nation—one with seemingly insurmountable problems in governance and education—can change course.

Pakistan Imran Khan, 2012 'Pakistan' tells the fascinating history of the country as seen through the eyes of one of its most famous sons, Imran Khan.

The Unraveling John R. Schmidt, 2011-09-13 How did a nation founded as a homeland for South Asian Muslims, most of whom follow a tolerant nonthreatening form of Islam, become a haven for Al Qaeda and a rogue's gallery of domestic jihadist and sectarian groups? In this groundbreaking history of Pakistan's involvement with radical Islam, John R. Schmidt, the senior U.S. political analyst in Pakistan in the years before 9/11, places the blame squarely on the rulers of the country, who thought they could use Islamic radicals to advance their foreign policy goals without having to pay a steep price. This strategy worked well at first—in Afghanistan during the anti-Soviet jihad, in Kashmir in support of a local uprising against Indian rule, and again in Afghanistan in backing the Taliban in the Afghan civil war. But the government's plans would begin to unravel in the wake of 9/11, when the rulers' support for the U.S. war on terror caused many of their jihadist allies to turn against them. Today the army generals and feudal politicians who run Pakistan are by turns fearful of the consequences of going after these groups and hopeful that they can still be used to advance the state's interests. *The Unraveling* is the clearest account yet of the complex, dangerous relationship between the leaders of Pakistan and jihadist groups—and how the rulers' decisions have led their nation to the brink of disaster and put other nations at great risk. Can they save their country or will we one day find ourselves confronting the first nuclear-armed jihadist state?

Welcome to Pakistan Karen Kwek, Jameel Haque, 2003 Punjabis, Pashtuns, and muhajirs, Sunnis, Shi'ites, and Sikhs -- Pakistan is a country of great cultural diversity with a historic devotion to Islam. Join this voyage of discovery and take a closer look at the lives of the Pakistani people and the land of K2, camel racing, calligraphy, and the Koran. Book jacket.

Human Rights in Pakistan M. G. Chitkara, 1997

Pakistan C. Christine Fair, Keith Crane, Christopher S. Chivvis, Samir Puri, Michael Spirtas, 2010-04-13 The authors exposit likely developments in Pakistan's internal and external security environment over the coming decade; assess Pakistan's national will and capacity to solve its problems, especially those relating to security; describe U.S. interests in Pakistan; and suggest policies for the U.S. government to pursue in order to secure those interests.

No Exit from Pakistan Daniel S. Markey, 2013-10-07 This book tells the story of the tragic and often tormented relationship between the United States and Pakistan. Pakistan's internal troubles have already threatened US security and international peace, and Pakistan's rapidly growing population, nuclear arsenal, and relationships with China and India will continue to force it upon America's geostrategic map in new and important ways over the coming decades. This book explores the main trends in Pakistani society that will help determine its future; traces the wellsprings of Pakistani anti-American sentiment through the history of US-Pakistan relations from 1947 to 2001; assesses how Washington made and implemented policies regarding Pakistan since the terrorist attacks on the United States on September 11, 2001; and analyzes how regional dynamics, especially the rise of China, will likely shape US-Pakistan relations. It concludes with three options for future US strategy, described as defensive insulation, military-first cooperation, and comprehensive cooperation.

India and Pakistan Selig S. Harrison, Paul H. Kreisberg, Dennis Kux, 1999 Leading specialists on South Asia assess the progress and problems of India and Pakistan, their foreign and defense policies, and their relations with the United States.

Frontline Pakistan Zahid Hussain, 2007 Veteran Pakistani journalist and commentator Zahid Hussain explores Pakistan's complex political power web and the consequences of Musharraf's decision to support America's drive against jihadism, which essentially took Pakistan to war with itself. Conducting exclusive interviews with key players and grassroots radicals, Hussain pinpoints the origin of the jihadi movement in Pakistan and Afghanistan, the long-standing and often denied links between militants and Pakistani authorities, the weaknesses of successive elected governments, and the challenges to Musharraf's authority posed by politico-religious, sectarian, and civil society elements within the country. The jihadi madrassas of Pakistan are incubators of the most feared terrorists in the world. Although the country's war on terror has so far been a stage show, a very real battle is looming, the outcome of which will have grave implications for the future security of the world.

Pakistan Husain Haqqani, 2005 This book analyzes the origins of the relationships between Islamist groups and Pakistan's military, and explores Pakistan's quest for identity and security. Tracing how the Pakistani military has sought U.S. support by making itself useful for concerns of the moment, author Husain Haqqani offers an alternative view of political developments in Pakistan since the country's independence in 1947--Provided by publisher.

Contemporary Pakistan Veena Kukreja, 2003-02-24 Veena Kukreja provides a rare reasoned analysis of the political processes at work in contemporary Pakistan and an objective understanding of the problems and crises confronting the country. The author points out that for 25 out of the 53 years of its existence, the military has been the arbiter of Pakistan's destiny. The military, she maintains, regards its dominance of Pakistani politics not only as a right but as a duty. As a result, state security has taken precedence over the need to create participatory political processes and institutions. The book points out that the terrorist attacks of 11 September 2001 and the resulting US offensive in Afghanistan, has put the military regime in Islamabad in a tight spot. Caught between unyielding

ulemas, a faltering economy, and American pressure to demolish militant networks in Pakistan, these recent developments combined with the dangerous cleavage within Pakistani society could well push that country into another bout of instability and even anarchy. The situation is made more complex by the nexus between terrorism and drugs .

The Political Ecology of Pakistan Gholam Mujtaba, 2018-10-22 Pakistan is about to play a pivotal role in global politics. Serving as a gateway to the Middle East and a conduit to Central and South Asia, it will be a crucial partner as the United States contends with China's rise as an emerging global superpower and seeks to maintain its hegemony in the region. The problem is, for many people in the West, Pakistan is somewhat of a black box, with few Westerners understanding the country's complex history and current political reality. The Political Ecology of Pakistan aims to change this by outlining the geopolitical history of Pakistan since the country gained independence in 1947, focusing in particular on the military's ongoing role in state affairs and the struggle for democracy to take root in the region. In addition, this book outlines Pakistan's improved economy, internal security, religious harmony, equality of opportunity, corruption-free society, and growing transparency and accountability, all of which will make the country a vital partner in securing and maintaining peace in the region. This information will be of interest to policymakers as well as those who are seeking to understand Pakistan's geopolitical significance.

Fortifying Pakistan C. Christine Fair, Peter Chalk, 2006 The authors offer a comprehensive examination of Pakistan's internal security environment and the effectiveness of its criminal justice structures and assess the impact and utility of the principal United States initiatives to help Pakistan strengthen its internal security.

The Bhutto Dynasty Owen Bennett-Jones, 2020-09-04 A major new investigation into the Bhutto family, examining their influence in Pakistan from the colonial era to the present day. Fluently written, impeccably researched and never short of extraordinary insights, this is a landmark publication. --Farzana Shaikh, Literary Review The Bhutto family has long been one of the most ambitious and powerful in Pakistan. But politics has cost the Bhuttos dear. Zulfikar Ali Bhutto, widely regarded as the most talented politician in the country's history, was removed from power in 1977 and executed two years later, at the age of 51. Of his four children, three met unnatural deaths: Shahnawaz was poisoned in 1985 at the age of 27; Murtaza was shot by the police outside his home in 1996, aged 42; and Benazir Bhutto, who led the Pakistan Peoples Party and became Prime Minister twice, was killed by a suicide bomber in Rawalpindi in 2007, aged 54. Drawing on original research and unpublished documents gathered over twenty years, Owen Bennett-Jones explores the turbulent existence of this extraordinary family, including their volatile relationship with British colonialists, the Pakistani armed forces, and the United States.

Nation, Territory, and Globalization in Pakistan Chad Haines, 2013-03-01 The Karakoram Highway was constructed by the Pakistani state in the 1970s as a major development project that furthered the national interest and solidified state control over the disputed region of northern Pakistan. Focusing on this highway, this book provides a unique analysis of the links between space, travel and history in the formation of the Pakistani nation-state. The book discusses how the highway was a symbol for an imagined national identity, and goes on to look at how it offered Pakistan a pre-Partition history and a fixed territory, by providing a historical link to the Silk Route and a contemporary geographical linkage to Central Asia. Examining the influence of the diverse travellers along the Karakoram Highway, the book shows how global flows of development, trade, labour, and tourism have remapped the Pakistani nation-state and reshaped the local. Providing a fresh perspective on the nation-state of Pakistan, this book is an important contribution to studies on South Asian History, Anthropology, Politics and Geography.

Islam in Pakistan Muhammad Qasim Zaman, 2018-05 The first book to explore the modern history of Islam in South Asia. The first modern state to be founded in the name of Islam, Pakistan was the largest Muslim country in the world at the time of its establishment in 1947. Today it is the second-most populous, after Indonesia. Islam in Pakistan is the first comprehensive book to explore Islam's evolution in this region over the past century and a half, from the British colonial era to the present day. Muhammad Qasim Zaman presents a rich historical account of this major Muslim nation, insights into the rise and gradual decline of Islamic modernist thought in the South Asian region, and an understanding of how Islam has fared in the contemporary world. Much attention has been given to Pakistan's role in sustaining the Afghan struggle against the Soviet occupation in the 1980s, in the growth of the Taliban in the 1990s, and in the War on Terror after 9/11. But as Zaman shows, the nation's significance in matters relating to Islam has much deeper roots. Since the late nineteenth century, South Asia has witnessed important initiatives toward rethinking core Islamic texts and traditions in the interest of their compatibility with the imperatives of modern life. Traditionalist scholars and their institutions, too, have had a prominent presence in the region, as have Islamism and Sufism. Pakistan did not merely inherit these and other aspects of Islam. Rather, it has been and remains a site of intense contestation over Islam's public place, meaning, and interpretation. Examining how facets of Islam have been pivotal in Pakistani history, Islam in Pakistan offers sweeping perspectives on what constitutes an Islamic state.

Between the Great Divide Anam Zakaria, 2018-08-07 Seventy years ago, as India and Pakistan gained their independence, the region of Jammu & Kashmir also found itself divided, with parts of the territory administered by Pakistan ever since. Located by the volatile Line of Control and caught in the middle of artillery barrages from both ends, Pakistan-administered Kashmir was until over a decade ago one of the most closed-off territories of the world. In a first book of its kind, award-winning Pakistani writer Anam Zakaria travels through Pakistan-administered Kashmir to hear its people - their sufferings, hopes and aspirations. She talks to women and children living near the Line of Control, bearing the brunt of ceasefire violations; journalists and writers braving all odds to document events in remote areas; political and military representatives championing the cause of Kashmir; former militants still committed to the cause; nationalists struggling for a united independent Kashmir; and refugees yearning to reunite with their families on the other side. In the process, Zakaria breaks the silence surrounding a people who are often ignored in discussions on the present and future of Jammu & Kashmir even though they are important stakeholders in what happens in the region. What she unearths during her deeply empathetic journeys is critical to understanding the Kashmir conflict and will surprise and enlighten Indians and Pakistanis alike.

Magnificent Delusions Husain Haqqani, 2013-11-05 The relationship between America and Pakistan is based on mutual incomprehension and always has been. Pakistan—to American eyes—has gone from being a quirky irrelevance, to a stabilizing friend, to an essential military ally, to a seedbed of terror. America—to Pakistani eyes—has been a guarantee of security, a coldly distant scold, an enthusiastic military enabler, and is now a threat to national security and a source of humiliation. The countries are not merely at odds. Each believes it can play the other—with sometimes absurd, sometimes tragic, results. The conventional narrative about the war in Afghanistan, for instance, has revolved around the Soviet invasion in 1979. But President Jimmy Carter signed the first authorization to help the Pakistani-backed mujahedeen covertly on July 3—almost six months before the Soviets invaded. Americans were told, and like to believe, that what followed was Charlie Wilson's war of Afghani liberation, with which they remain embroiled to this day. It was not. It was General Zia-ul-Haq's vicious regional power play. Husain Haqqani has a unique insight into Pakistan, his homeland, and America, where he was ambassador and is now a professor at Boston University. His life has mapped the relationship of the two countries and he has found himself often close to the heart of it, sometimes in very confrontational circumstances, and this has allowed him to write the story of a misbegotten diplomatic love affair, here memorably laid bare.

Pakistan, Islamisation, Army and Foreign Policy Bidanda M. Chengappa, 2004 Relates To Islamization Starting From Zia In Pakistan, Its Effect On The Army, Pakistan's Foreign Policy In Relation To Kashmir And Nepal. Has 4 Appendices Concerning Mushraf's Interviews With Asian Age, The Guardian, His Press Conference, Associate Press Of Pakistan News Summary.

Pakistan Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now

access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Pakistan PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Pakistan PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Pakistan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Pakistan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
